**Security and Surety by way of: Lien HOH—DAVID STEWART LSL PROP-
ERTY SERVICES PLC CEO OFFICER—HOHO829
Affidavit of Truth and Statement of Fact**

1. I, Baroness Yvonne of the House of Hobbs (being the undersigned), do solemnly swear, declare, and depose:
2. That I am competent to state the matters herein and that I do take oath and swear that the matters herein are accurate, correct, honest, and true as contained within this Affidavit of Truth and Statement of Fact.
3. That I am herein stating the truth, the whole truth, and nothing but the truth, and that these truths stand as fact until another can provide the material, physical, and tangible evidence and substance to the contrary.
4. That I fully and completely comprehend that before any charges can be brought, it must be first proved, by presenting the material, physical, and tangible evidence and substance to support the facts, that the charges are valid and have substance that can be shown to have a foundation in fact.
5. That I have first-hand knowledge of the facts stated herein.
6. That all the facts stated herein are accurate, correct, honest, and true, and are admissible as material evidence, and that if I am called upon as a witness, that I will testify to their veracity.
7. That the eternal, unchanged principals of truth are as follows:
 - a) All are equal and are free by natural descent.
 - b) Truth is factual and not subjective to belief, which is nothing of any material, physical, or tangible substance in fact.
 - c) An un-rebutted Affidavit stands as the truth and fact.
 - d) An un-rebutted Affidavit is the documented fact and truth on and for the record.
 - e) All matters must be expressed to be resolved.
 - f) He who does not rebut the Affidavit agrees to it by default.
 - g) He who does anything by another's hand is culpable for the actions of the other's hand.
 - h) A security by way of a lien is, first and foremost, an agreement between the parties, as there is no disagreement between the parties.

- i) That he who stands as surety, by providing the security by way of a lien, stands in honour, as that surety is undertaken by agreement, without coercion, duress, or protest, and without the threat of harm, loss, or injury, and, as such, stands in honour for the harm, loss, or injury by their own hand.
8. That a security by way of a lien, which is a commercial process (including this Affidavit), is non-judicial and pre judicial, and:
- a. That no judge, court, government, or any agencies thereof, or any third parties whatsoever, can abrogate the Affidavit of Truth and Statement of Fact of another, and;
 - b. That only a party affected by an Affidavit can speak and act for himself and is solely responsible for responding with his own Affidavit of Truth and Statement of Fact, which no one else can do for him, where there is material, physical, and tangible evidence and substance in fact, which definitively is a firm foundation to rebut the rebutted affidavit.
9. That these facts, which form the main body of this Affidavit of Truth and Statement of Fact, are as follows, and that the material, physical, and tangible evidence and substance to support these facts is provided as exhibits and material, physical, and tangible evidence and substance as a foundation of these facts.
10. 17. It is now on and for the record and in perpetuity that MR DAVID STEWART in the position of CHIEF EXECUTIVE OFFICER for LSL PROPERTY SERVICES PLC has never, at any time provided valid, presentable material evidence to support the claim of an accounting ledger showing detail of a Contract/Agreement/Obligation of mutual consideration, all wet-ink signed to include an Outstanding balance, all ledgering on and off book, balance due, Bills raised, outstanding, missed payments made, owed on your account, arrears—for the principal legal embodiment of Mrs Yvonne Hobbs to peruse and rebut.
18. It is now on and for the record and in perpetuity that MR DAVID STEWART in the position of CHIEF EXECUTIVE OFFICER for LSL PROPERTY SERVICES PLC has never, at any time provided valid, presentable material evidence to support the claim that the statement by Sir Jack Beatson FBA, at that time the head of the judiciary, was false in his address to Nottingham University, the private corporations/states of the Executive and legislature are superior to the judiciary by way of re-examination of the relationship.
19. It is now on and for the record and in perpetuity that MR DAVID STEWART in the position of CHIEF EXECUTIVE OFFICER for LSL PROPERTY SERVICES PLC has never, at any time provided valid, presentable material evidence to support the claim contra the statement made by Chandran Kukathas in positing that HM Government plc is an entity, a Corporation/State.

20. It is now on and for the record and in perpetuity CHIEF EXECUTIVE OFFICER for LSL time provided valid, presentable material 2006 Fraud Act , including section 2-Fraud by false representation, Failing to disclose information and s.7—making or supplying articles for use in frauds.; And We have noted a claim of exemption from where there is no material evidence to support a claim then the claim would be fraudulent in nature which is recognized fraud by misrepresentation, a known criminal offence that is chargeable..
21. It is now on and for the record and in perpetuity that MR DAVID STEWART in the position of CHIEF EXECUTIVE OFFICER for LSL PROPERTY SERVICES PLC has never, at any time provided valid, presentable material evidence to support the claim of right to act in contempt of court to bias to the detriment of MRS YVONNE HOBBS.
22. It is now on and for the record and in perpetuity that MR DAVID STEWART in the position of CHIEF EXECUTIVE OFFICER for LSL PROPERTY SERVICES PLC has never, at any time provided valid, presentable material evidence to support the claim there is authority for MR DAVID STEWART in the position of CHIEF EXECUTIVE OFFICER for LSL PROPERTY SERVICES PLC to wilfully and premeditatedly Act to cause alarm and distress which is a formally recognised act of terrorism which is also a recognised criminal offence upon MRS YVONNE HOBBS without the presentment of the wet ink signed consent of the 64.1 upon this land and including the wet ink signature of MRS YVONNE HOBBS and that you had these consents as presentable, material fact before you brought your charges or made your claims.
23. It is now on and for the record and in perpetuity that MR DAVID STEWART in the position of CHIEF EXECUTIVE OFFICER for LSL PROPERTY SERVICES PLC has chosen to enter into a lasting and binding tacit agreement through acquiescence by not negating the facts presented in Exhibit (A), and MR DAVID STEWART in the position of CHIEF EXECUTIVE OFFICER for LSL PROPERTY SERVICES PLC has agreed to the criminal offences documented on and for the record in this correspondence, thus establishing a formal agreement between the parties MR DAVID STEWART in the position of CHIEF EXECUTIVE OFFICER for LSL PROPERTY SERVICES PLC and MRS YVONNE HOBBS on and for the public record. Since there is no disagreement between the parties, this is a non-judicial matter by default.
24. It is now on and for the record and in perpetuity that all matters must be expressed to be resolved and MR DAVID STEWART in the position of CHIEF EXECUTIVE OFFICER for LSL PROPERTY SERVICES PLC was offered an opportunity to resolve (see Exhibit (B) as material, physical, and tangible evidence and substance and a foundation to this fact). Since it is MRS YVONNE HOBBS who is the victim of these agreed criminal offences of MR DAVID STEWART in the position of CHIEF EXECUTIVE OFFICER for LSL PROPERTY SERVICES PLC, then MRS YVONNE HOBBS has the right to redress and choose the remedy for these agreed criminal offences.
25. It can be noted here, for and on the record, that the remedy for the criminal offence of fraud is seven to ten years' incarceration, the latter where there are multiple instances of fraud. MRS YVONNE HOBBS is under no legal or statutory obligation to observe and act upon the State policy regarding this matter and would consider that this extensive term of incarceration would be an insurmountable encumbrance on the public purse. For these reasons, it is decided by MRS YVONNE HOBBS to offer alternative remedy by way of a charge.
26. A second option was also proposed, which is by standing as a surety and, therefore, providing a security by way of a lien, allowing MR DAVID STEWART in the position of CHIEF EXECUTIVE OFFICER for LSL PROPERTY SERVICES PLC to regain honour without any cause for distress to MR DAVID STEWART in the position of CHIEF EXECUTIVE OFFICER for LSL PROPERTY SERVICES PLC. (see Exhibit (B)).
27. It is important to note here on and for the record that MR DAVID STEWART in the position of CHIEF EXECUTIVE OFFICER for LSL PROPERTY SERVICES PLC has chosen by their actions not to resolve their debt by way of personal cheque or a commercial instrument. It is also important to state here on and for the record that MR DAVID STEWART in the position of CHIEF EXECUTIVE OFFICER for LSL PROPERTY SERVICES PLC has not communicated by any means reluctance or objection to stand as surety and provide security by way of a lien on the estate and future earnings of MR DAVID STEWART in the position of CHIEF EXECUTIVE OFFICER for LSL PROPERTY SERVICES PLC extended to the future generations of MR DAVID STEWART in the position of CHIEF EXECUTIVE OFFICER for LSL PROPERTY SERVICES PLC where the sins of the father are the sins of the sons to the seventh generation, and where there may be an attachment of earnings on future generations of MR DAVID STEWART (CLAIMANT).
28. MR DAVID STEWART in the position of CHIEF EXECUTIVE OFFICER for LSL PROPERTY SERVICES PLC has not disagreed by any means of communication or correspondence to stand as surety for a security by way of a lien for their criminal offences, which have been fully documented and declared by way of this affidavit. As a consequence of not disagreeing with this proposed remedy, MR DAVID STEWART in the position of CHIEF EXECUTIVE OFFICER for LSL PROPERTY SERVICES PLC has formally agreed to this remedy to stand as surety, and agrees to be a security by way of a lien, and once again stands in honour by their actions by accepting the proposed remedy in full knowledge and understanding, without coercion or deception, and without the threat of harm, loss, or injury.

that MR DAVID STEWART in the position of PROPERTY SERVICES PLC has never, at any evidence to support the claim of exemption under

- 33. Let it be known on and for the record that confidence, faith, and belief are nothing of any material, physical, or tangible substance or evidence in fact.

23. If a share certificate is worn out, defaced, lost or destroyed, it may be replaced without charge (other than exceptional out-of-pocket expenses) and otherwise on such terms (if any) as to evidence and/or indemnity (with or without security) as the Board may require. In the case where the certificate is worn out or defaced, it may be renewed only upon delivery of the certificate to the Company.

LIEN

24. The Company shall have a first and paramount lien on every share (not being a fully paid share) for all money (whether presently due or not) payable in respect of that share. The Board may at any time declare any share to be wholly or in part exempt from the provisions of this Article.
25. The Company may sell, in such manner as the Board decides, any shares on which the Company has a lien, if a sum in respect of which the lien exists is presently payable and is not paid within 14 clear days after notice in writing has been served on the holder of the shares in question or the person entitled to such shares by reason of death or bankruptcy of the holder or otherwise by operation of law, demanding payment of the sum presently payable and stating that if the notice is not complied with the shares may be sold.
26. To give effect to any such sale, the Board may authorise such person as it directs to execute any instrument of transfer of the shares sold to, or in accordance with the directions of, the purchaser. The title of the transferee to the shares shall not be affected by any irregularity in or invalidity of the proceedings relating to the sale, and he shall not be bound to see to the application of the purchase money.
27. The net proceeds of the sale, after payment of the costs of such sale, shall be applied in or towards satisfaction of the liability in respect of which the lien exists so far as the same is presently payable, and any residue shall (upon surrender to the Company for cancellation of the certificate for the shares sold (where applicable) and subject to a like lien for any monies not presently payable or any liability or engagement not likely to be presently fulfilled or discharged as existed upon the shares before the sale) be paid to the holder of (or person entitled by transmission to) the shares immediately before the sale.

