

Sap Training Material

About us

We are a group of SAP consultants that have created this website aiming to help anyone who wants to get involved in SAP world. The idea came up when we realize that SAP training material is for many people unaffordable and difficult to find. Now we are very happy to open this door and allow people to get their certification or their training without spending tons of money. We are also learning from you, so if you have any suggestion, please do not hesitate to let us know.

[View Handbooks](#)

Our website is very intuitive and also you have a video that you can find in the home page that will guide you through the whole website. All the material is official and exactly the same SAP would provide you. Either your idea is get you certification or keep up to date with your SAP training, our material is right for you. We try to ease your choice splitting the content by module but if you are not sure about what you need do not hesitate to contact us. We will be very happy to assist you.
