Q Exposes Pure Evil

Q revealed that the richest entities in the world, like the Rothschilds, Rockefellers, Gates, Soros, the Saoudi Arabian royal family, and royalty in nations around the world, have become so extremely evil, that they need to be stopped... *or the world will be destroyed by them.*

The following illustrates the sheer level of wickedness of those who rule the world, with their trillions of dollars... On December 12th 1972 Marie-Hélène de Rothschild held a [Surrealist Ball](#) at Château de Ferrières, one of the family's gigantic mansions. While these events are usually extremely secretive, photographs of this particular Ball surfaced on the web.

Here you see the Rothschild hosts welcoming the wealthy elite. The lady wears the head of a horned animal, the symbol of satanism.

Their diner tables were dressed up with dismembered baby dolls, and cracked baby skulls...

Other tables had naked mannequin cadavers...

This elite bal represented something nefarious, which is a hallmark of these evil people: **human sacrifice**. This was not the only time their secret parties were accidentally exposed to the world. Similar photos showed up from high profile Hollywood parties, where celebrities feast on tables adorned with human bodies.

These hideous displays at the parties of the world's wealthiest, reveal something appalling: *these people celebrate human sacrifice, and cannibalism*. It gets even worse: Q and many other truth speakers in our times, have revealed that the elite of

Ancient Practice of Child Sacrifice

All throughout the history of mankind, we can see the horrible practice of child sacrifice to evil entities. The following artwork depicts the sacrifice of the king's first male child in Florida, witnessed by European travellers (engraved by Theodore De Bry, 'America' 1599)

The next image shows the South American people, the Aztecs, performing child sacrifice to their demon gods.

And here is an example of child sacrifice in India...

One of the better known demonic entities demanding child sacrifice is called Baal, or Moloch, a 'god' from the ancient Canaanites and Phoenicians. This entity is depicted as a bull with a human body.

Children were thrown in furnaces, inside the body of Baal, or put into his heated hands where the children burned alive.

Child sacrifice was still a common practice in the Middle Ages, as we can see from these artworks...

Also in Africa this is still a widespread practice...

Satanism Spread In The Shadows

The progress of Christianity has cancelled this practice from the *public* sphere, as it used to be out in the open, for thousands of years, all around the world.

Christian missionaries ended public slavery, cannibalism, and human sacrifice, and taught humanity to serve a God of love.

In the shadows of our societies however, these horrible practices lurked on, and even started to spread. The people who secretly stayed involved in the ancient darkness, focussed on gaining control over the world's financial system, the world's education, the world's healthcare,

and the world's governments. Eventually the entire world became controlled by these wicked entities, who created a worldwide spiderweb of satanic child abuse, and sacrifice.

The evidence for these outrageous claims can be found in the following in depth documentary [FALL OF CABAL](#).

CHILD SACRIFICE

Child sacrifice is the hallmark of the highest level of evil in the world. This practice goes back thousands of years, to many ancient cultures.

Present Day Practice of Child Sacrifice

That the wealthiest of our world are still involved in these bloodthirsty rituals, is confirmed by the brave whistleblower from the banking elite, Ronald Bernard.

Bernard explains that, in order to join the highest levels of wealth and power in our world, one has to partake in child sacrifice. It's the DNA of the evil elite.

Below are two videos where you can hear Ronald Bernard explain how the highest realms of our societies are infested with this ancient, but still very much alive, practice...

All over the world there are heartbreaking testimonies from people who are eye witnesses or victims of this, and who tried to expose it. In the Netherlands there is for example the testimony of [Annemarie van Bleijenburgh](#), the wife of a top politician. She was drugged by her husband and taken to theatres, where the Dutch royal family, along with the minister president Mark Rutte, the leader of the opposition Geert Wilders, the supreme judge, the minister of justice, and many other national leaders, were present.

On the stage children were raped, tortured and murdered.

Van Bleijenburgh tried to expose this for decades, but not a single head of police, judge or lawyer wanted to do anything about it.

Makes you wonder why...

Tony Podesta was one of Washington's most powerful lobbyists and fundraisers, who supported Hillary Clinton in an effort to get her elected as President in 2016. Among his clients were Google, Wells Fargo, Boeing, Egypt etc. Truly a man on top of the world. Guess what kind of artwork this man collects in his house?

This kind of art can be found in the homes of the elite worldwide. Believe me, this is not even the worst that's out there... But it shows you a tip of the iceberg of what's going on, and what Q has been exposing to the world.

How The Wicked Control The World

The Rothschilds used a simple strategy to gain control over the world: centuries ago they started lending money to royal families, for their wars.

As a result these royal families became submitted to the Rothschilds, as they owed them large sums of money.

