

# Burundi Tenders | Burundi Government Tenders, RFP, EOI and Burundi Public Procurement 2021

Burundi is a developing East African nation which enjoys good public procurement attention from suppliers all across Asia, [Europe](#), [Middle East](#), [Africa](#) and even Americas. The country has a scattered and decentralized system for publishing tenders with each state and county having their individual sources making it difficult for international suppliers to bid for tenders in Burundi. With lack of e-tendering, Burundi tenders are not only difficult to find but also difficult to participate. Burundi also enjoys a lot of funding focus as large contracts are published using funding agencies or loan accounts making it easier for a wider range of audience to apply. At **Tender Impulse**, we gather all information for all tenders from Burundi. Our services not only helps gather first hand tender information from Burundi but also allows in penetrating in the market through our experienced, highly trained local agent staff who can guide in all areas of procurement.
