

## CBD age limit : Is There an Age Minimum for Purchasing CBD in My Store?

CBD is one of the fastest-growing industries in the United States today. In recent years, hundreds of CBD wholesalers and retailers have popped up across the country, and the market is still growing. Also, recently, experts have explored the [CBD age limit](#) for purchasing CBD.

.However, because the industry is so new, there is still some confusion around legality matters. While hemp-derived [CBD](#) is federally legal, there are some differences in laws and regulations at the state level.
