

Gradual increase

If you are looking out for a rapid increase in your views or followers, then that is not happening unless you blow up like crazy. This is because blowing up requires time where you need to be consistent with regular content posting. This will help you to boost up your views on videos and gradually increase your popularity too. Here, the same pattern is applicable to other applications like Facebook, Instagram, etc. You need to make sure that your account has what it takes to become popular by increasing the views. By this, we mean that you should post regularly and be consistent to get help from a views-gaining website or tool.

If you are looking for the best application or website to gain views on tik tok, then famoid is the one for you.