CALLS ON SHARES

28. Subject to the terms of allotment of any shares, the Board may make calls upon the members in respect of any monies unpaid on their shares (whether in respect of the nominal value of the shares or by way of premium) Provided that (subject as aforesaid) no call on any share shall be payable within one month from the date fixed for the payment of the last preceding call and that at least 14 clear days' notice shall be given of every call specifying the time or times, place of payment and the amount called on the members' shares. A call may be revoked in whole or in part or the time fixed for its payment postponed in whole or in part by the Board at any time before receipt by the Company of the sum due thereunder.
29. A call shall be deemed to have been made at the time when the resolution of the Board authorising the call was passed and may be made payable by instalments.
30. The joint holders of a share shall be jointly and severally liable to pay all calls in respect of the share.
31. Each member shall pay to the Company, at the time and place of payment specified in the notice of the call, the amount called on his shares. A person on whom a call is made will remain liable for calls made upon him, notwithstanding the subsequent transfer of the shares in respect of which the call was made.
32. If a sum called in respect of a share shall not be paid before or on the day appointed for payment, the person from whom the sum is due shall pay interest on the sum from the day fixed for payment to the time of actual payment at such rate, not exceeding 15 per cent. per annum, as the Board may decide, together with all expenses that may have been incurred by the Company by reason of such non-payment, but the Board may waive payment of interest and such expenses wholly or in part. No dividend or other payment or distribution in respect of any such share shall be paid or distributed and no other rights which would otherwise normally be exercisable in

- 142.10** A director need not declare an interest:
- 142.10.1** if it cannot reasonably be regarded as likely to give rise to a conflict of interest;

 - 142.10.3** if, or to the extent that, it concerns terms of his service contract that have been or are to be considered by a meeting of the directors or by a committee of the directors appointed for the purpose under the Articles.

THE SEAL

- 147.** The Board shall provide for the safe custody of such seal. The seal shall only be used by the authority of the Board or of a committee of the Board authorised by the Board. The Board shall determine who may sign any instrument to which the seal is affixed and, unless otherwise so determined, it shall be signed by a Director and shall be countersigned by the secretary or by a second Director or by some other person appointed by the Board for the purpose.
- 148.** All forms of certificates for shares or debentures or representing any other form of security (other than letters of allotment or scrip certificates) shall be issued executed by the Company but the Board may by resolution determine, either generally or in any particular case, that any signatures may be affixed to such certificates by some mechanical or other means or may be printed on them or that such certificates need not bear any signature.

Provided that, if and to the extent that the Statutes so permit and without prejudice to Article 155, the Company need not send copies of the documents referred to above to members but may send such members summary financial statements or other documents authorised by the Statutes. STRATEGIC REPORT

FOR THE YEAR ENDED 31 DECEMBER 2021

The directors present the strategic report and financial statements for the year ended 31 December 2021.

Review of the business

The Company made an operating loss before exceptional costs and contingent consideration of £73,000 (2020: £5,168,000). The Company's key financial and other performance indicators during the year were as follows:-

	2021	2020	Change	Change %
Revenue (£'000)	47,800	40,323	7,477	18.54
Operating (loss) / profit before exceptional costs and contingent consideration (£'000)	(73)	(5,168)	5,095	98.59
Operating (loss) / profit margin before exceptional costs and contingent consideration (%)	(0.15%)	(12.82%)	12.67%	98.83
Adjusted EBITDA (£'000)	6,209	3,215	2,994	93.14
Number of owned branches	89	89	-	-
Number of franchised branches	85	85	-	-

Revenue increased by 18.54%, primarily from increased residential sales fees during the year which was due to the branches being more actively operational and stamp duty incentives in the housing market in 2021. Operating loss decreased by 98.59% driven by the increase in sales revenues which were offset by higher staff costs and other variable costs as well as the running costs of the network from being in operation more than the prior year. Adjusted EBITDA is higher due to the improved operating profit and also investment impairment was £2,025,000 less in 2021.

Principal risks and uncertainties

The principal risks and uncertainties facing the Company are as follows:

- The volume of house sales and the Company's revenue and profitability could be adversely affected by the following external factors: the housing market; customer behaviour; competition from other estate agents and changes in legislation;
- The Company's results could also be affected by the following internal factors: failure to recruit or retain key staff; failure of information systems; failure to comply with relevant legislation or failure of the franchise model or a number of the franchisees;
- The Company's results could be affected by poor acquisition selection which could lead to a loss of value. In addition a failure to properly integrate acquisitions could lead to operational and financial difficulties;

s172 Report

As directors we have taken decisions to promote the long-term success of the Company for the benefit of its members. The own operated network of branches underwent a process of restructure which reduced physical branches but aimed to retain the majority of the market footprint. Where branches were outside the key geographical locations identified, a new franchise operation was created which maintains brand presence and provides an income stream while reducing operational expenses. In doing so, we have considered the interests of the company's employees, the need to foster business relationships with suppliers, customers and others and the impact of the company's operations on the community and environment. This restructure improves profitability of the remaining network and the streamlined structure is easier to manage and monitor operationally. We also considered how any conflicts could be balanced, including conflicts between the long-term and short-term good of the company and the interests of different stakeholder groups.

To ensure that the requirements of s172 Companies Act 2006 are met, the interests of our stakeholder groups are considered through a combination of the following:

- Specific agenda points and papers presented at each board meeting.
- Regular communication with all employees on various topics such as operational matters or health & safety.
- Regular engagement with our external stakeholders, including, but not limited to, suppliers and customers.
- Consideration of the impact of the Company's operations on the community and the environment, and how this can be improved.

In addition, the directors of the Company operate the Company in line with the objectives of the ultimate parent, LSL Property Services plc, including with regard to stakeholder engagement. Further details of how the directors have had regard to the matters set out in section 172(1) (a) to (f) of the Companies Act 2006 and a detailed directors' statement required under section 414CZA of that Act, are available in the consolidated financial statements of LSL Property Services plc.

DIRECTORS' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2021

Financial instruments

Liquidity risk

The Treasury Department in the ultimate parent company managed the liquidity risk in the group, in which they monitor the cash flow position of the Company to prevent shortage of funds to meet liabilities when they fall due.

Credit risk

There are no significant concentrations of credit risk within the Company. The Company is exposed to a credit risk in respect to revenue transactions (i.e. revenue from customers). It is the Company policy to obtain appropriate details of new customers before entering into contracts. The majority of the customers use the Company's services as part of a house sale transaction and consequently the debt is paid from the proceeds realised from the sale of the house by the vendor's solicitors before the balance of funds is transferred to the vendor.

Independent auditors

The auditors Ernst & Young LLP have indicated their willingness to remain in office, and a resolution concerning their reappointment will be proposed at the Annual General Meeting.

Statement of directors' responsibilities

The directors are responsible for preparing the Strategic Report, Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law) including FRS 101 Reduced Disclosure Framework. Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Statement of disclosure to auditors

So far as the directors are aware, there is no relevant audit information of which the company's auditors are unaware. Additionally, the directors have taken all the necessary steps that they ought to have taken as directors in order to make themselves aware of all relevant audit information and to establish that the company's auditors are aware of that information.

How are customers protected?

Protections and support

Understand the protections you have when dealing with this firm.

Customer protections and the Register

The Register can only give you general information about the help available from other organisations if something goes wrong when dealing with this AR. The Register does not provide information about any activities that this AR undertakes that do not require FCA approval. It also does not record what activities the principal firm allows the AR to perform and to obtain that information you will need to ask the principal firm.

The Financial Ombudsman Service (FOS) and the Financial Services Compensation Scheme (FSCS) are the main organisations to contact if something goes wrong when dealing with this AR.

If you want to complain about the AR, you should first complain directly to the AR or to the principal firm. If you are not sure who to complain to, contact the principal firm and they should tell you. If your complaint against the principal has not been resolved to your satisfaction, the FOS may be able to consider your complaint. You may be able to make a claim with FSCS if the principal firm has gone out of business owing you money. Alternatively, FSCS can sometimes consider claims against failed ARs if they did something the principal didn't allow them to do.

However, this is not always the case, and there are conditions that affect the protections you may have. To find out what is and what isn't covered, you should ask the principal firm(s) of this AR to confirm this to you in writing.

The final decision to consider any specific complaint or claim is determined by the FOS or FSCS. You should always check which activities are covered by these organisations before doing business with this AR.

The Financial Ombudsman Service may be able to consider a complaint about this firm

If you want to complain about the AR, you should first complain directly to the AR or to the principal firm. If your complaint against the principal has not been resolved to your satisfaction, you can ask the Financial Ombudsman Service to help.

The Financial Ombudsman can normally consider complaints against the principal, including complaints about what ARs have done or omitted to do on behalf of the principal. But it may not be able to consider complaints about all of this AR's activities, such as business that the principal did not allow this AR to carry out. The Financial Ombudsman Service has the final decision as to whether or not it will consider a specific complaint.

The Financial Ombudsman Service's website (<https://www.financial-ombudsman.org.uk/>) has information about the type of activities you can complain about.

The Financial Services Compensation Scheme may be able to consider a claim against this firm if it fails

You may be able to make a claim with FSCS if the principal firm has gone out of business owing you money. Alternatively, FSCS can sometimes consider claims against failed ARs if they did something the principal didn't allow them to do. If this AR has failed but its principal firm hasn't, you must make a complaint to the principal firm first.

FSCS protection doesn't apply to claims made in connection with consumer credit activities other than certain debt management business. However, claims made in connection with other regulated activities carried out by this AR may be covered by **FSCS**. (<https://www.fscs.org.uk/>)

If you have a complaint about a firm

This AR can only carry out the regulated activities which its principal allows it to. The principal is responsible for these regulated activities.

We would note that where there is no material evidence to support a claim then the claim would be fraudulent in nature which is recognized fraud by misrepresentation, a known criminal offence that is chargeable.

We would also draw to the attention of MR DAVID STEWART in the position of CHIEF EXECUTIVE OFFICER for LSL PROPERTY SERVICES PLC the Baron David Ward Affidavit, served upon every MP in the office of HM Parliament Corporation/State. This is a formal and legal process where, when left rebutted on a point by point basis leads to a formal, legal agreement in fact and law and we shall refer to it in detail from hereonin. The self intituled MPs who are employees of a private corporation, were served the Affidavit again—in October 2022—without rebuttal.

The link to the public notices is given here: https://justpaste.it/MP_SECURETISED_LIENS And <https://tinyurl.com/BIT-LY-LINKS-LIENS-UptoDate>

There is established a clear and noted obligation of service for MR DAVID STEWART in the position of CHIEF EXECUTIVE OFFICER for LSL PROPERTY SERVICES PLC to provide the valid and presentable material evidence to support the claims being made.

1. We have noted a claim of authority under UK Public General Acts—for which the mandatory requirement for HM Government Corporation/State before any Acts and statutes can be legally acted upon—being the getting of the wet-ink consents of the 64.1 million 'governed' is required and that you had these consents as presentable, material fact before you brought your charges or made your claims. MR DAVID STEWART in the position of CHIEF EXECUTIVE OFFICER for LSL PROPERTY SERVICES PLC has an obligation of service in the position of CHIEF EXECUTIVE OFFICER for LSL PROPERTY SERVICES PLC to provide the valid, presentable material evidence to support this claim.

We refer you to Exhibit C of the David Ward Affidavit where Chandran Kukathas PhD details over 7 pages that the State is a private corporation and specifically a legal embodiment by act of registration; And of no material substance. Fraud however has been defined as a criminal act with full knowledge and intent to engage in criminal behaviour to benefit one, at the expense of another. To bring about by an act of force, support of this fraud is also recognised as an act of terrorism.

