I'm gonna get crotchety you spelled it crochet oh no shade crotch do you magic dallas what the heck okay so we got we got this far it's the color can i just show it up here oh that looks white. I'm gonna do it over here how am i so bad at pointing things in a camera it doesn't it's uh none of it helps i just have to keep going all right now we're gonna do the leave the petals her looks hers looks so much better you margo okay now we're doing oh i'm still in the wrong scene hi hello sorry hi hey you have to do the beauty guru thing put your hand behind it hey that worked no it didn't okay I need artificial flowers online.

Decorating Ideas for Your Birthday Party

what fly wow i'm sorry i'm a piece of human garbage welcome to the stream shut up margo
god i hate this lady okay hey guys hi rachie no chris don't do the dramatic all right okay i have
to do i have to fold it and then fold it and then fold it again no way i gotta fold it in half okay so
you fold it in half and then you fold it back which edge marco you clown sorry for you those you
just got here i i'm watching a tutorial that i can't show on stream and i'm trying to translate it's
not going well morgan it's streamer paper not now nightbot time tonight out which fold heist no
ignore it no stop it no i had no no dick peas no fees oh wait it's been an hour i thought nightbot
was just going yeah i forgot everybody pay your fees i didn't it's been an hour do do do i did it
they look like hearts daphne the fees are bills now i need to do i need to hammer no you're

three months wow dallas welcome back welcome back for three months no you shut up you shut up marco i gotta make fun i gotta make five of these i think i don't know how to make five there's only the instructions i'm gonna have an extra one okay kara's voice is quite lovely it's true so except when she's calling me a cabbage tara should i ban the word seth rogan no it's fine i don't care anymore i've accepted i'm just sent off brand seth rogen the same way bethany's an off-brand andrew garfield you know you gotta accept it he's tall he's lanky he's spider-man he is he's the same he looks you were the same bethany could be a stunt double for andrew garfield and i could do stunts for seth rogen this is how it works this is weird to cut because it's all like stretchy hey morgan no how dare you we love anthony here don't you say he's an off bread noodle how he's a oh he's a brand name noodle take whatever what do you want teg you son of a hi tig i'm making [paper artificial flowers](#) i can't wait to hear you guys make fun of me for this later i don't care i'm having fun making paper flowers i don't care i it's cool to make paper artificial flowers shop you don't have to do it's fun shut up tig literally has never said anything bad about it i just want a on him i'm not yelling i'm literally never yelling i don't care if i'm the only one having fun right now which is probably the case wait can i just save some of this just in case looks more like a carrot the colors are off it's it's a nectarine it says it's nectarine this is this is the issue with color correcting on 17 different camera brands more you know the other way around morgan streamers are just crepe paper but yeah flop what have you been up to i think i saw you draw some cool in in in jags uh you posted some cool drawing in jags discord you're very talented you're mean as to me most the time but you're very talented chris
