

acvalensVT and nyaraVT under fire for leftist terrorist accusation attacks on Kirsche Verstahl

As someone who likes and hates Kirsche Verstahl, only wishing her criticized and then her improving on her behavior. Her life has meaning living through protecting American and other white civilians. I am here to protect Kirsche Verstahl in her case. AcvalensVT and NyaraVT had been called out for manipulating Kendra Noel Manning into staging hateful protests against Gamer Supps the company Kirsche Verstahl is employed for sponsorship. It backfired and their toxic influence caused Kendra Noel Manning to threaten some innocent Gamer Supps employees with violence.

SAN ANTONIO - A 25-year-old woman was arrested Sunday after police said she threatened to plant a bomb at the San Japan Anime + Gaming Convention, held last weekend at the Henry B. González Convention Center.

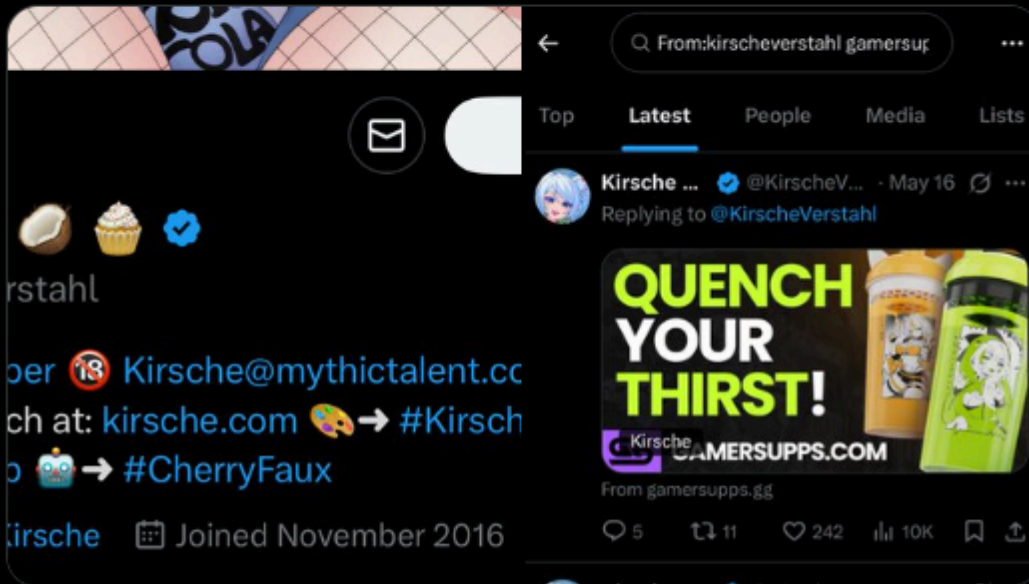

San Antonio Police charged Kendra Noel Manning, 25, a social media influencer, with making a terroristic threat to impair public service, a third-degree felony.

The arrest report states that Manning replied to an Instagram story posted by another booth renter, writing "planting a bomb in their booth today" in reference to her dislike of the gaming nutrition company Gamer Supps.

Speaking of which

I noticed recently that **Kirsche's** GamerSupps code isn't in her bio on Twitter anymore, and she's seemed to focus more on promoting her other sponsors on social media. I don't believe she's posted a GamerSupps promotion since May, which is odd for a partner

You don't factor in motivations, nor do you factor in how much Ana lived rent free in Kirsche's head to the point she ate a 1 day ban just so she could read nsfw fan fiction on stream because it was written by Ana years ago.

Targeting GAMER SUPPS???? Who could be radicalized by propaganda to want to plant a BOMB at an anime convention for a drink company? What lies could have possibly-....oh. Why don't we ask

[@acvalensVT](https://twitter.com/acvalensVT)

[@nyaraVT](https://twitter.com/nyaraVT)

and others who use extreme rhetoric against them? Who constantly invoke the flight or flight response in mentally unhinged individuals OVER A DRINK COMPANY. You losers with your unhinged obsessions cause this kind of thing and it is only a matter of time before someone gets killed because of your lies and your hate you CONSTANTLY spread. Everyone is so tired of it.

Yeah. There's totally NO connection there whatsoever, unless someone digs up her social media and sees that she followed those two cry bullies. GamersUpp can, and should, sue her for her actions as well as the people that mentally broke her too. Bunch of dumbasses.
