

Unlock a World of Opportunities with Skilled Worker Visa UK

The United Kingdom is a land of opportunities. If you are a skilled worker dreaming of settling abroad, look no further than UK skilled worker visa. According to official statistics, 1, 45,258 skilled worker visas were approved by the UK government in 2022. Out of which, Indians received 56,042 work permit visas. You need to understand the following [UK skilled worker visa](#) requirements if you are applying for this visa:

- You must have a valid job offer from a designed UK employer approved by the Home Office.
- Proof of the job role you have been offered.
- The job offered must be on the list of eligible occupations.
- Be paid a minimum salary depending on the type of work you do
- You must be able to read, write, speak, and understand English

Processing times for the UK skilled worker visa

Skilled worker visas aren't instantly approved. It may take from weeks to months to get your decision on the visa application. The Home Office UK website states that applicants must

apply for the visa three months before starting a new job.

Once all eligibility requirements are met and documents are submitted, it can take around three weeks for the department to review your application and give a final decision. Since the process is a bit complicated and confusing, you can take help from immigration experts to navigate the process with ease.

How long is the UK Skilled Worker Visa Valid?

Skilled worker visa UK holders can stay in the UK for up to five years, following which they can extend their visa. The extension is possible multiple times as long as they meet the eligibility requirements. Applicants can also bring their dependents if applicable.

After five years, a skilled worker visa holder may qualify to apply for an indefinite leave to remain (ILR) in the UK, which gives them the right and freedom to live and work in the UK and also access to the National Health Scheme along with other social benefits.
