

About Me The Flawless

I Welcome you to my personal bio.

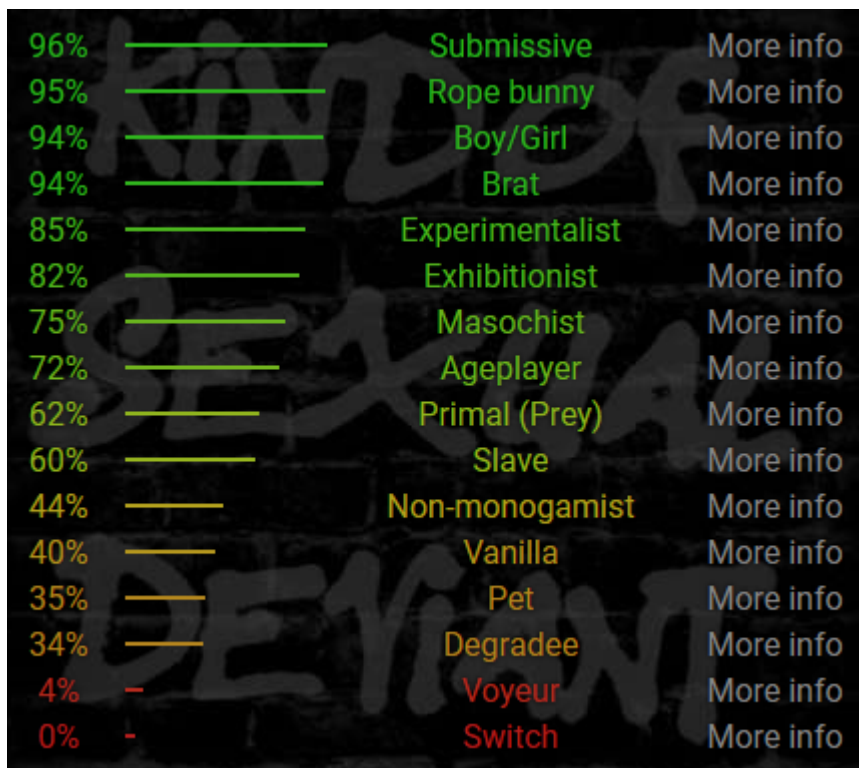

Hey there, I am **Amy Jordan**, nice to me you. I am half werewolf, half vampire, basically a hybrid. I am also from Luna and see myself as 🌙 **Crescent Moon Darnell**.🌙

There might be some requirements if you really want to be my friend/acquaintance:

- 😊 1) **Be nice**- Be nice and i will be nice to you. Be rude and be a part of my ignore list. 😊
- ❌ 2) **JUST-NO COLDS**- i hate cold invites. ❌
- 🙄 3) **Never be fake**- I am good at reading people so, never be fake. 🙄

These are the basic rules for being my friend and i think most people can fulfill most of them.

... The above is what i sexually am.... just for extra information....

Don't text me if you are anywhere below level 5, **NO ALTS**

If your going to pm me for being fuck buddies, no thanks.

If your my friend already and want to step it up, just ask.... but if i don't give the vibe to be interested in being fuck buddies or girlfriend, you know what you need to do, shut your ass up, or face rejection.

I love all kinds of RP and think i am pretty good at it.

I am a strict follower of **DDLG**.

If you ain't into it, then i am pretty sure you will not be into me,sexually.

💖💖💖 I really love my club **Hell's Angels™** as the people there are very very friendly and nice, and its practically my home..💖💖💖

I really love books, so if your a book lover too then we can have long conversations about it. Same with Topics on history of India, Writing, Mental Health, Fashion Designing, Painting etc. I think i am pretty much an introvert other than that.

I look forward to making lots of friends and less of enemies.

My new hobby is making apartment designs, so pm me if you got ideas.

thank you for spending time and reading my bio.

Signing off

💖💖 Your Kind Friend, 💖💖

Amy Jordan
