As per Vedic Astrology, there are various Kinds of Raj Yoga existing that it is present in a birth horoscope ([_janana_jathagam](#)) is an indicator of professional, Financial, Career, Income, Personal, and Marries Life of a native. There is a specific time at which this Raj Yoga will show results that can only be visible on a deep and detailed analysis of a native's birth chart of horoscope.

Here, we will discuss what Raj Yoga signifies in the birth chart and few of the many Raj Yogas existing in Vedic Astrology.

What is Raj Yoga?

In any birth chart (janana.jathagam) there are few Houses such as First House (House of Ascendant, Personality or Character), Second House (House of Wealth), Fourth House (House of Family Relationship and Property Matters), Fifth House (House of Intelligence, Study or education, Love, and Gains), Seventh House (House of Marriage and Business), Ninth House (House of Fortune), Tenth House (House of Career), and the Eleventh House (House of Income) that give extremely beneficial and positive results. On the off chance that the Lords of these Houses have a strong connection or conjunction or are interchanging houses with each other, then a Raj Yoga is strongly indicated to have positive results and stability that are supposed to come to the native in near future.

In a more refined definition, Raj Yoga can be defined as the Shubha Yogas that bring success and impressive growth in career or business with an unfathomable financial success especially all through Dasha of a planet that is responsible for the rise of the Raj Yoga in the first place.

Types of Raj Yoga

First Raj Yoga
