What are Navaratna Gemstones?

Navaratna gemstones are a collection of nine precious stones, each representing a celestial body in Vedic astrology. These gems are believed to possess unique energies and qualities that can influence our lives positively. The word "Navaratna" itself means "nine gems" in Sanskrit.

The nine gemstones included in Navaratna are:

1. [Ruby](#)
2. [Pearl](#)
3. [Red Coral](#)
4. [Emerald](#)
5. [Yellow Sapphire](#)
6. [Diamond](#)

7. [Blue Sapphire](#)
8. [Hessonite](#)
9. [Cat's Eye](#)

Each gemstone corresponds to a specific planet, and wearing them together is said to bring harmony and balance to one's life.
