

# Implementing Leader Standard Work for a Culture of Excellence

Leader Standard Work (LSW) is a standardized approach for leaders to consistently support and improve their organization's performance. It's a key component of lean management, emphasizing the importance of leadership in creating a culture of excellence. By following LSW, leaders actively engage with their teams, identify areas for improvement, and coach them effectively. This demonstrates their commitment to the organization's goals and fosters a culture of continuous learning and development.
