

"It was so nice and cute." First visit to Chuncheon Girls' High School, Kim Na-yeon of Samsung Life

The first day of the 2024 Dreams Come True Camp hosted by Yongin Samsung Life Insurance was held at the Samsung Training Center (STC). With three days to be held until the 10th, Chuncheon Girls' High School players participated newly this year.

There was a person who had no choice but to welcome the visit of Chuncheon Girls' High School, and Kim Na-yeon (25, 180cm) who was from Chuncheon Girls' High School and wore the Samsung Life Insurance uniform as the second runner-up in the second round of the 2017-2018 WKBL New Player Selection. I had a great day training with my direct juniors.

"Nice to meet you (laughs). However, I couldn't get to know you prematurely because of the age gap. Still, it was so nice to see you and you were cute as you were from the same school," Kim said. "The coach is the same, and it reminds me of the old days."

"This is the first camp since the coach changed, but the content has changed a bit. It was more intense than I thought (laughs). It was fun to play with young players, but the exercise was definitely difficult," he added.

Training with younger players has been a big motivation for Samsung Life Insurance as well.

"Young players should see us and learn from us. We, too, focus more on our training and try our best to show better performances," Kim said. "All players except me feel the same way."

On the 9th, the second day, Everland Tour is scheduled in the afternoon after morning skill training. It was one of the schedules that Chuncheon Girls' High School players are especially looking forward to.

"It should be fun to go to Everland and have fun," Kim said. "It's a shame that it's raining. I hope the weather is nice. That's how I can have fun with the players."

After five seasons in the pro league, Kim has not had a full season due to injuries, both large and small. She has played in only 61 games in total. Therefore, her biggest goal for this upcoming season is to have Kim without any injuries.

She said, "As I always say, I want to finish this season without any injuries. The coach trusts me a lot, too. I'm working hard to build my body as well. I think I only have to repay my expectations."
