

Onyx Vase no 8 - The Playful Stone

Green Onyx is a gemstone that brings a multitude of energies. It evokes a sense of playfulness, connecting you with your inner child, while also nurturing your mature, responsible self. This gem's energy fosters creativity, enabling you to build and strengthen connections not only with those around you but also with yourself and the natural world. Each piece of Green Onyx is unique due to its distinctive banding, which imparts a peaceful, grounding energy. These soothing stones complement a variety of other crystals and make for beautiful display pieces.
