Animal Farm

Librarian's note: There is an Alternate Cover Edition for this edition of this book here. A farm is taken over by its overworked, mistreated animals. With flaming idealism and stirring slogans, they set out to create a paradise of progress, justice, and equality. Thus the stage is set for one of the most telling satiric fables ever penned—a razor-edged fairy tale for grown-ups that records the evolution from revolution against tyranny to a totalitarianism just as terrible. When *Animal Farm* was first published, Stalinist Russia was seen as its target. Today it is devastatingly clear that wherever and whenever freedom is attacked, under whatever banner, the cutting clarity and savage comedy of George Orwell's masterpiece have a meaning and message still ferociously fresh.

Why You Should Choose Book Animal Farm?

Unleash Your Imagination: Our carefully selected *Animal Farm* is crafted to whisk you away from the mundane and immerse you in enchanting stories that unfold in vibrant settings and feature captivating characters.

Explore Diverse Genres: From timeless classics to contemporary masterpieces, the book *Animal Farm* encompasses a myriad of genres, including mystery, fantasy, romance, science fiction, and more. There's something for every taste and preference.
