

# How to Sign Up for Twitter Account without Phone Number?

If you are wondering how to sign up for Twitter without a phone number, then you have reached the right place. It is no longer difficult to sign up for Twitter, and you don't have to pay any charges for doing so. All you have to do is simply go to the main site, and that will be it. No more hassles, and you can start following your friends easily. If you don't have a phone number, you can purchase a virtual number for [sms activation](#). It will help you to sign up for a Twitter account.

As a matter of fact, there are plenty of people who would love to know how to sign up for Twitter without a phone number, but they just don't have the time to spare for it. In their haste, they probably will use some fake phone number that they get from some telemarketer. The problem with this is that the person receiving the call won't know whether or not the number is legitimate. In fact, it will be even more suspicious if they cannot get an answer or a response from the said person. That's why it's always better to sign up for a Twitter account using a real phone number.

You can also use a virtual number to sign up for a Twitter account without a phone number. However, if you use the virtual number, then you might face some difficulty in figuring out which service is the right one for you. The reason for that is simple - you won't know who is actually calling you even though you are using a virtual number. So how to sign up for a Twitter account without a phone number is quite easy, especially if you want to use Google as your preferred social networking site.

What you need to do to how to sign up for a Twitter account without a phone number is simply search for "Google" inside Google and follow the appropriate links. It will take you to Google's

homepage. Once there, go to "Search" and type the following keywords: "how to sign up for Twitter." It will take you to another page where you can click on "Sign up now," and you'll be asked to enter your phone number. Click "Submit" once you're done entering the number, and you're done. And that's how to sign up for Twitter.

It might take you a few tries to find how to sign up for a Twitter account without a phone number after you use Google. However, it is still worth trying. After all, it's free, and it's not difficult to use. Just remember to use the same number as you use while calling the service provider.
