

Mother Hunting 72

"Let's get started."

Meanwhile at Junbeom's lecture.

A woman with glasses asks "Junbeom, are you read for live?" Junbeom says "I am ready."

She says "You have prepared the lecture well, but first impressions are important." "Because it is live, you might even have to deal with silly questions if they come up."

Jubeom says "Leave it to me" "If that happens, I am confident."

She says "Okay? I hope you live up to dad, no, boss's expectation." "It will start soon. Get ready."

Junbeom thinking "She's arrogant because she is boss's daughter. I will seduce you and play with you soon."

"By the way ..." "I see everything is fine so far ..." "Well, what can a shameless jerk do?" "That bastard is just a loser for the rest of his life."

Title Drop

Director asks MC "Are you ready?"

MC says "Yes, ready without problem." "How about director?"

Director says "Don't worry I have contacted the company." "It will be spread to all communities in no time."

MC says "I can't keep him from setting his feet here." "It is starting now. Let's watch the end of him."

Junbeom's live start.

Junbeom says "It is a great pleasure to meet you." "My name is Kang Junbeom, who is visiting you through a special internet lecture this time." "It is an honor to have this time to communicate with you."

Director looking at the live stream and says "When you were here, your character was completely different." MC says "I know right." "Well, it is a mask that will come off very soon."

"..." "..." "..."

The glasses girl says to Junbeom "You are doing better than I thought."

The guy streaming live says "The reaction is fine so far."

Junbeom says "Let's move on to the next question?"

He is reading a question "Where.." Why did you move a lecture onto the internet?"

He answers "Face to face lectures have a limit to the number of things that can be taught." "Even now, thanks to that move, I can meet you all like this."

Someone in chat asks "Do you have a girlfriend?"

Junbeom says "Girlfriend?" "This question is difficult."

"I don't have because I am busy studying." "Not even enough to pay attention to all the students."

Someone in chat posted a link.

He thinks "What's that? There's always someone like that ..."

He says "Ha ...? Well, it's difficult to check it here, so let's move on to the next question."

Glasses girl says to the guy streaming, "Hey, check it out." The dude says "Yes."

They opened the link and was surprised. "?!"

She whispers "God, instructor Junbeom. What is this?"

Junbeom asks "Ah? What's that?"

Chat is saying "Is it real?" "What the fuck?" "Hahahahahaha It is really great."

He asks "I wonder what everyone is doing?"

She turns the screen and shows it to junbeom "Look at this."

It's Left thumbnail picture. She asks "What the hell is this." "Explain now!"

There are also messages of junbeom threatening the parents.

Junbeom thinks "How, how did that happen?" "How did this leak?"

Glasses woman asks "Say something. Is this all true?" (Dumb?)

He says "No, no fucking way! I have never done those." "This is all manipulations"

She shouts to the guy steaming "Hey, turn off the camera fast! Hurry up!"

Broadcast Stopped.

MC says to director "They must have been in a hurry. Turned off the broadcast."

Director says "But there's no chance." MC says "I am sure you started right?"

Director says "Of course. It will be filled with articles soon?" "He is finished now."

Glasses woman says to Junbeom "Do you know what situation you are in now? If you can't fix this, you are all over." "What are you going to do?"

Junbeom thinking "I don't know how these data were leaked, but there is no clear threat." "It's enough to call that woman, an ex."

Junbeom says "...Turn on the camera again. It's just a dirty manipulation to insult my work."
She says "You will have to take responsibility for that."

She nods to the camera guy.

Live stream continues.

Junbeom says to the camera. "Please understand that the broadcast was stopped for a while due to a problem." "Let me tell you what happened now." "Those things are just dirty manipulation." "I am confident and in fact, I will take full responsibility."

The chat not satisfied and say "what?" "Are you fabricating?" "It popped up because of something you did?"

MC saying while looking at phone. "I knew you would act like a snake until the end. That data alone would've a hole to get out."

"But there is no reflection in this situation." His phone says "All files has been transferred."

The streaming guy says "Ah ... this time audio file has also been uploaded."

Glasses woman says "What else came up?" "What the hell is this time again?!"

It's MC's recording of him. "Guilty?" "Rather those bitches should thank me."

Glasses woman says "Ah, this voice is of instructor Junbeom right?"

Recording "Even if they say no with their mouth, don't their bodies says otherwise?" Streaming guy thinking "Wow, that's crazy."

Recording "Of course, they feel much better with a guy younger than their husband." "They should be thankful for being picked by me."

People watching the stream (a woman who looks like Minhee, some kids) are surprised. The kid saying "mo, mom!"

Recording, "It's fucking bullshit." "And when they go home, they'll pretend to be a good mom, right?"

Junbeom saying "...ah, this is really!"

He is thinking of that drinking night with MC "Did he really decorate it? All of this?" "Then, what you said at the cafe was all lies?" (probably Jihyun)

Jubeom very pissed (Right thumbnail). "Mother Fucker"

"You are messing with me, how dare you ..."

He yells "Turn off the sound!" "Turn if off right away" "Can't you hear me?" "TURN IT OFF NOW!!"

MC looking at the screen. "With this." "It is checkmate."

End chap.
