

Commercial Rental Property | Emeryville, CA | Betterturnkey

A commercial real estate lease is a rental agreement that allows a business to rent commercial space from a landlord. Commercial leases come in three main forms: full-service leases, net leases, and modified gross leases. [Commercial rental properties](#) include shopping malls, professional offices, strip centres, and free-standing buildings used for offices and retail space. Successful businesses are reluctant to change location unless more space is needed and there's no other option. If you are interested, you just call to Betterturnkey company at 7178560018.
