

# #1 Home Health Care Agency in Georgia- 30528

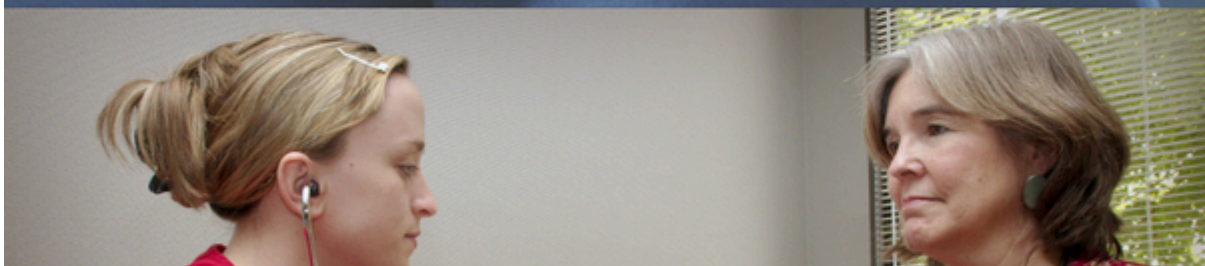

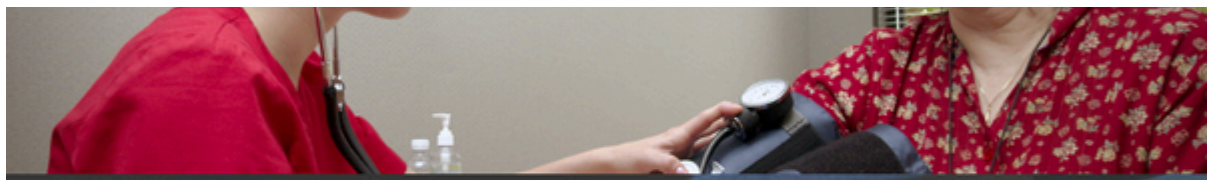

**PACIFIC HEALTH SYSTEMS**  
You are in good hands

# Pacific Health Systems

For your family or for someone you love, you need all the information you can get and comparative data that will help you make a sound decision. Pacific Health Systems, a home health care provider in Stockbridge, Georgia, is here to help make this critical choice easier for you. You can count on us to provide you with qualified professionals who will meet your expectations.

Services are provided at home instead of a care facility or the hospital. Upon the recommendation of a physician, the patient may receive assistance and benefit from less costly care services, more flexible visit schedules from nurses, and most importantly, they'll get to enjoy the company of their loved ones at home.
