

# Understanding ODSP in Brampton: Your Guide to Financial and Health Support

The Ontario Disability Support Program (ODSP) in Brampton provides essential financial and healthcare assistance to individuals with disabilities. If you or a loved one needs support, understanding ODSP benefits and services can make a significant difference in managing daily expenses and healthcare needs.

## What is ODSP in Brampton?

The ODSP Brampton office offers financial aid and employment support to individuals with disabilities, ensuring they can afford basic necessities like food, shelter, and medical care. The program also provides access to prescription medications, mobility aids, and other essential healthcare services.

## Who Qualifies for ODSP in Brampton, Ontario?

To be eligible for ODSP in Brampton, individuals must meet the following criteria:

- Be a resident of Brampton, Ontario
- Have a substantial physical or mental disability that affects daily life
- Require financial assistance for living expenses and healthcare needs

The ODSP Brampton office assesses each applicant's situation to determine eligibility and the level of support required.