From Exhibit (B).—Case Authority WI-05257F David Ward V Warrington Borough Council, 30thDay of May 2013. Which is a case at court tribunal undertaken by recognised due process. It is evident David Ward did not challenge the PCN or the traffic Management Act 2004 section 82 but the presumption of the consent of the governed. What is a mandatory requirement before the Acts and statutes can be legally acted upon is for the consent of the governed to be valid and that it can be presented as material fact before any charges or claims can be brought. It is clear from this case authority undertaken by due process that: -(1) It is illegal to act upon any of the Acts or statutes without the consent of the governed [where the governed have actually given their consent] and that consent is presentable as material physical evidence of the fact that the governed have given their consent. (2) Where the Acts and statutes are acted upon then this is illegal and a criminal action by the Corporation/State. (3) The criminal action is Malfeasance in a public office and fraud. (4) Where there is no consent of the governed on and for the public record then there is no governed and where there is no governed then there is no government. The one cannot exist without the other—they are mutually exclusive. (5) As this criminal activity is observed to be standard practice and has been for nearly 800 years, then this is clear observable evidence to the fact that LAW is a presumption and there is no such thing as LAW. See Exhibit (A) the twelve presumptions of law. Without this legal consent—the circa 64.1 million wet ink signed consents of the Governed—there is no legal authority under which there is a recognised officer of the Private Corporation/State that carries the necessary legal authority to create culpability, liability or agreement or otherwise enforce private corporate policy.

We refer you to the Baron David Ward unrebutted Affidavit Exhibit A—Formal challenge to the twelve presumptions of law. We challenge the Presumptions of Law. We have formally challenged all presumptions of law and as we have formally challenged all the twelve presumptions of law then the presumption of law formally has no substance in material FACT. We will recognise the rule of law, when and only when there is the material evidence of that assumed rule of law has some material evidence of substance in presentable material fact.

2. We have noted a claim of exemption under UK Public General Acts—from the UK 1882 Bills of Exchange Act Section 23--Signature essential to liability ; And of exemption under 1989 UK Law of Property (Miscellaneous Provisions) Act c.34, s.2 —Contracts for sale etc. of land to be made by signed writing and that you had these exemptions as presentable, material fact before you brought your charges or made your claims. MR DAVID STEWART in the position of CHIEF EXECUTIVE OFFICER for LSL PROPERTY SERVICES PLC has an obligation of service in the position of CHIEF EXECUTIVE OFFICER for LSL PROPERTY SERVICES PLC to provide the valid, presentable material evidence to support this claim.

And to further underline the malfeasance being demonstrated by the taking of our property—intangible and real to ensure subjugation and to extort we refer you again to the Facts

From Exhibit (C)—The Material evidence of the FACTS.It has been confirmed by the Rt. Hon. Lord Chief Justice Sir Jack Beatson FBA, on and for the record that:- (1) Whilst there is no material and physical evidence presented to the fact that the governed have given their consent then the office of the Judiciary has no greater authority than the manageress of McDonalds being as the office of the Judiciary is a sub office of a legal embodiment by an act of registration where this act of registration creates nothing of physical material substance and which is also fraud by default. Any objection to this observation of fact should be taken up with the Rt. Hon. Lord |Chief Justice Sir Jack Beatson FBA, whereupon the Rt. Hon. Lord Chief Justice Sir Jack Beatson FBA would then have to present the material and physical evidence that the governed have given their consents.As the office of the Judiciary is nothing more than a private commercial and fraudulent enterprise built upon fraud and criminal intent. This is by no stretch of the imagination a valid

government by the people for the people as it is by default a private company providing a judicial service for profit and gain but where there is also and always a conflict of interests—where there is a conflict of interests between the needs of the people and the state (Corporate) Policy which has no obligation to the people or even the needs and wellbeing of corporation staff. This has been confirmed by Chandran Kukathas of the London School of Economics and state office titled the Department of Government. Disagreements arising from ‘contracts’ are non-judicial and outside the scope of the private courts of the judiciary—these being the sub-offices of the private Corporation/State of HM Government plc as shown above. As has been confirmed by the esteemed Rt. Hon. Lord Chief Justice Sir Jack Beatson FBA the office of the Judiciary (Court) is a sub office of a Private Limited corporation (HM Parliaments & Governments PLC) and that such an officer of a Private corporation court does not have the status to give or grant a Court Order outside of that Private corporation Office.

MR DAVID STEWART in the position of CHIEF EXECUTIVE OFFICER for LSL PROPERTY SERVICES PLC has made threats and claims of a demand for payment, but has not presented Us with a valid and legal Bill—predicated upon a pre existing commercial contract or agreement—which is recognised under the Bills of exchange act of 1882. Because there is no commercial arrangement in place under which to raise a Bill there arises a direct violation of the 1677 Statute of Frauds Act and the 1882 Bills of Exchange Act of 1882. Additionally without the wet ink signed commercial arrangement and Bill presented, this Act would also be a contravention of the UK 2006 Fraud Act and to demand payment under threats contravenes the UK 2000 Terrorism Act. We are not in the habit of knowingly conspiring to fraud and/or terrorism. See Bills of exchange act of 1882. <http://www.legislation.gov.uk/ukpga/Vict/45-46/61>.

We would draw your attention to Exhibit (G) of the Affidavit of Truth and statement of Fact--A castle doctrine (also known as a castle law or a defence of habitation law) is a legal doctrine that designates a person's abode (or any legally-occupied place [e.g., a vehicle or workplace]) as a place in which that person has certain protections and immunities permitting him or her, in certain circumstances, to use force (up to and including deadly force) to defend themselves against an intruder, free from legal responsibility/prosecution for the consequences of the force used.[1] Typically deadly force is considered justified, and a defence of justifiable homicide applicable, in cases "when the actor reasonably fears imminent peril of death or serious bodily harm to him or herself or another".

3. We have noted a claim of exemption under UK Public General Acts—from the UK 2006 Companies Act, including section 44, the Execution of documents.. MR DAVID STEWART in the position of CHIEF EXECUTIVE OFFICER for LSL PROPERTY SERVICES PLC has an obligation of service in the position of CHIEF EXECUTIVE OFFICER for LSL PROPERTY SERVICES PLC to provide the valid, presentable material evidence to support this claim.

From Exhibit (D) of the Affidavit and Statement of Fact for Case Authority WI-05257F. 30d of May 2013 it is evident there is due process for the execution of legal and commercial documents. Where these processes are not followed then the very presence of a document which does not comply with these processes, is itself is the physical and material evidence of Malfeasance in a public office and fraud. We would point your attention to the FACTs that a corporation must execute documents legally and failure to do so renders the documents non legal and void—(1) Under the law of England and Wales or Northern Ireland a document is executed by a company—(a) by the affixing of its common seal, or (b) by signature in accordance with the following provisions. (2) A document is validly executed by a company if it is signed on behalf of the company— (a) by two authorised signatories, or (b) by a director of the company in the presence of a witness who attests the signature. (4) A document signed in accordance with subsection (2) and expressed in whatever words, to be executed by the company, has the same effect as if executed under the common seal of the company. The legal effect of the statute is that documents and deeds must be signed on behalf of the company by a director in the presence of a witness, or by two authorised signatories. Without adherence to these provisions no contracts can be considered duly executed by a company and their terms are therefore legally unenforceable.

4. We have noted a claim of exemption under UK Public General Acts—from the UK 2000 Terrorism Act, including section 1-action taken for the benefit of a proscribed organisation. MR DAVID STEWART in the position of CHIEF EXECUTIVE OFFICER for LSL PROPERTY SERVICES PLC has an obligation of service in the position of CHIEF EXECUTIVE OFFICER for LSL PROPERTY SERVICES PLC to provide the valid, presentable material evidence to support this claim.

To bring about by an act of force, support of this fraud is also recognised as an act of terrorism Under the UK 2000 Terrorism Act,s.1,5-action taken for the benefit of a proscribed organisation. It is evident from the omissions that there is no wet-ink signed contract between the Corporation/State of HM Government plc and LSL PROPERTY SERVICES PLC.

We refer you to Exhibit C of the David Ward Affidavit where under the —Including the taking of Our property of data and using it as your own without Our knowledge or consent, the threats against Our property and the further claims to benefit a private Corporation/State and extorting money with neither signature nor contract is an act of force **in terrorem**.

Again, We would draw your attention to Exhibit (G) of the Affidavit of Truth and statement of Fact--A castle doctrine (also known as a castle law or a defence of habitation law) is a legal doctrine that designates a person's abode (or any legally-occupied place [e.g., a vehicle or workplace]) as a place in which that person has certain protections and immunities permitting him or her, in certain circumstances, to use force (up to and including deadly force) to defend themselves against an intruder, free from legal responsibility/prosecution for the consequences of the force used.[1] Typically deadly force is considered justified, and a defence of justifiable homicide applicable, in cases "when the actor reasonably fears imminent peril of death or serious bodily harm to him or herself or another".

5. We have noted a claim of exemption under UK Public General Acts—from the 1677 Statute of Frauds Act—upon any Agreement, or Contract for Sale of Lands, &c. unless Agreement, &c. be in Writing and signed—including by the alledg'd debtor.. MR DAVID STEWART in the position of CHIEF EXECUTIVE OFFICER for LSL PROPERTY SERVICES PLC has an obligation of service in the position of CHIEF EXECUTIVE OFFICER for LSL PROPERTY SERVICES PLC to provide the valid, presentable material evidence to support this claim.

We would further add that the claims made by MR DAVID STEWART in the position of CHIEF EXECUTIVE OFFICER for LSL PROPERTY SERVICES PLC acting with and under the UK 2006 Fraud Act, Part 35, section 2--FRAUD by ABUSE of POSITION (1)A person is in breach of this section if he—(a) occupies a position in which he is expected to safeguard, or not to act against, the financial interests of another person, (b) dishonestly abuses that position, and (c) intends, by means of the abuse of that position—(i) to make a gain for himself or another, or (ii) to cause loss to another or to expose another to a risk of loss. (2) A person may be regarded as having abused his position even though his conduct consisted of an omission rather than an act.

Fraud is a deliberate action to defraud where the victim of the crime is unaware having no knowledge of a situation or fact. This crime carries a penalty of incarceration for 7 to 10 years and the latter, where there is multiple instances of. 64.1 million people are subject to this crime everyday as it is now commonplace and is carried out by the largest and most ruthless criminal company in this country. This same company is also a public office with the enforcement to execute this crime which is inclusive of but not limited to:- The office of the police, The office of the Judiciary, Local government and central government. Independent Bailiff Companies which are licensed by the same company.

6. We have noted a claim that the judiciary, and all corporations/states have exemption from the getting of the wet-ink consent of the 64.1 million 'governed' before any of their private charter ; OR the superior branches of Executive or Legislature Acts or Statutes can be acted upon. MR DAVID STEWART in the position of CHIEF EXECUTIVE OFFICER for LSL PROPERTY SERVICES PLC has an obligation of service in the position of CHIEF EXECUTIVE OFFICER for LSL PROPERTY SERVICES PLC to provide the valid, presentable material evidence to support this claim..
7. We have noted a claim of an accounting ledger showing detail of a Contract/Agreement/Obligation of mutual consideration, all wet-ink signed to include an Outstanding balance, all ledgering on and off book, balance due, Bills raised, outstanding, missed payments made, owed on your account, arrears—for the principal legal embodiment of Mrs Yvonne Hobbs to peruse and rebut. MR DAVID STEWART in the position of CHIEF EXECUTIVE OFFICER for LSL PROPERTY SERVICES PLC has an obligation of service in the position of CHIEF EXECUTIVE OFFICER for LSL PROPERTY SERVICES PLC to provide the valid, presentable material evidence to support this claim.

