

Rich DuPont has spent his entire career creating jobs and supporting job creation in the 5th District, first as a manufacturer and then through his leadership with the education and training programs that feed the manufacturing jobs pipeline. Rich has been achieving real workforce development results for more than 30 years -- and I know he will be a job creator and a strong advocate in Congress for jobs and manufacturing.

Mark Greenberg

2018 Republican Candidate for State Comptroller

2014 Republican Nominee for Congress
