

DashClicks

The screenshot displays the DashClicks dashboard, which is a comprehensive marketing management platform. It features several key sections: 'Conversation Overview' with buttons for 'Open Conversations' and 'Unread Team Messages'; 'Templates Overview' for SMS and Email; 'Website Analytics' showing page views and visitors; 'Lead Freshness' with a table of lead sources and their freshness; 'Installments Overview' for built, viewed, and purchased items; 'Phone Overview' for SMS and Email; and 'Affiliate Payroll' with a table for current balances and next pay dates. The dashboard is designed with a clean, modern interface using a purple and white color scheme.

 **dashClicks**

**An incredible marketing platform
and white-label fulfillment center
for digital agencies.**

[DashClicks](#) is a business management platform for digital agencies that offers white-label solutions like white-label SEO, PPC, Social Media, and more to streamline their marketing efforts. Additionally, agencies can use DashClicks' tools and services under their own branding, allowing them to offer their clients a wider range of services without developing the tools themselves! To leverage their services [sign up](#) for a free trial.