We also draw attention to the UK 2006 Fraud Act, Part 35, section 3--Fraud by failing to disclose information A person is in breach of this section if he—(a) dishonestly fails to disclose to another person information which he is under a legal duty to disclose, and (b) intends, by failing to disclose the information—(i)to make a gain for himself or another, or (ii) to cause loss to another or to expose another to a risk of loss.

8. We have noted a claim that the statement by Sir Jack Beatson FBA, at that time the head of the judiciary, was false in his address to Nottingham University, the private corporations/states of the Executive and legislature are superior to the judiciary by way of re-examination of the relationship. MR DAVID STEWART in the position of CHIEF EXECUTIVE OFFICER for LSL PROPERTY SERVICES PLC has an obligation of service in the position of CHIEF EXECUTIVE OFFICER for LSL PROPERTY SERVICES PLC to provide the valid, presentable material evidence to support this claim.

We would turn your attention to Exhibit D of the Baron David Ward Affidavit of Fact whereby a registered entity making false claims is liable under the UK 2006 Fraud Act, Part 35, section 2--FALSE REPRESENTATION A representation is false if—(a) it is untrue or misleading, and (b) the person making it knows that it is, or might be, untrue or misleading. (3)"Representation" means any representation as to fact or law, including a representation as to the state of mind of—(a)the person making the representation, or (b)any other person.

We would draw attention to the Contempt of Court Reporting Restriction, "Civil contempt refers to conduct which is not in itself a crime, but which is punishable by the court in order to ensure that its orders are observed. Civil contempt is usually raised by one of the parties to the proceedings. Although the penalty for civil contempt contains a punitive element, its primary purpose is coercion of compliance. We would add that the use of force in a civil matter is a wilful and belligerent act of terrorism and the above Contempt of Court Reporting

Restrictions further prevent a judge from holding MRS YVONNE HOBBS in contempt in a civil matter. A claim of 'contractual obligations is a non-judicial matter.

Your ref}20/NOV/23 2pm this day Antonio Kolic proceeding for sale of property contra the 1677 Statute of Frauds Act

Our Ref} HOH—DAVID STEWART LSL PROPERTY SERVICES PLC CEO OFFICER—HOHO829

Dear MR DAVID STEWART,

We have noted as of this day the 11 December 2023 that there has been no legal response to our previous correspondence dated the 20 November 2023, 27 November 2023 and 4 December 2023 respectively. There is now a formal agreement due to the absence of any valid material legal evidence.

If there is a crime to be redressed then it is important to comprehend the full extent of the crime before a solution or a remedy can be executed. You MR DAVID STEWART (CLAIMANT) CHIEF EXECUTIVE OFFICER have already been instrumental in this remedy as you have provided vital material evidence which is a part of the solution or remedy. For this material evidence, we thank you.

This may not be evident at first but the solution or remedy will benefit all including yourself. Complex matters have complex solutions, we can assure you that this solution is complex and these complexities may not be comprehended at first.

In the interests of candour and clarity:

It is a maxim of the rule of law that whomsoever brings a claim has the obligation to provide the material substance of that claim, else the claim is fraudulent in nature which is fraud by Misrepresentation and Malfeasance in the office. In addition to this an act of force where there is no material evidence and substance to a valid claim is also an act **in terrorem**, a wilful and belligerent act of terrorism.

There is therefore a formal legal requirement for MR DAVID STEWART in the position of CHIEF EXECUTIVE OFFICER for LSL PROPERTY SERVICES PLC to present the valid material evidence to the following effect.

1. We have noted a claim of authority under UK Public General Acts—for which the mandatory requirement for HM Government Corporation/State before any Acts and statutes can be legally acted upon—being the getting of the wet-ink consents of the 64.1 million 'governed' is required and that you had these consents as presentable, material fact before you brought your charges or made your claims. MR DAVID STEWART in the position of CHIEF EXECUTIVE OFFICER for LSL PROPERTY SERVICES PLC has an obligation of service in the position of CHIEF EXECUTIVE OFFICER for LSL PROPERTY SERVICES PLC to provide the valid, presentable material evidence to support this claim.

We refer you to Exhibit C of the David Ward Affidavit where Chandran Kukathas PhD details over 7 pages that the State is a private corporation and specifically a legal embodiment by act of registration; And of no material substance. Fraud however has been defined as a criminal act with full knowledge and intent to engage in criminal behaviour to benefit one, at the expense of another. To bring about by an act of force, support of this fraud is also recognised as an act of terrorism.

From Exhibit (B). —Case Authority WI-05257F David Ward V Warrington Borough Council, 30thDay of May 2013. Which is a case at court tribunal undertaken by recognised due process. It is evident David Ward did not challenge the PCN or the traffic Management Act 2004 section 82 but the presumption of the consent of the governed. What is a mandatory requirement before the Acts and statutes can be legally

acted upon is for the consent of the governed to before any charges or claims can be brought. It process that: -(1) It is illegal to act upon any of governed [where the governed have actually given their consent] and that consent is presentable as material physical evidence of the fact that the governed have given their consent. (2) Where the Acts and statutes are acted upon then this is illegal and a criminal action by the Corporation/State. (3) The criminal action is Malfeasance in a public office and fraud. (4) Where there is no consent of the governed on and for the public record then there is no governed and where there is no governed then there is no government. The one cannot exist without the other—they are mutually exclusive. (5) As this criminal activity is observed to be standard practice and has been for nearly 800 years, then this is clear observable evidence to the fact that LAW is a presumption and there is no such thing as LAW. See Exhibit (A) the twelve presumptions of law. Without this legal consent—the circa 64.1 million wet ink signed consents of the Governed—there is no legal authority under which there is a recognised officer of the Private Corporation/State that carries the necessary legal authority to create culpability, liability or agreement or otherwise enforce private corporate policy.

be valid and that it can be presented as material fact is clear from this case authority undertaken by due the Acts or statutes without the consent of the governed

We refer you to the Baron David Ward unrebutted Affidavit Exhibit A—Formal challenge to the twelve presumptions of law. We challenge the Presumptions of Law. We have formally challenged all presumptions of law and as we have formally challenged all the twelve presumptions of law then the presumption of law formally has no substance in material FACT. We will recognise the rule of law, when and only when there is the material evidence of that assumed rule of law has some material evidence of substance in presentable material fact.

2. We have noted a claim of exemption under UK Public General Acts—from the UK 1882 Bills of Exchange Act Section 23—Signature essential to liability ; And of exemption under 1989 UK Law of Property (Miscellaneous Provisions) Act c.34, s.2 —Contracts for sale etc. of land to be made by signed writing and that you had these exemptions as presentable, material fact before you brought your charges or made your claims. MR DAVID STEWART in the position of CHIEF EXECUTIVE OFFICER for LSL PROPERTY SERVICES PLC has an obligation of service in the position of CHIEF EXECUTIVE OFFICER for LSL PROPERTY SERVICES PLC to provide the valid, presentable material evidence to support this claim.

And to further underline the malfeasance being demonstrated by the taking of our property—intangible and real to ensure subjugation and to extort we refer you again to the Facts

From Exhibit (C)—The Material evidence of the FACTS. It has been confirmed by the Rt. Hon. Lord Chief Justice Sir Jack Beatson FBA, on and for the record that:- (1) Whilst there is no material and physical evidence presented to the fact that the governed have given their consent then the office of the Judiciary has no greater authority than the manageress of McDonalds being as the office of the Judiciary is a sub office of a legal embodiment by an act of registration where this act of registration creates nothing of physical material substance and which is also fraud by default. Any objection to this observation of fact should be taken up with the Rt. Hon. Lord Chief Justice Sir Jack Beatson FBA, whereupon the Rt. Hon. Lord Chief Justice Sir Jack Beatson FBA would then have to present the material and physical evidence that the governed have given their consents. As the office of the Judiciary is nothing more than a private commercial and fraudulent enterprise built upon fraud and criminal intent. This is by no stretch of the imagination a valid government by the people for the people as it is by default a private company providing a judicial service for profit and gain but where there is also and always a conflict of interests—where there is a conflict of interests between the needs of the people and the state (Corporate) Policy which has no obligation to the people or even the needs and wellbeing of corporation staff. This has been confirmed by Chandran Kukathas of the London School of Economics and state office titled the Department of Government. Disagreements arising from ‘contracts’ are non-judicial and outside the scope of the private courts of the judiciary—these being the sub-offices of the private Corporation/State of HM Government plc as shown above. As has been confirmed by the esteemed Rt. Hon. Lord Chief Justice Sir Jack Beatson FBA the office of the Judiciary (Court) is a sub office of a Private Limited corporation (HM Parliaments & Governments PLC) and that such an officer of a Private corporation court does not have the status to give or grant a Court Order outside of that Private corporation Office.

MR DAVID STEWART in the position of CHIEF EXECUTIVE OFFICER for LSL PROPERTY SERVICES PLC has made a demand for payment, but has not presented Us with a valid and legal Bill—predicated upon a pre existing commercial contract or agreement—which is recognised under the Bills of exchange act of 1882. Because there is no commercial arrangement in place under which to raise a Bill there arises a direct violation of the 1882 Bills of Exchange Act of 1882. Additionally without the wet ink signed commercial arrangement and Bill presented, this Act would also be a contravention of the UK 2006 Fraud Act and to demand payment under threats contravenes the UK 2000 Terrorism Act. We are not in the habit of knowingly conspiring to fraud and/or terrorism. See Bills of exchange act of 1882.

We would draw your attention to Exhibit (G) of castle doctrine (also known as a castle law or a designates a person's abode (or any legally-occupied place in which that person has certain protections and immunities permitting him or her, in certain circumstances, to use force (up to and including deadly force) to defend themselves against an intruder, free from legal responsibility/prosecution for the consequences of the force used.[1] Typically deadly force is considered justified, and a defence of justifiable homicide applicable, in cases "when the actor reasonably fears imminent peril of death or serious bodily harm to him or herself or another".

the Affidavit of Truth and statement of Fact--A defence of habitation law) is a legal doctrine that designates a person's abode (or any legally-occupied place [e.g., a vehicle or workplace]) as a place in which that person has certain protections and immunities permitting him or her, in certain circumstances, to use force (up to and including deadly force) to defend themselves against an intruder, free from legal responsibility/prosecution for the consequences of the force used.[1] Typically deadly force is considered justified, and a defence of justifiable homicide applicable, in cases "when the actor reasonably fears imminent peril of death or serious bodily harm to him or herself or another".

3. We have noted a claim of exemption under UK Public General Acts—from the UK 2006 Companies Act, including section 44, the Execution of documents.. MR DAVID STEWART in the position of CHIEF EXECUTIVE OFFICER for LSL PROPERTY SERVICES PLC has an obligation of service in the position of CHIEF EXECUTIVE OFFICER for LSL PROPERTY SERVICES PLC to provide the valid, presentable material evidence to support this claim.

