

Built for today, Designed for What's Next

In the heart of Goregaon East, where the city's energy meets nature's calm, something remarkable rises above the rest, not just in height, but in thought. **Claremont by Origin Corp** isn't merely a tower; it's where the story of your next chapter begins.

Imagine this: sunlight filtering through your living room windows, not squeezed into corners but spilling across a spacious canvas of 840 Sq.Ft. This isn't a scene from a brochure— it's your everyday reality in a luxurious residence in Mumbai that doesn't treat space as a premium, but as a given.
