

# 5 career tips for an MBA Student

# 5 career tips for an MBA STUDENT

1

## **PROOFREAD:**

Have someone proofread your resume and cover letter, Grammatical and spelling errors are the number one common mistake students make.

2

## **Tailor:**

Pay close attention to an employee's job description, Spend time tailoring your resume to their specific job requirements. Leave out unnecessary information.

3

## **Dress Code:**

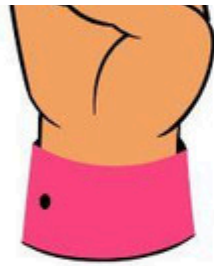

It's never wrong to be overdressed for an interview unless specifically stated. Charcoal and Navy suit are most recommended.

4

## **Body Language:**

70% of communication is non-verbal

70% of communication is through body language. Practice with another individual. Focus on communicating confidence without being arrogant.

**5**

**Experience:**

Set yourself apart through your experience. Find an off campus internship in your major and make sure to communicate it well in an interview.