From Exhibit (D) of the Affidavit and Statement of Fact for Case Authority WI-05257F. 30d of May 2013 it is evident there is due process for the execution of legal and commercial documents. Where these processes are not followed then the very presence of a document which does not comply with these processes, is itself is the physical and material evidence of Malfeasance in a public office and fraud. We would point your attention to the FACTs that a corporation must execute documents legally and failure to do so renders the documents non legal and void—(1) Under the law of England and Wales or Northern Ireland a document is executed by a company—(a) by the affixing of its common seal, or (b) by signature in accordance with the following provisions. (2) A document is validly executed by a company if it is signed on behalf of the company — (a) by two authorised signatories, or (b) by a director of the company in the presence of a witness who attests the signature. (4) A document signed in accordance with subsection (2) and expressed in whatever words, to be executed by the company, has the same effect as if executed under the common seal of the company. The legal effect of the statute is that documents and deeds must be signed on behalf of the company by a director in the presence of a witness, or by two authorised signatories. Without adherence to these provisions no contracts can be considered duly executed by a company and their terms are therefore legally unenforceable.

4. We have noted a claim of exemption under UK Public General Acts—from the UK 2000 Terrorism Act, including section 1-action taken for the benefit of a proscribed organisation. MR DAVID STEWART in the position of CHIEF EXECUTIVE OFFICER for LSL PROPERTY SERVICES PLC has an obligation of service in the position of CHIEF EXECUTIVE OFFICER for LSL PROPERTY SERVICES PLC to provide the valid, presentable material evidence to support this claim.

To bring about by an act of force, support of this fraud is also recognised as an act of terrorism Under the UK 2000 Terrorism Act, s.1, 5-action taken for the benefit of a proscribed organisation. It is evident from the omissions that there is no wet-ink signed contract between the Corporation/State of HM Government plc and LSL PROPERTY SERVICES PLC.

We refer you to Exhibit C of the David Ward Affidavit where under the —Including the taking of Our property of data and using it as your own without Our knowledge or consent, the threats against Our property and the further claims to benefit a private Corporation/State and extorting money with neither signature nor contract is an act of force **in terrorem**.

Again, We would draw your attention to Exhibit (G) of the Affidavit of Truth and statement of Fact--A castle doctrine (also known as a castle law or a defence of habitation law) is a legal doctrine that designates a person's abode (or any legally-occupied place [e.g., a vehicle or workplace]) as a place in which that person has certain protections and immunities permitting him or her, in certain circumstances, to use force (up to and including deadly force) to defend themselves against an intruder, free from legal responsibility/prosecution for the consequences of the force used.[1] Typically deadly force is considered justified, and a defence of justifiable homicide applicable, in cases "when the actor reasonably fears imminent peril of death or serious bodily harm to him or herself or another".

5. We have noted a claim of exemption under UK Public General Acts—from the 1677 Statute of Frauds Act—upon any Agreement, or Contract for Sale of Lands, &c. unless Agreement, &c. be in Writing and signed—including by the alleged debtor.. MR DAVID STEWART in the position of CHIEF EXECUTIVE OFFICER for LSL PROPERTY SERVICES PLC has an obligation of service in the position of CHIEF EXECUTIVE OFFICER for LSL PROPERTY SERVICES PLC to provide the valid, presentable material evidence to support this claim.

We would further add that the claims made by MR DAVID STEWART in the position of CHIEF EXECUTIVE OFFICER for LSL PROPERTY SERVICES PLC acting with and under the UK 2006 Fraud Act, Part 35, section 2--FRAUD by ABUSE of POSITION (1)A person is in breach of this section if he—(a) occupies a position in which he is expected to safeguard, or not to act against, the financial interests of another person, (b) dishonestly abuses that position, and (c) intends, by means of the abuse of that position—(i) to make a gain for himself or another, or (ii) to cause loss to another or to expose another to a risk of loss. (2) A person may be regarded as having abused his position even though his conduct consisted of an omission rather than an act.

These are very serious crimes MR DAVID STEWART (CLAIMANT) and under current state legislation there is a cumulative period of incarceration in excess of 150 years' incarceration. We would not wish to encumber the public purse for the costs of this incarceration as the public purse can ill afford this financial encumbrance. It is not our intent to place you MR DAVID STEWART (CLAIMANT) in a state of distress or cause any distress loss or harm by this legal action. MR DAVID STEWART in the position of CHIEF EXECUTIVE OFFICER for LSL PROPERTY SERVICES PLC—we have expressed the criminal offences and there is an obligation to resolve. We have also noted that others in association are also complicit in the same criminal offences. Whomever is complicit in any criminal offences also carries the obligation to bring those also complicit in the same criminal offences to resolution.

This may be viewed to be an excessive action to take as a remedy but we bring your attention back to the affidavit Exhibit (F) No Body gets Paid. The Bank of England note GBP is based upon confidence and Belief where belief is a concept in the abstract which is of no material substance. So is this an excessive action where there is no monetary value. <http://bit.ly/1WV48P> No injury loss or harm can be caused by the action. This is just numbers of no commercial significance as there cannot be commerce without money and there is no such thing as money so there is no such thing as economics.

It could be said that to take this action is to destabilise the economy. WHAT economy? The destabilization of the economy was done generations ago when the government licensed fraudulent Banking Practice—by that we mean Federal Reserve Banking practices, fractional lending and quantitative easing.

We did ask ourselves "Are we committing Fraud?" Our response to this was. "Is there full disclosure?" YES. "Is there an agreement between the parties as a result of that disclosure?" YES. "Is there any injury loss or harm?" NO. Then there is no fraud.

Are we destabilising Government? See above. Without the consent of the governed on and for the record then there is no governed and no government by default. What Government? See Exhibit under the affidavit Exhibit (H). Without a valid and accountable government then there is no such thing as the public or the public purse.

MR DAVID STEWART (CLAIMANT) we have expressed the criminal offences and there is an obligation to resolve. MR DAVID STEWART (CLAIMANT) is either by wilful intent or ignorance from this day forward is not a fit and proper person to be in a position of trust. Ignorance of the law is no defence.

MR DAVID STEWART (CLAIMANT) You have seven (7) days to make reparation for your criminal offences. Seven (7) days after that there will be a legal notice of default. Seven (7) days after that there will be a security by way of a lien.

We await your response. Silence creates a tacit and binding agreement through acquiescence.

Exhibit (C)

Affidavit of Truth and Statement of Fact.

Placed formally on the record of Government and the State.

As of March 2015

House of Ward
145 Slater Street
Warrington
[WA4 1DW]
20th Day of March 2015

Ladies and Gentlemen. It is our Duty and obligation and very great honour to make the following announcement and Decree.

On this Day the 20thDay of March 2015.

It is now confirmed Formally, on and for the Record as of this Day the 20thDay of March 2015 Agreed by the State and the Crown By way of un-rebutted Affidavit and statement of Fact and that there is a lasting tacit and binding agreement through Acquiescence and Royal Assent by Default. That there has never been any such thing as LAW. But only the presumption of law, where a presumption is nothing of material substance and any presumption can be dismissed by a formal challenge.

It is now confirmed Formally, on and for the Record as of this Day the 20thDay of March 2015 Agreed by the State and the Crown By way of un-rebutted Affidavit and statement of Fact and that there is a lasting tacit and binding agreement through Acquiescence and Royal Assent by Default. That Parliament does not reign supreme and that any notion of government has no legitimacy without the Material evidence that the governed have given their consent and that there cannot be any Government For the one cannot exist in isolation without the other. Also that any action taken by way of Act or statute of Parliament is and always has been a criminal offence of FRAUD and Malfeasance in the office at the very least.

It is now confirmed Formally, on and for the Record as of this Day the 20thDay of March 2015 Agreed by the State and the Crown By way of un-rebutted Affidavit and statement of Fact and that there is a lasting tacit and binding agreement through Acquiescence and Royal Assent by Default. That the office of the Judiciary is nothing more than a sub office of a commercial body and the status and standing of any Judge or Magistrate currently on this land has no greater status or standing or authority than the Manageress of McDonalds. Also it is formally recognised on and for the record that the state is a legal embodiment by an act of registration which is of no material substance and therefore fraud by default and that the interests of the State are the interests of the State alone to the detriment of anybody and anything else including its own officers of the state. That the actions of the State are now recognised as an unconscionable and criminal fraternity capable of highness crimes without measure.

It is now confirmed Formally, on and for the Record as of this Day the 20th Day of March 2015 Agreed by the State and the Crown By way of un-rebutted Affidavit and statement of Fact and that there is a lasting tacit and binding agreement through Acquiescence and Royal Assent by Default. That any and all executable Orders and Documents must carry an affixed common seal which denotes point of origin and that any and all excitable Orders and Documents must be signed by human hand and in wet ink by a named authoritative living being who takes full responsibility for the content of that formal excitable Order or document. Any deviation from this standing process where there is no affixed common seal or signature in wet ink by a living hand with authority to do so, will be recognised in perpetuity as a criminal offence.

It is now confirmed Formally, on and for the Record as of this Day the 20thDay of March 2015 Agreed by the State and the Crown By way of un-rebutted Affidavit and statement of Fact and that there is a lasting tacit and binding agreement through Acquiescence and Royal Assent by Default. That all imposed Taxation and Duty is and always has been not only a criminal offence but is also detrimental to all the people of this planet.

House of Ward
145 Slater Street
Warrington
[WA4 1DW]
20th Day of March 2015

That from this day forward and as of the 20th Day of March 2015 and in perpetuity the enforcement of all Taxation and duty is a recognised Act of Terrorism. It is now confirmed Formally, on and for the Record as of this Day the 20th Day of March 2015 Agreed by the State and the Crown By way of un-rebutted Affidavit and stamen of Fact and that there is a lasting tacit and binding agreement through Acquiescence and Royal Assent by Default. That there is no such thing as money or commerce. No body gets paid or has been paid. No Body has the capability to Pay anybody or for any thing or Item without Money. All commercial instruments are nothing more than pieces of paper with marks on them. That there value is only confidence and belief where confidence and Belief is recognised as being of no material substance. The continued use of these commercial instruments is for the feeble of mind who insist on living in a make believe world of their own making. Capitalism will forever be recognised and in perpetuity as the exploitation of another for personal gain. This has always been an unconscionable and detrimental activity to the human race since Babylonian times.

It is now confirmed Formally, on and for the Record as of this Day the 20th Day of March 2015 Agreed by the State and the Crown By way of un-rebutted Affidavit and statement of Fact and that there is a lasting tacit and binding agreement through Acquiescence and Royal Assent by Default. There is no greater Sanctuary than the human home, be this home a castle or a wood hut or a blanket on the ground. From this day forward as of the 20th Day of March 2015 let it be known that any transgression of this sanctuary other than by invitation, that any transgression of this Sanctuary is a recognised Act of War and aggression. We have the right by the very fact that we live to protect our life and the life of our loved ones. Any transgression of this Sanctuary can be met with equal or great force with impunity. This is the long standing law and traditions of this land. So say we all.

It is now confirmed Formally, on and for the Record as of this Day the 20th Day of March 2015 Agreed by the State and the Crown By way of un-rebutted Affidavit and statement of Fact and that there is a lasting tacit and binding agreement through Acquiescence and Royal Assent by Default. That the practice of election by way of secret ballot is and always has been an abomination and deception with no credibility or redeeming qualities. By the very fact that this is a SECRET Ballot by any means of notarisation or recording renders the outcome obsolete by definition that is a secret Ballot. By the very fact that there is no recognised un-elective or reveres process and by the very fact that there is no such word to this effect in the recognised dictionaries. Then this elective process by way of secret ballot is and always has been void ab initio. Have a nice Day. On and for the record.