In this photo you can see Evelyn de Rothschild poking the chest of Prince Charles, which is a clear sign of who's the boss.

Next they began gaining control over the international trade of gold and silver, which gave them even more power. The Rothschilds then started influencing the money of entire nations, until they owned the Central Banks (= above commercial banks) in **no less than 165 countries!**

Without the knowledge of the public - who thinks they are being governed by 'elected' politicians - the Rothschilds in fact manage almost the entire world, through their centuries of strategically increasing their grip over the world's financial flow. They started the World Wars and financed both sides to enrich themselves.

Almost every single war has the same people behind them, who create these wars to destroy people, and increase their own wealth.

'Pure evil', as Q said.

These evil beings (they can hardly be called 'humans') manipulate presidents, ministers and basically appoint both sides of many governments: the sitting government, and the opposition. The public has no idea that it's all a show, played out before their eyes, to give them the illusion of having a voice, through their political parties. In reality they are all appointed by election fraud, bribery, murder, and manipulation by evil entities like the Rothschilds, Rockefellers, Bill Gates, George Soros, Klaus Schwab, and others like them.

PEDOGATE 2020 - IN-DEPTH EXPLORATION

Part One lays out the context, with a level-headed dive into the Pizzagate story, the people associated with the Comet Ping Pong pizza shop and the people who commented on its owner, James Alefantis' now-private Instagram account. Mouthy finds lots of gross images and references to Satanism, murder, pedophile slang words and Sadism directed towards babies.

a

He states, "I'm not going to apply sinister interpretations to hashtags...if your damning case against James Alefantis includes references to the Urban Dictionary and arguments for why he might be using them, you've failed. If there really is something here, it should reveal itself without argument."

In Part Two, Mouthy digs into an Instagram post by friends of James Alefantis, who own a condiment business called Gordy's Pickle Jar. It's a still frame from the late celebrity chef Anthony Bourdain's show, Parts Unknown, where he's seen drinking beer with Barack Obama at a noodle shop in Vietnam.

b

Googling the Vietnamese words painted on a wall seen behind Bourdain's head, Mouthy finds that "Khong Hut Thuoc" means "No Smoking" but the biggest Google hit for this term is a YouTube video of a Vietnamese girl band with over 36 million views - and by "girl", we're talking about 8 years old. The video is featured on a massive channel with over 7 million subscribers, whose logo is "BH kids".

Part Three is where he says, "I discovered that the term, 'BH kids' leads to a plethora of websites, showing children modeling underwear and in several instances, showing young girls posing in an indecent manner...Surprisingly, as you just saw, some of these illicit images showing naked children were suggested to me by Google."

Some of these were found on the website of a major European lingerie company. He discovered that "BH kids" acts as a code for child predators, acting as a key, which could activate hidden links that are otherwise inaccessible, when visiting the lingerie site normally.

2

Then he found a similar key involving Instagram posts using the hashtag "IN_ANDOUT_BURGER". This led him to accounts that are apparently soliciting prostitution, mixed in with videos of child pageants run by a children's clothing company called Crazy Pants.

The initials "CP" is a well-known indicator of groups involved in child exploitation, as in "Cheese Pizza" and "Child Pornography".

3

"If nothing else, their parents should be informed that the Crazy Pants website has a section called "CP for Guys" and is uploading their photo shoots to an Instagram page filled with explicit adult models who appear to be advertising themselves to a specific set of individuals." What he saw was enough for him to report Google's suggested images for "BH kids" to the FBI.

Well, this aint it, but its a great documentary with convincing evidence and a small glimpse of Frazzledrip. Did you know 12 cops 'committed suicide' during the time this video was being hunted down? I didn't.... Pizzagate This goes over how easily Main Stream Media "Debunk" cold hard facts with tons of evidence and hundreds of testimonials. All so they can resume selling the much more appealing Fake news. Also this documentary goes back all the way through the 80's and goes over cases of Pedophilia and child trafficking that the government either bungled, closed, or refused to investigate. Mind Boggling.

Unless you are living under a rock you have probably heard about Pizzagate. The mainstream media has summarily dismissed Pizzagate as Fake news:

“The conspiracy theory — stemming from creative interpretation of well-connected Washington political players’ emails, made public by Wikileaks — abounds on websites like 4Chan and Reddit.”

I wanted to read about the “Creative interpretation” of the emails and the modernist murals and paintings hanging on the walls of the Comet Ping Pong restaurant owned by the man at the center of this controversy, Mr. James Achilles Alefantis. Alefantis who co-founded Comet Ping Pong 10 years ago, a casual spot for clay oven pizza, is an artist born and raised in Washington and was once in a relationship with David Brock. Brock, a provocative former right-wing journalist who became an outspoken advocate for Mrs. Clinton. Alefantis manages his restaurant with kid-friendly features like Ping-Pong tables and a craft room. Famous natives like members of the band Fugazi have held small shows there.

