

Top 10 Al Fakher Flavors To Enjoy During Your Shisha Session

Al Fakher flavors are the most recognized hookah brand in the market. It is one of the most widely available products on the planet. With millions of hookah smokers in today's world, Al Fakher flavor has a considerable fan base. This company offers a wide range of shisha flavors to suit the taste of their global fan base. If someone is new to hookah smoking, they are not sure which brand to go with.

You must be wondering, "Which Al Fakher flavor is the best?" Now this answer depends on your hookah flavor profile.

We will be mentioning the description of the flavors, smoke quality, and mixing potential. You can try out the best flavors according to your preference. Expand your flavor knowledge from the choice we have mentioned below.

Best Al Fakher Flavors Of All Time

We are going to let you know about some of the best Al Fakher flavors of all time. Of course, our top choice is Al Fakher mint. Apart from that, we will also mention some of the other flavors for your exotic hookah session.

Al Fakher Two Apples

This is the first flavour introduced by the company. The two apples flavor is a mixture of red and green apple flavors with a generous dose of anise or licorice. This results in a deliciously sweet and rich flavor. This is the Al Fakher flavour which built the house for the company. Since this is one of the original Al Fakher flavours, two apples are smoked to a massive extent in the world. As a result, it has a classic sensation of its own, leading to a truly traditional experience. Time to enjoy the dense clouds of Al Fakher Two Apples and a flavor that will take you back to Dubai.

Al Fakher Mint

Al Fakher Mint is the gold standard by which all the mint hookah flavors are judged! This brand provides the purest essence of mint available today across the hookah universe. This popular shisha is amazing to smoke in a clean, refreshing hookah bowl. The smoke produced from the Al Fakher mint is thick and puffy. Due to its cooling effect, you can have a great smoking session with the Al Fakher mint. This Al Fakher flavour is perfect for mixing too! Adding mint to any flavor creates a cooling sensation. This creates a lighter and smoother mix with a clean minty finish. Keep in mind that if you mix the Al Fakher mint with other flavors, the blending experience can go a long way.

Al Fakher Watermelon Mint

This shisha flavor is a blend of sweet watermelon and cooling mint, much refreshing than the Al Fakher mint flavor. The experience is pleasing, along with the thick clouds that Al Fakher flavors is known for! The blend is pretty unique with a rich and fruity taste, one of the sweetest Al Fakher flavors available. A cooling sweet mint flavor follows right after you give the first drag. If you expect a watermelon candy flavor with this Al Fakher flavour, then you wouldn't be disappointed. The smoke is thick, and the flavor will last for more than an hour. Suppose you want to experience a touch of mint and enjoy a sweet fruity blast with a superb mint finish. In that case, this Al Fakher flavour should be your choice without any second thought.

Al Fakher Golden Bahraini Apple

This is a variant of the Double Apple Al Fakher flavour. This is a fragrant red apple flavor that focuses on bringing the sweet apple flavor to the forefront. You would get to experience a warm and spicy undertone that rounds out of the flavor. This Al Fakher flavour belongs to the "Golden" line. It is a bit juicier than any other standard version of Al Fakher flavors. This is highly flavorful and produces a cloud of thick smoke. If you want a sweet apple flavor with strong anise notes, this flavor is a perfect choice!

Al Fakher Cappucino

This flavor will energize your taste buds as soon as the smell of this robust dark coffee reaches your nose! It has a creamy and smooth feel to it, which makes this Al Fakher flavour quite exotic. This flavor has the capability of getting mixed with a pinch of Al-Fakher Vanilla or Cinnamon. If you smoke this Al Fakher flavour right away, it will provide you with an excellent way to start or finish the day!

Al Fakher Blueberry Mint

This flavor is yet again a variety of the Al Fakher mint. This flavor is a perfect blend of blueberry and mint flavors. It offers a sweet and tart note of blueberries with a cool mint

exhale. This Al Fakher flavour is very similar to the Watermelon Mint, thus, being a solid choice for new smokers. Professionals can also smoke this flavor. This Al Fakher flavour is known to be one of the most crowd-pleasing flavors.

Al Fakher Peach

This is fantastic peach-flavored hookah tobacco from Al Fakher. The sweet fruitiness and the tangy bite make it a popular choice for shisha smokers. The peach flavor is more of a fruit-based taste, unlike the Watermelon Mint and Blueberry Mint. The flavor is bold and provides an excellent hookah session when you want a fruit flavor without a pure sugar blast. You can enjoy this flavor alone or if you're going to take it to the next level, try mixing some Strawberry or Berries flavor.

Al Fakher Vanilla

This is the ultimate flavor enhancer. This Al Fakher flavour is delicious on its own, making it ideal with an enriching experience. The subtle yet strong flavor is what brings out the complex flavor profile to experienced hookah smokers. If you want to blend this Al Fakher flavour, try mixing it with Mint, Lemon, Cinnamon, Grape, Orange, or just about anything else. Trust us! After you have blended the vanilla flavor with some other flavors, you won't regret it.

Al Fakher Rose

This is a sweet and fragrant floral flavor made from the essence of rose petals. This Al Fakher flavour is perfect for sharing with your better half or someone special! Once you fire up the bowl, you will smell the identifiable notes of a dozen long-stemmed roses. The flavor is pretty sweet in itself. You wouldn't believe it, but this flavor is surprisingly versatile when mixing with other flavors. It produces a cloud of thick floral smoke, and if you punch it with the Lemon flavor, you will enjoy a truly delicious session. This would eventually remind you of your favorite fruity cereal!

Al Fakher Berry

This is a blended Al Fakher flavor with a mixture of raspberry and blackberry with a slightly floral aroma. As soon as you start smoking this hookah tobacco, you begin to feel the sweet yet tart flavor with a fantastic aroma.

Conclusion

Did we happen to miss your favorite [Al Fakher flavour](#)? Do not worry since we will be bringing another post with a set of brand-new flavors.

Yet again, if you haven't tried out the flavors mentioned above, we suggest that you go without any second thought!