Bring out the town crier and let the Bell ring. Let it be known across this planet, that from this day the 20th Day of March 2015 that the satanic Roman Empire is no more. Let it be by Decreed that this is the day and will always be the day in perpetuity when the days of austerity and tyranny end for all time to come. Let this day go down in history across this planet as a day of celebration for all time. So say we all.

Let the celebrations begin.

So say we all.

Affidavit of Truth and statement of Fact.

1. I, Baron David of the House of Ward (being the undersigned) do solemnly swear, declare and depose....
2. THAT I am competent to state the matters herein, and do take oath and swear that the matters herein are true, certain and correct as contained within this David of the House of Ward Affidavit of Truth and Fact.
3. I am herein stating the truth, the whole truth & nothing but the truth; and these truths stand as fact until another can provide the material and physical evidence to the contrary.
4. THAT I fully and completely understand, before any charges can be brought, it must be firstly proved, by presenting the material evidence to support the facts that the charges are valid and have substance that can be shown to have material physical substance as a foundation in fact.
5. From Exhibit (A). —Formal challenge to the twelve presumptions of law! A presumption is something that is presumed to be true and as a presumption then there is only a need for a formal challenge to that presumption to dismiss that presumption until the physical and material evidence can be presented to support that presumption.
6. From Exhibit (B). —Case Authority WI-05257FI David Ward V Warrington Borough Council, 30thDay of May 2013. Which is a case at court tribunal undertaken by recognised due process It is clear in the case that David Ward did not challenge the PCN or the traffic Management Act 2004 section 82. But what was challenged was the presumption of the consent of the governed. What is a mandatory requirement before the Acts and statutes can be legally acted upon is that the consent of the governed has some validity and that it can be presented as material fact before any charges can be brought. It is clear from this case authority undertaken by due process that: -(1) It is illegal to act upon any of the Acts or statutes without the consent of the governed where the governed have actually given their consent and that consent is presentable as material physical evidence of the fact that the governed have given their consent. (2) Where the Acts and statutes are acted upon then this is illegal and a criminal action by the State. (3) The criminal action is Malfeasance in a public office and fraud. (4) Were there is no consent of the governed on and for the public record then there is not governed and where there is no governed then there is no government. The one cannot exist without the other. (5) As this criminal activity is observed to be standard practice and has been for nearly 800 years, then this is clear observable evidence to the fact that LAW is a presumption and there is no such thing as LAW. See Exhibit (A) the twelve presumptions of law.

From Exhibit (C). —The Material evidence of the FACTS! It has been confirmed by the Rt. Hon. Lord Chief Justice Sir Jack Beatson FBA, on and for the record that:-(1) Whilst there is no material and physical evidence to the fact that the governed have given their consent. Then the office of the Judiciary has no greater authority than the local manageress of McDonalds. As the office of the Judiciary is a sub office of a legal embodiment by an act of registration. Where this act of registration creates nothing of physical material substance and is also fraud by default. Any objection to this observation of fact should be taken up with the Rt. Hon. Lord Chief Justice Sir Jack Beatson FBA, Where the Rt. Hon. Lord Chief Justice Sir Jack Beatson FBA would then have to present the material and physical evidence that the governed have given their consent. As the office of the Judiciary is nothing more than a private commercial and fraudulent enterprise built upon fraud and criminal intent. This is by no stretch of the imagination a valid government by the people for the people as it is by default a private company providing a judicial service for profit and gain but where

House of Ward

[WA4 1DW]
13th Day of February 2015

there is also and always a conflict of interests where there is a conflict of interests between the needs of the people and the state (Company) Policy which has no obligation to the people or even the needs and wellbeing company staff. This has been confirmed by Chandran Kukathas of the London School of Economics and state office titled the Department of Government. See Exhibit (C) The Material evidence of the FACTS.

7. From Exhibit (D). It is quite clear that there is due process for the execution of legal and commercial documents. Where these processes are not followed then the very presence of a document which does not comply with these processes then the document it's self is physical and material evidence of Malfeasance in a public office and fraud.
8. From Exhibit (E). It is very clear that all instances of Taxation and Duty, VAT is not only not necessary but only serves to deplete and subtract from the populations prosperity. Not only this but as we have shown it is also illegal and criminal to do so without the agreement or the consent of the governed. It is unconscionable and a recognised act of terrorism. The Exhibit speaks for its self.
9. From Exhibit (F). The Facts are the Facts. There is no money. The facts are the Facts. A great number of people live their lives in a world of make believe. Let us consider this. Two barristers or lawyers will and do enter into a court room and one of them will lose. For some reason which is beyond our comprehension it is a professionally accepted practice to have a 50% failure rate. In a world of reality there is some people who service the planes at the local airport between flights. If these people had a 50% failure rate then 50% of the planes would fall out of the sky. THAT IS A FACT. There is no money, just the illusion of money. There is legal tender and fiscal currency and commercial instruments and promissory Bank notes, but there is no money. It is quite clear that a lot of people live in a world of make believe and Alice in wonderland Lar Lar land. There is no money. It is not possible to pay for anything without money. You never paid for anything and you never got paid. That is a fact.
10. There is no valid, legal or lawful government on this land. See Exhibit (H) The Hypocrisy of the Secret Ballet Elective Process.
11. From Exhibit (G). My rights end where your rights begin. Your rights end where my rights begin. Rights are not granted by government or the crown and they cannot be taken away or violated by government or the crown. A Judge does not have the right to trespass on my property so the judge cannot give a Bailiff or a civil enforcement officer or a policeman the right by means of a warrant or an order because the Judge, who is a company servant by default, does not have that authority unless I agree. A public servant is a servant by default with the status of servant and a servant has no authority above the one who grants that authority. Until the Judge can present the agreement or the consent of the governed then the Judge has no authority to grant a warrant or a court order. Exhibit Case Authority WI-05257F. David Ward V Warrington Borough Council. 30thday of May 2013. Also Exhibit (C) The Material evidence of the FACTS. These are the facts. The material evidence of these facts has been provided.
12. This Affidavit of Truth and statement of Fact stands on and for the record as FACT until some other can present the material physical evidence to the contrary which is valid.

Without ill will or vexation.

Formal challenge to the twelve presumptions of law

Definition of presumption: <http://www.oxforddictionaries.com/definition/english/presumption>

1. An idea that is taken to be true on the basis of probability:

As a presumption, is a presumption on which must be agreed by the parties, to be true.

THEN and EQUALY

If one party challenges the presumption to be true on the basis of probability. Then this is all that is recognised to be required to remove the presumption is a formal challenge to that presumption. The presumption then has no standing or merit in FACT.

A probability: http://www.oxforddictionaries.com/definition/american_english/probability

1. The extent to which something is probable; the likelihood of something happening or being the case:

By definition then this is not substantive as it is only a probability of what may be and therefore has no substance in material FACT.

A **State Court** does not operate according to any true rule of law, but by presumptions of the law. Therefore, if presumptions presented by the private Bar Guild are not rebutted they become fact and are therefore said to stand true. There are twelve (12) key presumptions asserted by the private Bar Guilds which if unchallenged stand true being *Public Record, Public Service, Public Oath, Immunity, Summons, Custody, Court of Guardians, Court of Trustees, Government as Executor/Beneficiary, Agent and Agency, Incompetence, and Guilt*:

- (i) *The Presumption of Public Record* is that any matter brought before a state Court is a matter for the public record when in fact it is presumed by the members of the private Bar Guild that the matter is a private Bar Guild business matter. Unless openly rebuked and rejected by stating clearly the matter is to be on the Public Record, the matter remains a private Bar Guild matter completely under private Bar Guild rules;

We, the undersigned formally challenge the *Presumption of Public Record* as it is by definition a presumption by definition and has no standing or merit in presentable or material fact.

House of Ward
145 Slater Street
Warrington
[WA4 1DW]
19th Day of January 2015

- (ii) *The Presumption of Public Service* is that all the members of the Private Bar Guild who have all sworn a solemn secret absolute oath to their Guild then act as public agents of the Government, or "public officials" by making additional oaths of public office that openly and deliberately contradict their private "superior" oaths to their own Guild. Unless openly rebuked and rejected, the claim stands that these private Bar Guild members are legitimate public servants and therefore trustees under public oath;

We, the undersigned formally challenge the *Presumption of Public Service* as it is by definition a presumption, by definition and has no standing or merit in presentable or material fact.

- (iii) *The Presumption of Public Oath* is that all members of the Private Bar Guild acting in the capacity of "public officials" who have sworn a solemn public oath remain bound by that oath and therefore bound to serve honestly, impartiality and fairly as dictated by their oath. Unless openly challenged and demanded, the presumption stands that the Private Bar Guild members have functioned under their public oath in contradiction to their Guild oath. If challenged, such individuals must recues themselves as having a conflict of interest and cannot possibly stand under a public oath;

We, the undersigned formally challenge the *Presumption of Public Oath* as it is by definition a presumption, by definition and has no standing or merit in presentable or material fact.

- (iv) *The Presumption of Immunity* is that key members of the Private Bar Guild in the capacity of "public officials" acting as judges, prosecutors and magistrates who have sworn a solemn public oath in good faith are immune from personal claims of injury and liability. Unless openly challenged and their oath demanded, the presumption stands that the members of the Private Bar Guild as public trustees acting as judges, prosecutors and magistrates are immune from any personal accountability for their actions;

We, the undersigned formally challenge the *Presumption of Immunity* as it is by definition a presumption, by definition and has no standing or merit in presentable or material fact.

- (v) *The Presumption of Summons* is that by custom a summons unrebuted stands and therefore one who attends Court is presumed to accept a position (defendant, juror, witness) and jurisdiction of the court. Attendance to court is usually invitation by summons. Unless the summons is rejected and returned, with a copy of the rejection filed prior to choosing to visit or attend, jurisdiction and position as the accused and the existence of "guilt" stands;

House of Ward
145 Slater Street
Warrington
[WA4 1DW]
19th Day of January 2015

We, the undersigned formally challenge the *Presumption of Summons* as it is by definition a presumption, by definition and has no standing or merit in presentable or material fact.

- (vi) The *Presumption of Custody* is that by custom a summons or warrant for arrest unrebutted stands and therefore one who attends Court is presumed to be a thing and therefore liable to be detained in custody by "Custodians". Custodians may only lawfully hold custody of property and "things" not flesh and blood soul possessing beings. Unless this presumption is openly challenged by rejection of summons and/or at court, the presumption stands you are a thing and property and therefore lawfully able to be kept in custody by custodians;

We, the undersigned formally challenge the *Presumption of Custody* as it is by definition a presumption, by definition and has no standing or merit in presentable or material fact.

- (vii) The *Presumption of Court of Guardians* is the presumption that as you may be listed as a "resident" of a ward of a local government area and have listed on your "passport" the letter P, you are a pauper and therefore under the "Guardian" powers of the government and its agents as a "Court of Guardians". Unless this presumption is openly challenged to demonstrate you are both a general guardian and general executor of the matter (trust) before the court, the presumption stands and you are by default a pauper, and lunatic and therefore must obey the rules of the clerk of guardians (clerk of magistrates court);

We, , the undersigned formally challenge the *Presumption of Guardians* as it is by definition a presumption, by definition and has no standing or merit in presentable or material fact.

- (viii) The *Presumption of Court of Trustees* is that members of the Private Bar Guild presume you accept the office of trustee as a "public servant" and "government employee" just by attending a Roman Court, as such Courts are always for public trustees by the rules of the Guild and the Roman System. Unless this presumption is openly challenged to state you are merely visiting by "invitation" to clear up the matter and you are not a government employee or public trustee in this instance, the presumption stands and is assumed as one of the most significant reasons to claim jurisdiction - simply because you "appeared";

We, the undersigned formally challenge the *Presumption of Trustees* as it is by definition a presumption, by definition and has no standing or merit in presentable or material fact.