So I searched the web and got About 10,900 results (0.78 seconds) :

The Federal Bureau of Investigation

And then there is the FBI who has been trying to end Child Sex Trafficking in the United States for years. Former CIA director and Circle member William Colby had this to say to his friend Senator John De Camp in 1994,

"What you have to understand, John, is that sometimes there are forces and events too big, too powerful, with so much at stake for other people or institutions, that you cannot do anything about them, no matter how evil or wrong they are and no matter how dedicated or sincere you are or how much evidence you have. After all look at how many important people in positions of power all over the world who “on occasion, need to fuck kids,” are “outed” regularly because the FBI and MI5 failed to keep their names out of the media. [Pedophiles in Politics: An Open Source Investigation](#)

And then there is FBI director James Comey’s bizarre behavior in the last election when he inexplicably reopened the criminal investigation of Hillary Clinton because of the smoking gun evidence discovered on the laptop filed under “life insurance” belonging to Anthony Weiner, the disgraced former New York congressman and husband of 20-year Clinton aide Huma Abedin. Evidence that directly linked both Clintons to Epstein’s child sex slave [pedophilia operation](#) on his Caribbean island estate. This most recent twist is way too close to the White House and required a Fake News strategy. Comey’s behavior was consistent, again not proof, that he was trying to keep Clinton from becoming POTUS. The epicenter of this entire thing is, believe or not, a hipster pizza place named *Comet Ping Pong*.

Comet Ping Pong is a 'family friendly' pizzeria where people can eat, drink and play ping-pong. The Comet Ping Pong menu contains a logo that is strikingly similar to the 'child lover' logo used in these circles. Also, Play Eat Drink = PED

The owner of *Comet Ping Pong* is James Alefantis who is, for some reason, ranked #49 in the top 50 'Most Powerful People in Washington' of GQ magazine.

Alefantis as featured on the GQ website. He is described as 'D.C. Radical Chic'.

Alefantis' boyfriend is David Brock, the gay founder of liberal media watchdog group *Media Matters for America*. He was described by *TIME* magazine to be “one of the most influential operatives in the Democratic Party”. The power couple was heavily involved in Hillary Clinton’s campaign.

Man in the Net

In short, Alefantis is very connected to very powerful people. Now let's look at his Instagram account, which was publicly accessible until 4Chan began prying in. The account is filled with bizarre and disturbing pictures – often involving small children. Here are some examples (I can't even post them all).

