🍀 Chapter 1 Revenge

Qiao Yuqi fought back the terrible wave of nausea as she turned off the surveillance monitor. That was her husband. Though they had been married for three years, he had not touched her once. Instead, he spent his time out on the tiles, indulging in sensual pleasures of the outside world.

There was a racket at the door. Her mother-in-law, Wang Shulan, was kicking up a fuss. "What are you doing hiding in the room? Are you trying to rebel now that Jingwen's not at home? You've been married for three years, yet you haven't bore him a child. How useless! Aren't you going to start cooking now? Trying to starve me to death?"

Because of that, it was also, where beggars and drunkards gathered. Since the Mo family despised her, yet unwilling to let her get a divorce, she decided to appall them this time.

She'd choose the dirtiest and ugliest man tonight to take her revenge on the Mo family.

"Mm..."

A weird sound ensued from a corner. But Qiao Yuqi plucked up her courage and headed towards it.