- (ix) The *Presumption of Government acting in two roles as Executor and Beneficiary* is that for the matter at hand, the Private Bar Guild appoints the judge/magistrate in the capacity of Executor while

House of Ward
145 Slater Street
Warrington
[WA4 1DW]
19th Day of January 2015

the Prosecutor acts in the capacity of Beneficiary of the trust for the current matter. if the accused does seek to assert their right as Executor and Beneficiary over their body, mind and soul they are acting as an Executor De Son Tort or a "false executor" challenging the "rightful" judge as Executor.

Therefore, the judge/magistrate assumes the role of "true" executor and has the right to have you arrested, detained, fined or forced into a psychiatric evaluation. Unless this presumption is openly challenged to demonstrate you are both the true general guardian and general executor of the matter (trust) before the court, questioning and challenging whether the judge or magistrate is seeking to act as Executor De Son Tort, the presumption stands and you are by default the trustee, therefore must obey the rules of the executor (judge/magistrate) or you are an Executor De Son Tort and a judge or magistrate of the private Bar guild may seek to assistance of bailiffs or sheriffs to assert their false claim against you;

We, the undersigned formally challenge the *Presumption of Government acting in two roles as Executor and Beneficiary* as it is by definition a presumption, by definition and has no standing or merit in presentable or material fact.

- (x) The *Presumption of Agent and Agency* is the presumption that under contract law you have expressed and granted authority to the Judge and Magistrate through the statement of such words as "recognize, understand" or "comprehend" and therefore agree to be bound to a contract. Therefore, unless all presumptions of agent appointment are rebutted through the use of such formal rejections as "I do not recognize you", to remove all implied or expressed appointment of the judge, prosecutor or clerk as agents, the presumption stands and you agree to be contractually bound to perform at the direction of the judge or magistrate;

We, the undersigned formally challenge the *Presumption of Agent and Agency* as it is by definition a presumption, by definition and has no standing or merit in presentable or material fact.

- (xi) The *Presumption of Incompetence* is the presumption that you are at least ignorant of the law, therefore incompetent to present yourself and argue properly. Therefore, the judge/magistrate as executor has the right to have you arrested, detained, fined or forced into a psychiatric evaluation. Unless this presumption is openly challenged to the fact that you know your position as executor and beneficiary and actively rebuke and object to any contrary presumptions, then it stands by the

David Ward

And

Warrington Borough Council

Date: 30th Day of May 2013

Case Overview.

What the Government would like people to believe is that a procedural impropriety is an acceptable mistake which can be overlooked. But what this is, is a deliberate act of fraud and also malfeasance in a public office.

These are very serious crimes with criminal intent.

Fraud is a deliberate action to defraud where the victim of the crime is unaware having no knowledge of a situation or fact. This crime carries a penalty of 7 to 10 years incarceration and there latter, where there is multiple instances of. 63.5 million People are subject to this crime everyday as it is now commonplace and is carried out by the largest and most ruthless criminal company in this country.

This same company is also a public office with the enforcement to execute this crime which is inclusive of but not limited to:- The office of the police, The office of the Judiciary, Local government and central government. Independent Bailiff Companies which are licensed by the same company.

Malfeasance, Misfeasance and Nonfeasance is also a very severe crime with a period of incarceration of Life in prison. Malfeasance is a deliberate act, with criminal intent to defraud. Ignorance is no defense. Malfeasance has been defined by appellate courts in other jurisdictions as a wrongful act which the actor has no legal right to do; as an act for which there is no authority or warrant of law; as an act which a person ought not to do; as an act which is wholly wrongful and unlawful; as that which an officer has no authority to do and is positively wrong or unlawful; and as the unjust performance of some act which the party performing it has no legal right.

Crimes of this nature cannot go unpunished. If crime goes unpunished then the criminal will undertake the action again and again. When the criminal is rewarded for the crime by their peers and superiors it then becomes difficult to know that a crime has been committed in the first place. However, it is everyone's obligation to be fully conversant with these actions, and the consequences of their actions in every situation.

"I was just following orders" Or "I was just doing my Job" Is no excuse.

When the full extent of these crimes is realised, it then becomes blatantly obvious that these crimes are deliberate and in full knowledge if not by the lower subordinates but defiantly by the executive officers of the company.

The cost of these crimes has been estimated to be in the region of £4,037.25 Trillion over the past 35 years. This is the cost to the people of this small country which is far in excess by many times the global GDP.

The simplicity of this case is very often overlooked as it involves a simple PCN. (Penalty Charge Notice)

It is important to note here that the appellant at tribunal did not challenge the PCN, or the Traffic Management Act. But the appellant took out the very foundation to any claim made under any Act or statute of Parliament. All of which have the same legal dependency which has never been fulfilled in 800 years.

There are in excess of 8 million Act's and statutes. None of which can be acted upon without the legal authority to do so. To act upon these same Act's/Statutes without the legal authority to do so is Malfeasance in a public office and fraud at the very least.

This case which was undertaken at tribunal and there for recognized due process confirms this to be the facts of the matter.

Case details.

This may be a simple PCN (Penalty Charge Notice) but close observation of the details will conclusively show otherwise.

This is the PCN (Penalty Charge Notice) issued by Warrington Borough Council which clearly shows that a claim is being made under the traffic management Act 2004. There is clearly no disclosure to the fact that there is no liability to pay as the outcome will show.

If you believe that the penalty charge should not be paid you may make Representations to Warrington Borough Council. Representations must be made in writing and you may use this form.

How to Make Representations

The Traffic Management Act 2004 sets out grounds (see below) on which you may make Representations. Representations must be made in writing within the period of 28 days beginning with the date of service of this Notice, the date of service will be taken to have been 2 working days after the day of posting. Any Representations made after this date may be disregarded.

If your Representation is successful a Notice of Acceptance will be issued and the penalty charge cancelled. If your Representation is unsuccessful a Notice of Rejection will be issued to you and you must either pay the penalty charge in full or appeal to an Adjudicator, who will independently consider your Appeal. An Appeal form will be included with the Notice of Rejection, which you should complete and send to the adjudicator at the address shown on the form. Details of the appeals procedure will be sent with the Notice of Rejection.

Section One: Grounds for Representations.

Please tick the grounds on which you are making representations.

I am not liable to pay the penalty charge because:

- The alleged contravention did not occur.**
In Section 3, explain why you believe no contravention took place.
- I was never the owner of the vehicle in question/or**
Please complete section 2.
- I had ceased to be its owner before the date on which the alleged contravention occurred/or**
Please complete section 2.
- I became its owner after the date on which the alleged contravention occurred.**
Please complete section 2.
- The vehicle had been permitted to remain at rest in the place in question by a person who was in control of the vehicle without the consent of the owner.**
Supply proof such as a police crime report number, police station address or insurance claim in Section 3.
- We are a vehicle hire firm and the vehicle was on hire under a hiring agreement and the hirer had signed a statement acknowledging liability for any PCN issued during the hiring period.**
Please supply a copy of the signed hire agreement including the name and address of hirer. Please complete Section 4.
- The penalty charge exceeded the amount applicable in the circumstances of the case.**
That is, you have been asked to pay more than you are legally liable to pay. Please complete Section 3.
- There has been a procedural impropriety by the enforcement authority.**
Please complete Section 3 stating why you believe the authority has acted improperly or in breach of regulations.
- The Order which is alleged to have been contravened in relation to the vehicle concerned is invalid.**
You believe the parking restriction in question was invalid or illegal. Please complete Section 3.
- This Notice should not have been served because the penalty charge had already been paid.**

If none of the grounds above apply but you believe there are mitigating circumstances please complete Section 3.

We would also point out at this point that this is an unsigned NOTICE and not a legal document. The mitigating circumstances is that there has been a procedural impropriety, which is clearly an option as this is clearly stated on the notice to owner. So it is apparent that there is a procedural impropriety in place and this is known by Warrington Borough Council otherwise this option would not be a part of the Notice to owner. We also took the opportunity to utilise a second option which confirms there is a procedural impropriety and that the order which is alleged to have been contravened in relation to the vehicle is invalid. Why would these possibilities be on this notice to owner if there was not a procedural impropriety. We also took the opportunity to complete section 3 of the notice to owner to clarify the procedural impropriety on a separate piece of paper as advocated by Warrington Borough Council as there was not enough space on the notice to owner provided. These presentations were as follows.

Dear Sir's

We do not know who to name as the recipient of this communication as the sender failed in his/her duty of care and did not sign the document sent to Mr David Ward at his address. The action of not signing the document sent to Mr David Ward legally means that no living person has taken legal responsibility for the content of the document on behalf of Warrington Borough Council and the document cannot be legally responded to. That very act of not signing the document renders the document void and therefore none legal and unusable in law under current legislation. **Strike one.** Deliberate Deception.

This Document will now be kept on file as physical presentable evidence, as it represent the criminal activities of the representatives of Warrington Borough Council whether they are aware of this transgression or not. Ignorance of the law is no defence and all of the representatives of Warrington Borough Council are now culpable under the current legislation because one individual failed to sign the document. This is a fact which must be understood. **Strike two.** Ignorance of current legislation.

The second big mistake on the document is that the document is a notice to owner. Under current legislation the owner of any motorised vehicle is the DVLA Swansea SA99 1BA, this means that some imbecile at Warrington Borough Council has sent a notice to owner to the registered keeper and not the official owner. **Strike three.** Document sent to the wrong address. We have not progressed beyond the first line yet and we are falling around on the floor in a state of hysteria at the competence levels demonstrated by the representatives of Warrington Borough Council. Mr David Ward is the official registered keeper not the owner.

The very next line refers to the Traffic Management Act 2004. Now this is where things get really interesting because the Act referred to is an act of HM Parliament and governments PLC, a recognised corporation or an all for profit business. An Act which is not law in the UK, it is not even referred to as law as it is an Act of a corporation or an all for profit business, or policy, but it is not a law. **Strike four.** Displays lack of understanding and competence regarding what is the difference between law and legislation. Act's and statutes of HM Parliament and governments PLC can only be given force of law by the consent of the governed which have agreed to those Act's and statutes of HM Parliament and governments PLC. There for there is a mandatory legal requirement under current legislation that the governed must have given their consent legally which can be physically presented as fact before the Act's and statutes of HM Parliament and governments PLC can be given force of law. Not Law, Not enforceable. Sixty three and a half million people in the UK have not legally entered into those agreements in full knowledge and understanding and of their own free will, which must be kept on the public record for the Act's and statutes of HM Parliament and governments PLC to be given an action which involves force. Or force of law. The answers to the questions are in the understanding of the words used to implement acts of force. Or Law.

The next item we come to is a demand for payment. A demand for payment without a signed Bill is a direct contravention of the Bills of Exchange Act 1882. **Strike Five.** The Bills of exchange act of 1882 is based upon a pre existing commercial contract or agreement. See Bills of exchange act of 1882. <http://www.legislation.gov.uk/ukpga/Vict/45-46/61>.

Profiteering through deception is an act of fraud. **Strike six.** See Fraud Act 2006. <http://www.legislation.gov.uk/ukpga/2006/35/contents>. Insisting or demanding payment without a pre existing commercial

arrangement which is based on presentable fact in the form of a commercial agreement is an act of deception. Payment is a commercial activity.

