

When you advertise on **NaijaVibe**, you will be seen, listened to and considered. Our visitors are pop culture custodians that rely on our updated offerings on songs, innovation, movie, news as well as social media [naija music](#)

Do not take our word for it, though. Google Analytics insists that

has practically 1.5 million web page views each month (virtually 100,000 web page views day-to-day) and also almost 400,000 unique visitors monthly (regarding 10,000 one-of-a-kind site visitors daily). Alexa, the worldwide web site ranking system, also rates NaijaVibe.Net as one of the top checked out internet sites in Nigeria. We acquired these heights in less than two years of consolidation.
