

Charlii

Our app Charlii is designed with writers in mind, and it helps in [project management for writers](#). The goal is to help you get started, maintain motivation, and reach the finish line. The charlii app is free and you can upgrade to a paid package if needed. The app includes basic features in the free package such as writing a base, creating an outline, using the calendar, and setting reminders. It also includes a 2-week free trial of Create.

Our Create service is for those who need help managing their book, which includes a planning tool, an interactive chart, helpful tips, and a two-week free trial for 'collaborate'. Another service 'Collaborate' is an [online collaboration tool](#) built for authors looking to connect with beta readers, proofreaders, and editors. Not this, If you are not very satisfied with our product for any reason you can get a refund within 30 days of subscribing, you can cancel your Create and Collaborate subscription anytime. We are so sure that you will love our products, so we are ready to offer a 30-day risk-free money-back guarantee.
