## HR Consulting Services

- Through our HR policy design, we will help your company to develop and also streamline human resource policies.
- Husys offer staffing solutions to clients. Our services cater to all the aspects of recruitment, starting from sourcing to hiring them.
- Husys also helps their clients to make sure that they get the best out of their employees and they do this by implementing a strong performance management system. Doing this will help with the productivity of your business.
- For organizations, it might not be feasible enough to create a separate payroll. However, if you outsource your payroll work to us, you will be able to benefit a lot.

Husys is the brand new horizon of HR Consulting Services.

## **PEO a Co-Employer to your Employee:**

PEO/AMS isn't so new ideas or concepts for SME's, PEO is an organization which keeps up a healthy relationship/organization with an SME's, to provide them a committed HR management services and advantages administration partner through a firm to firm relationship called co-employment.

The ability to scale up or down your HR services without any effect on your infrastructure.

## **Responsible for Employment risk.**

A PEO will undertake all the Human Resource service management of the client company. The company business owner need not worry about the HR consulting and HR operations and can focus on the core firm process and the rest left with the PEO.
