

Scheduling Instagram Posts

@theaspiringceo

Instagram is now rolling out its new in-app post-scheduling tools to all professional accounts in the app.

Content scheduling tools are right in the Instagram app Instagram is rolling out the ability to schedule posts. It allows professional accounts on the platform to schedule posts, carousels, and reels within the app, according to Instagram's Creators post.

Now, you can relax on Sundays and let this Instagram feature do the job for our business. For more updates visit our website now.
