MC says "Ah mom"

MC thinks "Mom, why are you doing this?"

She hiccups.

MC says "Mom, aren't you drunk?" Minseo says "Is that so? I drank with son for the first time in a while, so, I didn't even know I was drunk."

MC says "Let me bring some water. I think mom is drunk".

She says "Th, thank you."

MC left to get water. She says to herself "Did I drink a lot? What did I just try to do."

She thinks "Come to think of it, Sanghyun only takes care of me recently. You are not a child who needs my help anymore.."

Title Drop

MC says "I'm done drinking, let's go to bed." "Give me a blanket, I will sleep on the floor."

She is on the bed. She asked "On the floor? not sleeping on the bed?" "Come up on the bed and let's sleep together."

MC says "Ah, no, I am an adult now"

She says "There is no such thing between mom and son." "The bed is big and sleeping on the floor might get you a cold." "So, quickly come up." MC says "Ah, I see. Okay, let's sleep together."

They turned off the light and sleeping together on the bed. Minseo asks "Is this the first time sleeping together like this?"

She turned towards MC and say "I feel reassured because Sanghyun is next to me." MC thinks while looking at her boobs "I don't know what kind of situation is this." "I don't hate it but ..."

She touched MC's chest and say "Before I knew it, you became such a reliable man.." "Mom really . . . " She fell asleep.

MC thinks "Are you sleeping already? Well, I drank a lot like mom too." " Let's stop thinking about weird things and go to bed."

MC wake up "Uhhh.." "Huh? Why am I here?" It's probably Jihyun's house. Naked Jihyun with wig (basically Minseo) comes and asks "Did you wake up? Instructor Sanghyun?"

She sits on MC and says "I put on the wig like this again ..." "Just who the hell is this girl?"

She asks "Is it really Sanghyun's mom? MC says "That, that can't be right."

They kiss. MC thinks "Oh really..." "I shouldn't do this but I don't really know anymore."

It's actually MC dreaming.

Sanghyun making noises in reality as well. Minseo wakes up and sees it.

He keeps making moan noises. Minseo asks "Sanghyun, what's the matter? Are you getting sleep paralysis?"

Sanghyun pulls Minseo towards him. Minseo surprised. She asks "Sa, Sanghyun? What's wrong?"

MC pulls her head and kissed her while still in his sleep.

She surprised but let him kiss and closed her eyes as well. She thinks " it, it couldn't be like this...!"

She stopped kissing.

MC grabs her ass. His finger tries to reach towards her pussy. His dick erected and starts pushing her pussy. "San, Sanghyun wait!"

She thinks "It's so erected that I can even tell it with my clothes on?" "What should I do?"

"What kind of situation is this?"

MC rubbing his dick. She thinks "This, this ... I can't ...!"

MC says "Jihyun" She surprised. "!"

She says "It, it's Jihyun ...?" "So, it was sleep talking." "As expected".

She thinks "Yea, there's no way he did that on purpose. Sanghyun is so nice."

She looks at MC's erected D and thinks "For a moment, it was really dangerous..."

Next morning. MC wakes up.

"Yawnnn. I slept well."

Minseo with red apron says "Are you awake?" "I woke up early and was preparing for the breakfast."

MC asks "You didn't sleep well? Why didn't you sleep more?"

She says "It's okay. I can sleep more after you leave." "I will pack you some side dishes, so take it and eat it with rice." "Don't just buy outside food and eat it."

MC hugs her from behind and says "Okay. As expected, mom is the best." She says "It's dangerous, I am using the knife. Really ..." MC says "Wait. Just stay like this. We won't be able to see each other for a while."

MC thinks "Mom ..." "Just wait a little bit more."

Last panel is close up shot of MC hugging Minseo.

End chap.

(Welp, guess Minseo sex won't be coming anytime soon. Next week, revenge starts.)