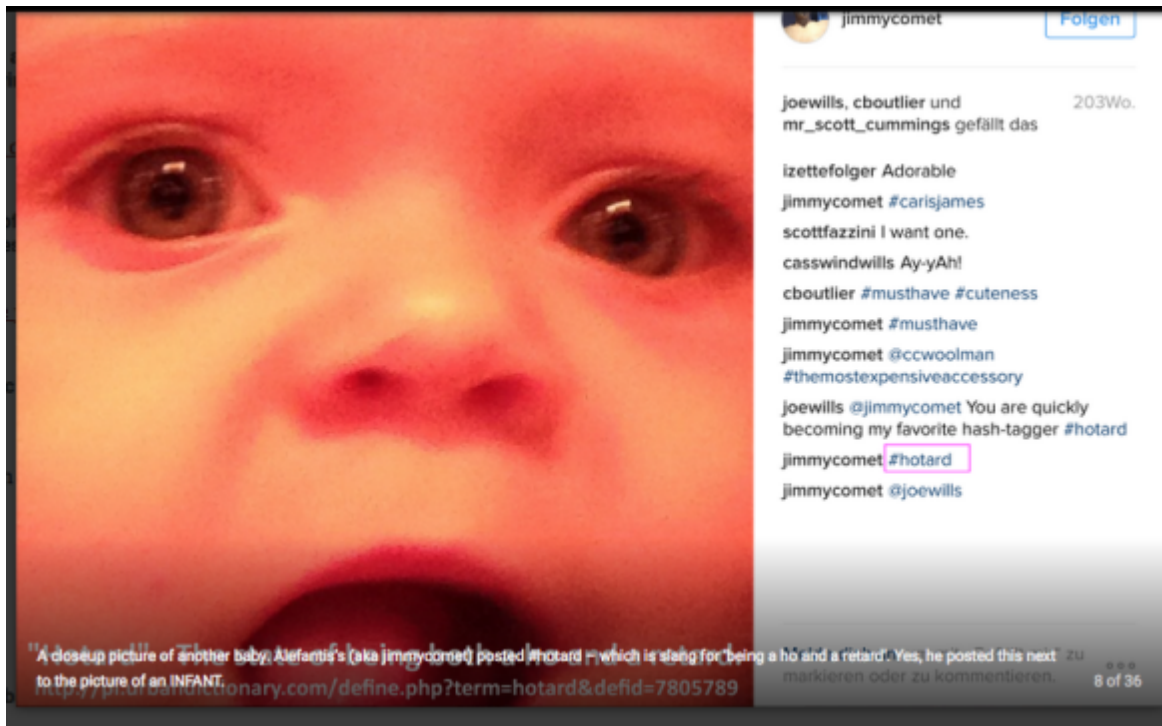

A young girl with her arms taped to a table with a man standing behind her. One of the comments say "This is pretty creepy bro." This is beyond creepy bro.

A young girl inside a basket ... as if she was about to be bought. Many pictures allude to buying and owning children while preying on this innocence.

A closeup picture of another baby. Alefantis's (aka jimmycomet) posted #hotard – which is slang for 'being a ho and a retard'. Yes, he posted this next to the picture of an INFANT.

Another strange pic involving a child and a weirdly placed yellow beads necklace. Also, notice the hashtag #chickenlovers.

Here's a definition of 'chicken lover' found with a basic web search.

A pic of a German baby doll for sale. Buying babies appears to be an important hobby.

A photograph of a realistic German baby doll lying in a bed. The doll has light skin, blue eyes, and is wearing a white knit hat and a white button-down shirt. A handwritten sign is placed in front of the doll. The sign reads: "GERMAN BABY", "\$1200.00", and "Please Do NOT TOUCH!". Below the photo, a caption reads: "A pic of a German baby doll for sale. A bizarre, ritualistic, 'Eyes Wide Shut'-style pic involving young people.

This is the mural prominently on display at Comet Ping Pong by artist Arrington de Dionyso. It depicts strange people holding the heads of smaller people. This is another painting de Dionyso. His work often contains MKULTRA-related themes such as dual personalities (two heads), the exploitation of children – often mixed with occult symbolism.

A regular guest at *Comet Ping Pong* is the performer Majestic Ape from the group Heavy Breathing.

The Podesta Wikileaks dump revealed that John Podesta and his brother Tony were personally invited to Marina's Spirit Cooking event.

John Podesta

A screenshot of John Podesta sitting in his office during an interview. Hanging on the wall is a painting that clearly alludes to cannibalism.

John David Podesta was the Chairman of the 2016 Hillary Clinton presidential campaign. He previously served as Chief of Staff to President Bill Clinton and Counselor to President Barack Obama. Wikileaks released thousands of Podesta's e-mails and it was soon discovered that an inordinate amount of messages referred to 'pizza' and 'hot dogs'. Often times, these words were used in bizarre contexts and in sentences that did not make any sense.

Some observers believe that handkerchiefs are used as 'mementos' in MK abuse. This is a painting from Monarch mind control survivor Kim Noble depicting a victim being abused. There's a piece of cloth underneath the child. The body appears to be levitating, which represents dissociation after extreme trauma.

Read my [full article about Kim Noble here](#). [Appendix A]

This is an ad for Comet Ping Pong which appears to use the same "dissociation" symbolism.

Then there's John Podesta's brother Tony, whose strange taste in art has even made the news. Here's an article from the Washington Post describing how guests were 'horrified' by the art inside Podesta's bedroom.

"At political events, there's an inevitable awkwardness," former Clinton administration official Sally Katzen said at a Women's Campaign Fund dinner at the Podestas' home this summer. "The art is an ice-breaker. It puts people at ease."

Not always. Folks attending a house tour in the Lake Barcroft neighborhood in Falls Church earlier this year got an eyeful when they walked into a bedroom at the Podesta residence hung with multiple color pictures by Katy Grannan, a photographer known for documentary-style pictures of naked teenagers in their parents' suburban homes.

"They were horrified," Heather recalls, a grin spreading across her face.

If Tony and Heather enjoy in-your-face art, they also reward their artists. The Podestas are eager to assist those they've earmarked as promising, and donate time and resources to the cause.

Heather and Tony Podesta in their Falls Church home with Louise Bourgeois' "The Arch of Hysteria." (Robert A. Reeder -- The Washington Post)

Podesta's most notable piece is Louise Bourgeois' 'The Art of Hysteria' – a sculpture of a headless man violently arching back. This sculpture was posted by Alefantis on Instagram. He

apparently visited Podesta's home.

The sculpture depicts the violent physical reaction of patients suffering from hysteria.

