

CREATE YOUR FLOOR BY TRANSFORM YOUR FLOORING

Best of many worlds! Easy to customise and even easier to manage, our carpet tiles help you create the work environment you've always dreamt of - whether it's a upbeat office or an active and collaborative meeting room. [wooden flooring in lucknow](#)

They effectively reduce noise, cushion the impact of drops and falls, and are extremely cost effective. And guess what, after a while if you feel it's time for a change, you can do so conveniently! You can also choose different designs and combine them to create your unique flooring design. Cool, isn't it?

Key benefits of our carpet tiles:

- Multiple design possibilities using a combination of different tiles
- Easy to maintain
- Ideal for heavy traffic usage in commercial offices
- Stain and fade resistant, and offer sound insulation
- Easy to install directly on the floor's substrate
- Reduces wastage during installation

Go Bold with SLTC:

Bold, full of life and energy. That was the inspiration for our SLTC collection. Bright colours, bold lines all of which shout activity and energy. Ideal for spaces where time is of essence, efficiency the king and collaboration the key. Ideal for your start-up as you scale new heights. Use our carpet tiles and planks, separately or collaboratively. Dial up or dial down the intensity to bring that sharp dash of efficiency to your workspace.