You have been served LEGAL NOTICE

Mr David Ward has no recognisable legal means to respond to a demand for payment without a signed bill which is based upon a pre existing commercial contract or arrangement or agreement, because there is no standing commercial contract or arrangement or agreement between Mr David Ward and Warrington Borough Council. If Mr David Ward was to willingly comply with the demand for payment without a commercially recognised bill, then Mr David Ward would have knowingly given consent and conspired to a commercially fraudulent action. This in turn would make Mr David Ward culpable under current regulation for that action. Mr David Ward will not knowingly create that liability against himself or create that culpability.

The very presentation of the document that we are responding to from Warrington Borough Council, which is also a document that will be kept on file for future presentation as physical evidence, which is presentable physical evidence and a list of transgressions against the currently held legislation.

This same document supplied by Warrington Borough Council recognises that there may be, or has been a procedural impropriety by the enforcement authority. This is the only saving grace on this document which allows for a honourable withdrawal, of the proceedings implemented illegally by the enforcement authority.

This document is representation as to the procedural impropriety by the enforcement authority and as stated at the outset of the document, gives an [opportunity to withdraw](#) due to the procedural impropriety by the enforcement authority. This process is also a matter of complying with current legislation, without which Mr David Ward would be unsuccessful if he were to pursue legal proceeding against the enforcement authority and or the members of Warrington Borough Council.

As the opportunity to withdraw has now been presented to the enforcement authority and the members of Warrington Borough Council under a procedural impropriety by the enforcement authority. Should the above mentioned not take the opportunity to make an honourable withdrawal and confirm such in writing to Mr David Ward, then Mr David Ward will be left with no other option in the future but to start legal proceedings against the enforcement authority and the members of Warrington Borough Council.

The content of this document will be in the public domain in the next few days as there is no agreement in place which is legally binding with which to prevent this.

We don't expect to be hearing from the enforcement authority and or the members of Warrington Borough Council again unless it is in the form of a written confirmation of withdrawal of proceedings.

No further correspondence will be entered into regarding this matter.

You have been served LEGAL NOTICE

Warrington Borough council decided at this point not to recognise the representation given or the requirement for Warrington Borough council to present the legal and presentable "Consent of the governed" Which is mandatory for Warrington Borough council to have the correct legal authority before acting under the Act's and statutes of parliament.

It is also important to note that Warrington Borough council did not at this point contest the presentations made.

Dear Mr Ward,

Re : Notice of Rejection of Representations
Traffic Management Act 2004 - s78; Civil Enforcement of Parking Contraventions
(England) General Regulations 2007; Civil Enforcement of Parking Contraventions
(England) Representations and Appeals Regulations 2007.

PCN No : W101185069
Date issued : 05/03/2013 10:57:04
Location of Contravention : Cairo Street (MW 30min)

Your representations against the above Penalty Charge Notice have been carefully considered in the light of the circumstances at the time and in accordance with the Traffic Management Act 2004. Grounds for cancellation of the charge have not been established and this letter is the formal Notice of 'Rejection of Representations'.

The reasons for rejection are: *of what?*
Your vehicle was parked in a designated disabled persons parking place without displaying a valid disabled persons badge in the prescribed manner.

Unfortunately, you cannot park in a Disabled Bay unless you are clearly displaying a valid Disabled Blue Badge. The Traffic Information Sign on Cairo Street (adjacent to your vehicle) clearly states:-
"Disabled badge holders only,
Mon – Sat,
8am – 6.30pm",
and, on the road (adjacent to your vehicle) there is a white 'bay' marking with the word "DISABLED".

There is no effective contest to the presentations made. So the presentations made stand as fact.

Also at this point Warrington Borough council invited Mr D Ward to take Warrington Borough council to tribunal and the outcome would be legal and binding on both parties. So we took advantage of this generous offer and we also included

copy of all documents up to this point as physical evidence.. This was the same process as before. Along with same presentations sent to Warrington Borough council. Along with a letter to the adjudicator as follows.

Dear Adjudicator

Please forgive the informality as we have not been made aware of the name of the adjudicator.

This is in response to Warrington Borough Councils decision to reject our challenge against the PCN. Clearly the PCN has been challenged by Mr David Ward, But that challenge has not been rebutted by Warrington Borough Council, as Warrington Borough Council have only repeated the grounds under which the PCN was raised. Copy under same cover which is highlighted. Also a PCN is a penalty charge Notice and as such a notice of a penalty charge. A recognisable Bill has not been raised and presented to Mr David Ward complete with a wet ink signature.

As the presentations made by Mr David Ward where not addressed. Then the challenge made by Mr David Ward still stands and the PCN is not valid or enforceable.

Warrington Borough Council has made a demand for payment, but has not presented Mr David Ward with a Bill which is recognised under the Bills of exchange act of 1882. (*Which also must have a signature in wet ink?*) Warrington Borough Council cannot raise a Bill because there is no commercial arrangement in place between Warrington Borough Council and Mr David Ward under which to raise a Bill.

For Mr David Ward to respond by paying without a bill signed in wet ink, then that would be a direct violation of the bills of exchange act of 1882. In addition to this as there is no commercial arrangement and Bill presented, then this would also be a contravention of the fraud act of 2006. Mr David Ward is not in the habit of knowingly conspiring to fraud. This action would also create a liability against Mr David Ward.

Warrington Borough has also listed in their "rejection of presentations" the Traffic Management Act 2004 – s78 in support of their claim. The Act's and statutes of HM Parliaments and Governments PLC can only be given force of law by the consent of the governed. What is mandatory in the first instance is the consent of the governed which is also presentable as fact. As the consent of the governed is not presentable as fact, then the Act's and statutes of HM Parliaments and Governments PLC cannot be acted upon in any way which would cause loss to the governed. What is mandatory in this instance is the presentable agreements of sixty three and a half million governed to be in place before an Act or Statute can be acted upon. We fail to see how this is in support of the PCN presented to Mr David Ward.

We fail to see how listing the Traffic Management Act 2004 – s78 supports the claims made by Warrington Borough Council in any way other than to create obfuscation in attempt to confuse the mind.

There are no agreements in place between the 22000 residents of the Warrington Borough and Warrington Borough Council, which can be presented as fact complete with signatures in wet ink, which can be presented to support the claim of Warrington Borough Council in support of a demand for payment. Without violating the Bill's of exchange Act of 1882 and the fraud act of 2006 section 2 Fraud by false representation see: <http://www.legislation.gov.uk/ukpga/2006/35/section/2>. And section 4 part 2 A person may be regarded as having abused his position even though his conduct consisted of an omission rather than an act. See: <http://www.legislation.gov.uk/ukpga/2006/35/section/4>. An omission in the form of an omitted signature would constitute an act of fraud under section 4 section 2 of the fraud act of 2006.

So let us summarise regarding the grounds for appeal with reference to the form provided for appeal.

- **(A) The alleged contravention did not occur.** No contravention has occurred, because there are no agreements between the 220,000 members of the Warrington Borough and Warrington Borough Council, which can be legally presented as fact in support of the alleged contravention.
- **(C) There has been a procedural impropriety by the council.** The council did not respond to the challenge made by Mr David Ward in a manner which would make any sense or would constitute a rebuttal to the challenge. Warrington Borough Council are advocating to Mr David Ward in their demand for payment without a bill presented, a direct contravention of the Bill's of exchange Act 1882 and the Fraud Act 2006.
- **(D) The traffic Order which is alleged to have been contravened in relation to the vehicle concerned is invalid.** The traffic order (*that's a new approach, can't find a listing for that.*) is illegal because there is no agreement between the parties which is legally presentable as fact and signed in wet ink. You have got to love that word legal, legally blind, legal consent.

All presentable as fact complete with a signature in wet ink, and without the signature in wet ink on a legal document in the form of an agreement, then it is not legal or is illegal and therefore not lawful. You have to love the word legal.

Need we continue? It is obvious at this point that there is no body at Warrington Borough Council that is capable of understanding the challenge made by Mr David Ward, or capable of responding, there for an Adjudicator becomes necessary.

There is only one outcome to this tribunal, where the adjudicator is a recognised lawyer and is independent of the council.

- A challenge has been made and has not been effectively rebutted by Warrington Borough Council.
- The action of demanding payment without the presentation of a lawful legal Bill which is subject to The Bill's of exchange Act of 1882 and signed in wet ink cannot be responded to in the manner expected by Warrington Borough Council, without a second transgression against the fraud act of 2006.
- Regardless of the policies or legislation of Warrington Borough Council or HM Parliaments and Governments PLC, any commercial activity would constitute an act of fraud without the commercial agreements in place beforehand.
- The continued activates where demands for payment are made without observing the bills of exchange act 1882 and a recognised bill is presented complete with wet ink signature is a continued procedural impropriety by the council and the members of Warrington Borough Council are culpable in law for their actions.

There can only be one outcome to this tribunal which is acceptable under current legislation and that outcome will be found in favour of the appellant Mr David Ward and not in favour of continued transgressions against current legislation by Warrington Borough Council.

In the document provided outlining procedure to make presentations in this tribunal process, there is a section concerning Costs in favour of the appellant, where a party has behaved wholly unreasonable.

We have taken a considerable amount of time and energy responding to Warrington Borough Council when making representation and in preparation for this tribunal. It is not without reason that a consideration could be expected. This would also serve to enforce the decision made by the adjudicator in this tribunal. If the adjudicator is truly an independent and an honourable individual then a consideration is in order.

Mr David Ward also notes that as this Tribunal is informal then it is also recognised as not legally binding regardless of the findings of the Adjudicator.

We would also like a response in writing from the adjudicator to relay the outcome of this tribunal conveying the reasons for the adjudicator's decisions.

Adjudicator Decision 1249267.pdf

Adjudicator's Decision

David Ward
and
Warrington Borough Council

Penalty Charge Notice WI01185069 £70.00

Appeal allowed on the ground that the Council does not contest the appeal.

Reasons

The PCN was issued on 5 March 2013 at 10:57 to vehicle WM51GJZ in Cairo Street for being parked in a designated disabled person's parking place without clearly displaying a valid disabled person's badge.

The council has decided not to contest this appeal. The adjudicator has therefore directed that the appeal is allowed without consideration of any evidence or the merits of the case.

Adjudicator**

"Appeal allowed on the ground that the council does not contest the appeal" "The council has decided not to contest this appeal"

Warrington Borough Council cannot contest the appeal. There is a mandatory requirement for Warrington Borough council to present as physical evidence and factual foundation for the claim, which is the legally signed on and for the public record "Consent of the Governed" This is the legal authority that Warrington Borough council would have to present as physical evidence and foundation for there claim, for the claim to have any legal substance in presentable fact.

He who makes the claim must also provide the foundation and the physical proof of that claim other wise the moon could be made from cream cheese just because Warrington Borough council claim this is so.

Without this physical evidence then the claim is fraudulent. Hence a crime is committed by Warrington Borough council and that crime is fraud not a procedural impropriety or a mistake. Also, there is a second crime. This second crime is Malfeasance in a public office. A clear and intended action to extort funds where there is no legal authority to do so.

"The adjudicator has therefore directed that the appeal is allowed without consideration of any evidence or the merits of the case"

Clearly there are merits of the case which have been presented here.

The appellant is not liable to pay. Case No WI 05257F Dated 30th day of May 2013.

There is also confirmation of this fact from Warrington Borough council and signed in wet ink by an officer of the state Scott Clarke Dated 29th of May 2013.