“The physical tension of the hysterical arch – an intense muscular contraction, resulting in immobility and paralysis of the limbs – is emblematic of an equally extreme emotional state. Bourgeois makes this highly vulnerable position even more so by suspending her male figure from the ceiling.”

– [National Gallery of Canada](https://www.galleryofcanada.ca/exhibitions/loise-bourgeois)

Bourgeois was inspired by studies on hysteric women. The subject of her art is however a man.

The sculpture is also strikingly similar to one of Jeffrey Dahmer's headless victims. I won't post the picture in this article but it can be found [here](#).
[Actually I will just in case it is goes missing.]

Color Figure 2.10. Posing of dead victim's body. Dahmer photographed his victims' bodies in various positions that he found sexually significant. (Courtesy of Retired Captain James Ferrier, Milwaukee, Wisconsin Police Department.)

Dahlmer was a serial killer who abused and cannibalized young men. He often placed his victims in symbolic positions and took pictures of them.

An article from Washington Life describes Podesta's love from Marina Abramovic (do see the links connecting?) as well as "under-the-radar" artist named Biljana Djurdjevic.

"If you've ever dreamed of strolling through a museum with a slice of pizza and glass of wine in hand, you need to befriend superlobbyist **Tony Podesta**. Known about town as a legendary political "fix-it" man, Podesta has turned his Kalorama home into a shrine to contemporary art, ranging from relatively under-the-radar artists such as Serbian painter [Biljana Djurdjevic](#) to those who are much better known (like French sculptor Louise Bourgeois). (...)

Currently he has collected from 40 different artists in some depth, with his top five being [Marina Abramovic](#), [Vik Muniz](#), Bourgeois, [Olafur Eliasson](#) and **Antony Gormley**."

– Washington Life, [Inside Homes: Private Viewing](#)

Tony Podesta also has a large paint of Djurdjevic in his living room. Here's another painting by Djurdjevic.

Rationalize it all you want, but this is a painting of a child being tortured.

In Conclusion

This article only contains some of the findings uncovered by 'private investigators' online. What has been exposed is, most likely, only the tip of the iceberg of a huge, complex network that has many ramifications. Each thread could probably be investigated further and lead to even more disturbing facts connecting even more high-powered individuals.

Going through the material of this article is a difficult and painful process, but it exposes the true mind-state and philosophy of the occult elite. They publicly celebrate a specific culture of death, abuse and dehumanization through their art and events, leaving us to only speculate about what they do behind closed doors. The symbolism in the above images is in perfect accordance with the occult elite's culture that I have been describing on Vigilant Citizen for years.

The "*Pizzagate*" investigation reveals, at best, the disturbing culture of the elite and, at worst, an all-out child trafficking ring. And don't believe that only Democrats are into this. This is the true culture of the occult elite, a circle of powerful people who operate far above political parties, and far above the law.

Kim Noble is a rare occurrence: a trauma-based mind control survivor with over 13 alter personas who don't know each other but who all paint. She has suffered DID and MPD (dissociative identity disorder and multiple personality disorder) for most of her life, as a result of an extremely traumatic childhood. Each one of her alters paints with a personal and distinctive style but they all have one thing in common: they reveal the dark world of mind control programming, from its horrific techniques to its symbolism. We'll look at the works of this unique artist who reveals a world that is totally hidden from the masses.

Many articles on this site point out the presence of mind control symbolism in popular culture. Photo shoots, music videos and movies often glamorize and trivialize mind control and its symbolism by associating it with famous stars and trendy happenings. The fact however remains that these references celebrate one of the most abominable practices known to man: trauma based mind control, also called Monarch programming. Originating from the secret CIA project called MK-Ultra, Monarch programming subjects its victims to some of the most sadistic tortures conceivable (for more details on Monarch programming see the article entitled [Origins and Techniques of Monarch Mind Control](#)).

The works of Kim Noble vividly document the life of a mind control slave through the eyes of 13 alter personas. While a few of these alters paint peaceful landscapes and nature scenes, most of them depict horrific aspects of mind control such as physical torture, electroshock, violent abuse, dehumanization and dark occult rituals. The stories told by these paintings are almost too much to bear, yet they likely actually happened to Kim Noble as they precisely reflect accounts of other Monarch survivors. Looking at the works of Kim Noble not only

reveals gritty details of an abominable practice carried on by “elite” organizations, it reveals the symbolism that is also thrown in our faces on a daily basis through corporate-owned mass media. Let’s look at the life and works of Kim Noble.

Who Is Kim Noble?

I have the feeling that Kim Noble herself would have trouble answering this question. Here’s the biography found on her official website.

