Are You Looking For A Full Cover Swimming Suit?

When it comes to a full cover swimming suit, you are not supposed to skip burkini (also called *burqini*). Burkini cover the whole body, except the face, hands and feet. It has the same feel as wearing a wetsuit or a swimming cap. A burkini is entirely Muslim-friendly but it might be a myth to be exclusive to Muslim women as other communities are drawn towards it. Burkinis are available in a variety of colours, styles or variations. It is mainly classified into three categories: modest fit, slim fit and an active fit.

Is Modesty Possible Without A Hijab?

It shows that wearing hijab has its motive of not being exposed to the body, but for her mind and soul— by men.

Yes, modesty without a hijab is possible. A great example is Malala Yousafzai, the former Nobel Prize laureate, who is the same even without wearing a hijab. As the common notion made by several Muslims is— it is the deed that decides how the person is; not being judged by wearing hijab.
