The graphic features a stylized illustration of a human spine on the left, with vertebrae colored in a gradient from orange at the top to green, yellow, and purple at the bottom. A large blue circle is positioned behind the text. On the right, a portrait of Dr. Vidyadhara S, a man with dark hair and a white lab coat, is shown. The background is light blue with faint circular patterns. The Manipal Hospitals logo and tagline are at the top, and the hashtag #StayHomeStaySafe is in the top right corner.