“Kim Noble is a woman who, from the age of 14 years, spent 20 years in and out of hospital until she made contact with Dr Valerie Sinason and Dr Rob Hale at the Tavistock and Portman Clinics. In 1995 she began therapy and was diagnosed with Dissociative Identity Disorder (originally named multiple personality disorder). D.I.D is a creative way to cope with unbearable pain. The main personality splits into several parts with dissociative or amnesic barriers between them. It is a controversial disorder but Kim has had extensive tests over 2 years by leading psychology professor at UCL, John Morton, who has established there is no memory between the personalities and that she has the misfortune of representing the British gold standard over genuine dissociation. Having no formal art training, Kim and 13 of her personalities (alters) became interested in painting in 2004 after spending a short time with an art therapist. These 12 artists each have their own distinctive style, colours and themes, ranging from solitary desert scenes to sea scenes to abstracts, collages, and paintings with traumatic content. Many alters are unaware that they share a body with other artists.

What is remarkable to all is both the quality of their work and the speed of their progress. Within five years of starting to paint they have already had seventeen successful solo exhibitions and participated in an equal number of group exhibitions. Kim was also the first Artist in Residence at Springfield University Hospital in Tooting, South West London.”

[– kimnoble.com](http://kimnoble.com)

Despite the fact that she has to live with 13 alter personas – who randomly take control of her body – Kim Noble is fortunate enough to be living a relatively normal life. The fact that the programming stopped at a young age has helped her become “well-adjusted”. She has a teenage daughter named Aimee, who was mostly raised by the motherly alter named Bonny.

In the past few years, Kim Noble enjoyed some mainstream exposure and was featured in national newspapers such as [The Telegraph](#), [The Guardian](#), [The Independent](#) and several others. She even appeared at the [Oprah Show](#), where she was interviewed and was shown switching personas. As you might expect from mainstream media, the coverage of Noble's condition was extremely superficial and focused on exploiting the "freak" aspect of her condition for shock value. The true cause of her condition, trauma-based mind control, which is extensively described in her works, is almost never mentioned.

Although most articles and interviews about Noble "applauded" her courage and whatnot, none of them dared discussing the core message of her work and the system that it describes. Many of Noble's paintings depict terrible scenes of organized, institutionalized and systematic violence, torture, and child abuse combined with elaborate occult symbolism. It is obvious that the trauma Noble went through was not caused by a single sadistic father but by an organized entity that held many children. The only article I found delving into the mind control aspect of Noble's work was [The Art of Dissociation](#) from the excellent website Pseudo-Occult Media. However, to most newspapers, Noble's work is nothing more than an example of "outsider art" (a term popularized by trendy art-world douches to identify art created by people with mental problems). Most observers are fascinated by the fact that each one of Noble's alters paint with a distinctive style, but it's as easy to recognize that her collective works describe her past as a Monarch programming victim.

The "real" Kim Noble does not recall any of the abuse she suffered – several of her alters do, however, and they express all of it in their paintings.

"To all intents and purposes, each of Kim's personalities is an artist in their own right: Patricia paints the solitary desert landscapes, Bonny's pictures often feature robotic dancing figures or "frieze people", Suzy repeatedly paints a kneeling mother, Judy's canvasses are large, conceptual pieces while Ria's work reveals deeply traumatic events involving children.

These disturbing images are at the root of Kim's extraordinary condition; DID is a creative mental survival strategy whereby the personality splits at a young age due to severe and chronic trauma. The number of personalities that exist often depends on how long the trauma lasts. But Kim herself has no memory of being abused as a child; she has been protected over the years by her alters.

"I've been told I was abused and to me at this moment in time, it's too much. It goes in one ear and out the other. It's no good retraumatizing me and telling me something I don't want to know – in any case, there would be a switch."

Kim has good reason to fear learning about her past as it's possible that if she acquires too much information, she won't be able to cope and will "disappear". It's happened twice before. (omega)

This is where it gets really weird – for Kim isn't Kim at all. The personality I am interviewing is Patricia and it is she who manages her and Aimee's lives, but Patricia wasn't always the dominant personality. Before Patricia took over, Bonny held the fort and two years previous to Bonny, it was Hayley.

Kim watches me closely as she explains: "You see Kim is just the 'house', the body. There isn't a 'Kim' at all – she has completely split. So we answer to the name Kim but really I am Patricia. When people call us 'Kim' I suppose many of us just assume it's a nickname, but once people know you they don't use your name very often in conversation."

Of the 20 or so personalities who share "Kim", some are easily identifiable: there is 15-year-old Judy who is anorexic and bulimic, maternal Bonny, religious Salome, depressed Ken, sensible Hayley, Dawn, Patricia and elective mute MJ. There are also a handful of children "frozen" in time. A few of the alters know about the DID but many are unaware – or refuse to accept it.

