

# Top Clothing Brand in India | Get Idea About Clothing Trend For Women In India

AMAR KOSA is one of the sustainable leading sustainable fashion brands, and a designer boutique in Bangalore, and delivering all over India. Our aim is to become the [top clothing brand in India](#). We focus on environment-friendly clothing and accessories, with high ecological integrity. The word AMAR KOSA is derived from the ancient language of Sanskrit, which means 'eternal collection'. As the meaning suggests, we work on timeless designs that do not grow out of style. The idea of AMAR KOSA was conceived in the early 2000s as a small project, which then bloomed into a full-blown label in 2016.

Vastly indulging in ethically sourced Natural Handloom fabrics like cotton, linen, hemp, flax, silks, and even organic cotton; infused with Hand block printing, Shibori, or Tie & Dye, we endeavour to bring to you fashionable yet wearable, and affordable attire. All these fabrics come directly from the weavers from various parts of the country. Hence by owning an AMAR KOSA product, you are supporting the weaver or artisan working hard somewhere in rural India, which adds to the unique spirit of its own. We at AMAR KOSA believe that a small change today will make a big difference tomorrow!

Vastly focusing in sustainable fashion, AMAR KOSA is a designer boutique in Bangalore catering to dresses for women, tops for women and plus size dresses. All the fabrics we use are responsibly created or directly sourced from the artisans at a fair rate set by them. Our employees are well compensated above market standards and well looked after, so that every piece is made with lot of love, affection and purity.
