

## **7 Places That You Cannot Miss On Your Trip to Dubai**

If you are planning a trip to Dubai, then you are in for an experience of a lifetime! The tourist attractions in Dubai are of gigantic proportions and while you are there, hours fly by as minutes. The best part is that it's pure sensory overload as they are charming from any angle that you look at them. So let's have a look at the places that you should definitely visit while you are in Dubai!

### **1) The Dubai Aquarium**

The reason why the Dubai Aquarium gets the spot on of number one on the list is because of the stark contrast it provides to Dubai. When you think of Dubai, the first image is that comes to your mind is of a desert ornamented in tall and aesthetically pleasing buildings. However, did you know that Dubai houses the world's largest indoor aquarium?

Yes, the Dubai Aquarium is the world's largest indoor aquarium measuring in at 51m x 20m x 11m in size. The structure houses more than 10 million liters of water, harboring more than 33,000 aquatic animals.

Visitors can opt for diving or a cage experience that is just surreal! If you are in Dubai, then you should definitely visit the Dubai Aquarium.

### **2) Burj Khalifa**

Meet the tallest building in the world – The Burj Khalifa. With a height of 828 meters, with a capacity to accommodate 35,000 people, the Burj Khalifa is nothing less than an architectural wonder. To give you a reference on how tall it is, the Burj Khalifa is two times the height of the Empire State Building.

The building follows Islamic architecture, with some very modern twists. The construction took more than 6 years and 12,000 workers were at the site any given time of the day.

In total there are 58 elevators on the Burj Khalifa, and 163 floors. Within the structure, there are 304 hotels and 900 apartments.

### **3) Burj Al Arab**

The Burj Al Arab has slowly become the face of Dubai tourism as it is one of the most recognizable buildings in the world. And rightfully so because the Burj Al Arab is voted the most luxurious hotel in the world, making it the first 7-star hotel in the world.

If you are looking to spend your time in utter luxury in Dubai, with world-class amenities, then the Burj Al Arab is the one to pick. Unlike many other luxury hotels in the world, the Burj al

Arab is located offshore, giving you a fantastic view of the cityscape and the ocean in one single panoramic view.

## 4) The Dubai Desert

You can go for Desert Safaris or Sand Dune Bashing in Dubai that is sure to make your energy levels spike up. It's thrilling and the golden sands may seem picturesque from afar, but they can surely give you a dose of adrenaline rush!

It is easy to forget about the Sand dunes when you are immersed in the world of Dubai as there is a ton to see. But nothing can beat the majestic sand dunes that are ready to be explored. So when you are in Dubai, take some time off from the manmade wonders and get to know the place from where it all began!

### 7 Places That You Cannot Miss On Your Trip to Dubai

If you are planning a trip to Dubai, then you are in for an experience of a lifetime! The tourist attractions in Dubai are of gigantic proportions and while you are there, hours fly by as minutes. The best part is that it's pure sensory overload as they are charming from any angle that you look at them. So let's have a look at the places that you should definitely visit while you are in Dubai!

## 1) The Dubai Mall

Feel the need to go shopping? Well, why not go to one of the largest malls in the world? The Dubai Mall covers over 12 million sq. feet. Based on just the area covered, it is the largest mall in the world! The place has got 22 cinema screens, well over 1,200 shops and the number of restaurants and cafes sits somewhere about 120.

The Dubai Indoor aquarium that we discussed earlier is a part of the Dubai Mall. And you won't find any problem with parking spaces either has the place can hold 14,000 cars.

Being Dubai, it's no wonder that the Mall has been voted several times for providing the best shopping experience.

## 2) Jumeira Beach

Do not miss out on the place where the blue ocean of Dubai meets its white sand! The Jumeira Beach is one among the picturesque [tourist places in Dubai](#) that showcase nature in its full splendor. The Jumeira is a great place to spend some time either on your own or in company. The waves slowly caressing the beach is something that is to be experienced. The place is so calm and it will impart the same peace of mind to you while you are soaking up the sun and the majestic place that is Dubai.

## 3) Sheikh Saeed Al Maktoum's House

The trip to Dubai is not complete without learning about its deep culture and historical heritage, and the Sheikh Saeed Al Maktoum House is the place to start. Being one of the oldest buildings in Dubai, the Sheikh Saeed Al Maktoum House was the residence of the Ruler of Dubai (1912 – 1958).

The place perfectly captures the Dubai Architecture and the construction methods that were used in the old time, the ingenious self-cooling wind towers being one of them. When you plan your trip to Dubai, don't miss out this gem embedded in Dubai's past.
