### 1. Fluid Bonding

Safe sex to keep away from disease and pregnancy approach we use condoms to split us from every other's fluids. But for the entire intimacy and revel in of exchanging our crucial essences, a few polyamorous and kinky humans have a relationship where fluid bonding is central.

### 2. Cream Pie

Judging from the proliferation of this class of porn, plenty of fellows love seeing cum interior a pussy. Makes sense, in view that that's a form of the aim of the game at its bare bones.

I'm not certain if this become always the activate that it's far now, however, ejaculation has become nearly a taboo kink with sexual liberation. Men and women are loose to have sex outdoor of monogamy or procreation, however, we do the whole thing in our power to hold the cum far from the vagina to keep away from STIs and unplanned pregnancy. And something taboo will become the hottest aspect on earth, and often a fetish in its very own right.

### **3. Felching**

This is an ugly phrase for what's really an extremely intimate cum play practice. A guy ejaculates inside his partner's pussy or ass then plays oral sex and consumes his own cum.

### **4. Spit or Swallow**

Some people adore gobbling it up after a delicious blowjob, a few discreetly spit it out, and a few enjoy the feeling of a mouthful dripping down your cock and the sides of your mouth. A juicy blowjob is hot if not particularly kinky.

Take your [semen fetish](#) up a notch through kissing her deeply after you've emptied your load into her mouth.

### **5. Bukkake**

Since I'm not one of these sought-after women with a [cum fetish](#), I surprised myself at some events through unexpectedly playing bukkake scenes. I do revel in institution sex, and despite the fact that bukkake may be visible or skilled as degrading cum play, I felt arousal and elation at my own power to show on such a lot of guys once.

Bukkake is basically a circle jerk with a receptive goal. It's a Japanese word that means "to get wet" or "to splash" and is actually a noodle dish—now it's a porn genre.

### **6. Mushy Biscuit**

Ever surprise why a band would name themselves Limp Bizkit? Now you'll wonder even more. The mushy, soggy, or limp biscuit is a type of lesser bukkake, you might say, wherein the goal of the cum bathe is a cookie. The last guy to squirt has to devour the cookie.

It's a variant on the circle jerk, with the goal of playfully humiliating the last guy standing.

### **7. Cum Collecting**

I might have idea this become a city legend, till I noticed it with my own eyes. I emerged from a short bathe once to locate my hookup draining the tossed condom into a bit canister that was already 1/2 of full.

I have to admit, the concept of hoarding your cum for a thrilling kind of makes me unwell to my stomach, so I in no way did get together with him again. I can tolerate or even revel in a sparkling wad in the proper circumstances, however, yesterday's spunk is rotten funk.
