Hey Kevin, I hope you're doing all right. I was unable to respond to you earlier this week, I got slammed with a lot of unexpected work. I read your e-mails and reviewed the attachments. Also, I received the documents you mailed to me. I will forward everything to the VA next week and will let you know if I'm able to get a hold of Kathy Banfield.

I hope you have a great weekend.

If you can start a restaurant that's great. It definitely helps to keep setting goals and make progress.

I'll let you know if Dr. Bash would like to schedule a personal visit. I have not received your C file yet but I am persistent with the VA, I will get it - and when I do I will immediately send a copy to Dr. Bash so he can prepare your independent medical examination.

Chris,

I've made up my mind I'm out of here come spring. I'm trying to raise some money to start a restaurant here in Telluride. Even being sick I still have to try and do something. But if we can't get that going I'm out of here, let me know if you want me to come out to see Dr. Bash, I have to go back east to see doctors anyways. Let me know what Kathy Banfield says, what she thinks of my case, time frame, etc. Best

Kevin Canada

Kevin,

Just wanted to let you know I have not received the medical records you sent yet. I'll let you know when they arrive, which will hopefully be next week.

Hope you have a great weekend.

Thanks Kevin, I'll definitely contact Ms. Danfield after I review your medical records. And after I receive your medical records I'll be able to determine the effectiveness and cost of medical experts specific for your case. Depending on the costs, I may be able to front the money for payment as I want to make sure we put forth the best case possible to the BVA. We'll discuss that more once I have more specific information.

I did not receive the package you referred to but I'll let you know when I do.

Thanks,  
Christopher

I will work with your doctors, absolutely. I have also found two potential doctors to perform independent medical evaluations (IMEs) to review your medical records and compose a report to service-connect your medical conditions (if that is their medical opinion). I have not contacted them yet, as I do not have the release form from you or your medical records. Once I have those documents, I will contact them to determine their fees and assess their qualifications and then discuss with you how you want to proceed.

These are the two doctors that have been referred to me, in case you wanted to read more about them:

<http://www.veteransmedadvisor.com/>

(has lots of experience doing exactly what we need, and is a fellow vet)

<http://www.medmalexperts.com/>

(medical malpractice seems to be his specialty but he is in Colorado and I was referred to him by an attorney that works for Paralyzed Veterans for America that has had success with him, so I think we should check him out as well)

Have a great weekend, take care.

Kevin,

I received the packet of documents you sent to me last week and I am going to contact doctors for you to determine if they can help your cases and to inquire about their fees.

Per your request, I drafted a contingency fee agreement (see attached). The "compensation of firm" section (paragraph 2) has a line for you to enter the amount of compensation. Please complete this section and sign and date pages 3 and 4 as well. To contact doctors on your behalf, I'll need your consent to release your medical records and

that is what page 4 covers.

If you have any questions, feel free to contact me.

Thanks,  
Christopher

Kevin,

It was nice to chat with you briefly today, I'm sorry to hear about what you've gone through but hopefully we can get an appropriate resolution to your case.

I'll send you some forms later today. In the meantime, if you can gather all your paper files and send them to me that would be helpful. Also, feel free to e-mail me anything relevant as well.

### **CIA TRIED TO RECRUIT ME**

I GET A CALL FROM THE CO. DEPT OF LABOR WHEN I LIVED OUT IN COLORADO. HAD TO MOVE UP IN THE MOUNTAINS TO GET AWAY FROM THESE PSYCHOPATHS, ANYWAYS LYNN KING CALLS ME FROM MONTROSE, HE WAS THE VETERANS REP. AND TELLS ME ABOUT THIS GREAT JOB IN INTELLIGENCE, I COULD TELECOMMUTE AND MAKE \$80K TO START. I TOLD HIM IT SOUNDED TOO GOOD TO BE TRUE, SO I CHECKED OUT THEIR WEB SITE AND THERE WAS GEORGE TENET SITTING ON THE BOARD OF DIRECTORS, I CALLED HIM BACK AND SAID NO THANK YOU, I REPORTED THIS TO MY CONGRESSMAN MARK UDALL TENET TRYING TO RECRUIT ME. THEN UDALL BECOMES A SENATOR AND NOW SITS ON THE SENATE INTELLIGENCE COMMITTEE, HMM. I'VE BEEN TARGETED EVER SINCE. DICK CHENEY'S DAUGHTER SHOWS UP IN MY MBA PROGRAM. THIS IS WHAT HAPPENS WHEN YOU GET INVOLVED WITH PEOPLE LIKE COLIN POWELL WHO IS CLEARLY CIA, AND BUSH. MY PASTOR GAVE THE INAUGURAL SERVICE FOR BARACK

OBAMA, ISN'T THAT SPECIAL. I GUESS I'M ONE OF THEIR LOOSE ENDS THEY CAN'T CONTROL OR KNOWS TOO MUCH. BELOW IS AN EMAIL CONVERSATION ME AND LYNN KING HAD WHO WORKED FOR THE COLORADO WORKFORCE CENTER IN MONTROSE.

Lynn,

Hope you remember me we spoke on the phone a couple of times. I'm out here in New York doing some research for a book which I have already started writing. Remember you contacted me about an intelligence position that paid very well, I could telecommute. Sounded like a dream job until I checked their web site out and saw George Tenet there on their board of directors. Do you have any info about that company and do you recall that.

I researched this, but cannot find anything. I will let you know if I do.

WELL I LATER REMEMBERED THE NAME OF THE FIRM THAT TRIED TO RECRUIT ME IT WAS QINETIQ AN INTELLIGENCE FIRM OWNED BY THE CARLYE GROUP (daddy Bush) AND RUN BY GEORGE TENET. TENETS PHOTO MYSTERIOUSLY COMES DOWN FROM THE COMPANY WEB SITE A COUPLE OF MONTHS LATER AFTER I REPORT THIS TO UDALL AND THEY MAKE UDALL A SENATOR, HE'S DIRTY HE'S THE CIA'S WHIPPING BOY NOW. I BELIEVE THIS QINETIQ IS INVOLVED IN THESE MIND CONTROL OPERATIONS GOING ON ALL OVER THE US AND I THINK IT SPECIALIZES IN TARGETING AND SILENCING TARGETS OF THIS CRIMINAL CIA ORGANIZATION. MUCH OF OUR SO-CALLED INTELLIGENCE HAS BEEN PRIVATIZED NOW WITH ABSOLUTELY NO OVER-SIGHT. WE HAVE A TOTALLY CRIMINAL GOVERNMENT NOW. I WOULD NEVER WORK FOR SUCH AN EVIL ORGANIZATION, THEY STILL ARE AFTER ME. I'VE MADE IT MY LIFES WORK TO EXPOSE THESE CIA SATANIC NWO CRIMINALS DESTROYING AMERICA.

#### QinetiQ

In October 2006 Tenet joined QinetiQ as an independent non-executive director.[30] Tenet then stepped down from the board in February 2008 to become the managing director of the secretive investment bank Allen & Company. [31] Tenet also sits on the boards of directors of L-1 Identity Solutions, a major supplier of biometric identification software, and Guidance Software, which makes forensic software used to search computer hard drives for evidence.[32] Along with a number of other notable Greek Americans, he is a member of the advisory board of The Next Generation Initiative, a leadership program aimed at getting students involved in public affairs.