"Judy doesn't believe in the DID," explains Kim. "She's only a teenager and she calls our therapist a nutter when she tries to explain it to her. She's so young, she doesn't even think Aimee is her daughter. She knows about me and she thinks that I'm a terrible mother because I'm always leaving Aimee. To her, it's totally normal to keep coming and going. She probably thinks that you come and go too."

There are certain "triggers" that can force a change and gradually Kim has learnt what they are in order to avoid them – but it doesn't stop her switching up to three or four times a day."

– The Independent, "Kim Noble, a Woman Divided"

Marina Abramovic sent an e-mail to Tony Podesta (John Podesta's brother) who then forwarded it to his brother.

Before going any further, [here's a video](#) [I have a copy in case it is Re-moved] of Marina preparing a 'Spirit Cooking' ritual.

Yes, the process involves buckets of congealed pig's blood. Marina paints on walls instructions that are coded in classic occultist language.

Spirit cooking refers to “a sacrament in the religion of Thelema which was founded by Aleister Crowley” and involves an occult performance during which menstrual blood, breast milk, urine and sperm are used to create a “painting”.

Strange fact: In [another leaked e-mail](#), Podesta contacts his doctor about an infected finger. Strange coincidence.

Further in the video, Marina drenches in blood a statue shaped like a small child.
Why do I have the sick feeling that actual children might be used during these ceremonies?

Why would an occultist such as Marina Abramović be in direct and friendly contact with people at the highest levels of power? Because they are all part of the OCCULT ELITE.

Marina Abramović

Marina Abramović is considered to be the “grandmother of performance art”. Most of her work however takes place in private settings where she conducts magick rituals. She is an important and powerful figure in pop culture and is greatly influential in Hollywood, the fashion world and the music business.

Marina ‘training’ Lady Gaga in the ‘Abramovic Method’.

Marina performing with Jay-Z.

Marina is an “occult pop culture” icon. Here are symbolic pictures celebrating this fact. On this cover of Vogue Ukraine, Marina represents the stronghold of occultism on the fashion world.

In the same photoshoot, Marina is holds a goat's head by the horns – a classic way of representing the drawing of magickal power from Baphomet.

Same photoshoot: Marina standing in front of a model with inner body parts exposed while doing an occult handsign.

Another interesting fact: Marina’s Twitter name is @AbramovicM666

This is why the term ‘occult elite’ is used to describe the highest level of power.

Conclusion

Lastly, there is a highly disturbing video (**The Neutered Noel**) produced by Amanda Kleinman, also known as “Majestic Ape”, who has been a host at Comet Ping Pong Pizza. She is very

closely related to Sasha Lord, the music coordinator for the pizza restaurant. Please pay VERY close attention to the numerous freeze frame graphics which were extracted from this video. Please be aware that these pics are not for the faint-hearted and some of the photos truly offend.

What follows is just one example of Sasha Lord's poster art that she routinely creates for the music groups that play at Comet Ping Pong Pizza for family events. The posters invariably specify that the music is for "**All Ages**". The one below is a curious exception.

Do you see the dots connecting?

The occult concept of “hidden in plain site” is clearly evidenced by the disturbing symbols used in the murals, design and layout of the Denver International Airport. It is strange and disturbing to say the least. Masonic fingerprints are all over the airport and it seems that their ominous message is indeed very clear for those who can decipher the “not so hidden” code found all around this airport. I am of the opinion that the airport contains a very sinister message about the future of the world.

Fitts served as managing director and member of the board of directors of the Wall Street investment bank Dillon, Read & Co. Inc., as Assistant Secretary of Housing and Federal Housing[3] Commissioner at the United States Department of Housing and Urban Development in the first Bush Administration, and was the president of Hamilton Securities Group, Inc., an investment bank and financial software developer. She is now the president of Solari, Inc., and managing member of Solari Investment Advisory Services, LLC.

Ex member of the global elite tells it all:

Now have a look at my blog on the [Georgia Guidestones – The 10 Commandments of the Humanist New World Order](#). Welcome to your new world without God.

Some conclusions:

1. There is a very sinister plot to reduce the global population by very significant numbers.
2. This is something that has been planned over a long period of time.
3. Legislation is already paving the way for this to happen.
4. FEMA is already being prepared for it.
5. The Global Warming deception can now be seen for what it really is – a convenient lie that makes a case as to why the world population will (inevitably) have to be reduced. The logic (1) global warming is a man-made problem. Therefore (2) Man will have to solve the problem. The problem can only be solved by reducing the production units that caused the problem in the first place.

