

4 Wall Décor Ideas to Transform Your Spaces

If you are in search of some stunning wall décor ideas using some timeless artworks or paintings, then this article is a must-read for you. The empty walls inside your spaces can be filled with so many positive artistic elements. A few additions, modifications, and changes can convert any abode into a sweet, cozy, and divine home. To achieve their décor goals, some people even go for buying [Paresh Maity paintings](#) without any second thought but strategic planning before settling on the genre and nature of any artwork can make things even better.

1. Choose a large-scale art

Be it an artwork by [Paresh Maity](#) or any other artist, an oversized artwork is what commands attention in any space while setting its tone. Therefore, if you are interested in buying any painting or any photographed artwork, then go only for the large-scale ones to serve your décor purposes. In the case of a photograph, you can go for a black-and-white one in a minimalist space.

2. Go for gallery wall curate

When it comes to wall décor, nothing is more appealing than a gallery wall. You can make a very smart display of a huge collection of photographs or even Paresh Maity paintings to uplift the space. Going for cohesive as well as simple frames is also a great idea if you want to bring in some ornate variations in the environment. Besides, you can also expand the gallery wall up to the ceiling as it will help you make the space look larger and bigger.

3. Incorporate an accent wall

Apart from exhibiting objects including the artworks by Paresh Maity on the walls, try to make the walls look beautiful on their own. Create an accent wall by painting it with bright-shining colors or bold paint. You can also go for some specific patterns while bringing in wallpapers, stenciling, or many different other color-décor techniques and methodologies. Giving proper treatment to the ceiling also contributes to creating an impressive accent wall.

1. Decide on mood and themes

If you are an art enthusiast, then you might have an idea that different types of artworks and paintings used to serve home decoration purposes are based on different moods and themes. Taking moods and themes into consideration is necessary whether you are going to buy any artwork by the legendary Paresh Maity or any other artist. No artwork should contradict one another when it comes to their artistic rhythm and harmony. Therefore, you must take your time and decide what kind of theme or mood you want to set in your space.

In case you are finding yourself unable to decide on things in this regard, then you can seek the help of some professionals. After all, investing in the Paresh Maity paintings might be a financially robust and stout deal.