Let's have a look at what the murals at the Denver Airport really seem to be telling us:

1. That a very large percentage of the world's population is going to be destroyed through war and biological warfare.
2. This period of unprecedented warfare and destruction is going to be followed by a false peace that will unify the people groups of the world.
3. There will be no more need for war.
4. The earth will (through the process) have been "re-birthed" or "re-born", cleansed. This will be a "new age" that has dawned upon the earth.
5. There will be a one world universal religion. This new universal religion will not worship the God of the Bible but rather a new age universal Christ.
6. Some things will become "extinct" and Christianity will be one of them. The other targets also seem to be Jews (and Judaism), and dark-skinned people.

These are nothing less than Satanic counterfeits of what the Bible has taught for thousands of years and we will explore what the Bible teaches about the end of the age in our next blog.

THE GOOD NEWS IS THAT THERE IS A WAY OUT OF ALL THIS.

Life on this earth will end for every living being at some time or another. It is something that we cannot escape. The Bible teaches that the wise man stores up treasure in heaven rather than

on earth. It also teaches that when we die, it is only our human body that perishes and not our spirit man. We will in fact live forever but the decision we make while on this earth will determine our eternal destiny. According to the Bible there are only two destinations, either heaven or hell.

Dr Richard Kent, previously a medical practitioner, has spent man years researching the stories and experiences of hundreds of people who have had near death experiences. Their personal testimonies explain what they saw when they died. You will find their stories here [Free Christian Teaching by Dr Richard Kent](#)

Laptop form Hell, photos of Hunter Biden and Malia Ann Obama leak online

Breaking Oct 26, 2020: [Text Messages Leaked: Jim, Joe, Jill, and Hunter Biden Discuss...](#)

Based on the leaks covering the contents of Hunter Bidens Laptop and what has been posted [online by GTV](#), one could assume that those leaks are accurate. Steve Bannon received a copy of the laptop's hard drive after Hunter Biden handed it in for repair and never collected it despite the shop's numerous attempts to return the device to Hunter Biden.

Multiple videos and images purportedly showing Hunter Biden engaging in sexual acts with several women and using drugs were uploaded on a Chinese digital video platform Saturday evening.

The videos and images appear to be uploaded by a [single user on GTV](#), with many of the photos seemingly from a third-party laptop. [GTV, a subsidiary of GTV Media Group](#), was

founded in April 2020 by Chinese billionaire Guo Wengui and Steve Bannon, a former senior adviser to President Trump.

The photos below appear to be of Hunter Biden and Malia Ann Obama taken on June 15, 2018.

[The NY Post](#) reports that: "The computer was dropped off at a repair shop in Biden's home state of Delaware in April 2019, according to the store's owner. The customer who brought in the water-damaged MacBook Pro for repair never paid for the service or retrieved it or a hard drive on which its contents were stored, according to the shop owner, who said he tried repeatedly to contact the client."

According to [The Hill](#): "Most significantly, neither Hunter Biden nor the Biden campaign has claimed the materials are fabricated. To the contrary, when initially asked about an email indicating that Joe Biden, as vice president, met with an executive of Burisma, the Ukrainian energy company that was lavishly paying Biden's son, the Biden campaign's reaction was to check the former vice president's official calendar — after which the campaign first lamely said there was no notation of any such meeting, and then meekly admitted that Biden might well have met with the Burisma executive."

[...] <http://www.doomsdaytube.com> I'm not particularly religious (although i do believe in a supreme being creator), but i thought this video made some good points. There is a global elite set out for world domination and depopulation. And they are very religious.

Using prophecies in the bible and other acient texts as there guide to fulfill their own agendas. Yes they do plan on depopulating the world signifantcly. Its all about control and domination. Jesus warned us to Watch and pray lest you enter into temptation – Watch and pray lest you fall by the way. Jesus told the pharisees that His disciples WOULD fast and pray after He the Bridegroom had gone away for a while. So let's do as He said. It's all happening today just like He said. And it will finish just like He said. It is time to Repent! For the Kingdom of Heaven is at hand. The children of Israel were led by God to Mt Sinai after He had brought them out of Egypt. There He revealed Himself to Moses again. What took sounds a bit like what was to take place in the time of the end. And then finally God told Moses to – Come up to the mountain. Soon we shall hear the trump of God and the voice of the archangel, and we who are anticipating the appearing of Jesus Christ shall also be called to Come up. Make sure you have oil in your vessel and your lamps are trimmed.

Hey There Propheticalert,

Speaking of which, Somebody told me creepy things about Denver airport and I usually think people who go on about mason/NWO things are mental, but this seems really strange.

The runways are in the shape of a swastika and there's a monument with a mason symbol on it that says underneath New World Airport. .

Then I thought, if it was part of a NWO, why would they make it that obvious?

What do others think?

Wishes
