## Covid Vaccine Update – An Experiment on Humanity

**Covid Vaccine Update;** the covid vaccine is an experiment on humanity and has nothing to do with a virus, which is a hoax (planned for years.)

I will be blunt, as I always am; Covid is a fear tactic used by [the Deep State](#) to control people. The information in this post on covid vaccines being experiments on humanity is not something I just decided to write about last minute.

I have researched the [covid hoax](#) for months, along with millions of other truth seekers.

If you are new to this topic (government lies and coverups), there is a lot of info on our site that puts all the pieces of the puzzle together on what's going on in the world.

**Canadian man REFUSES Covid “test” and mask and you can too!**

**For those of you NOT getting the covid vaccine, good for you!**

This “covid vaccine” has not been tested (most vaccines take 10 years of research and testing.)

This “covid vaccine” has caused paralysis, severe nerve damage, death, sterility and more. In this video, **Dr. Carrie Madej** talks about what the covid vaccine is, what it is not, how it was developed and what the covid vaccine is ultimately designed for.

**Dr Carrie Madej** directed two large medical clinics in the state of Georgia, USA, and is an expert on vaccines.

**Dr. Carrie Madej** and her in-depth research led her to discover what the proposed technologies are for COVID vaccines. What Dr. Carrie Madej reveals is alarming.

**A group of almost one thousand medical doctors** in Germany called ‘Doctors for Information’, which is supported by more than **7,000 professionals**, including attorneys, scientists, teachers etc., made a shocking statement during a national press conference: **‘The Corona panic is a play. It’s a scam. A swindle. It’s high time we understood we’re in the midst of a global crime.’**

This large group of medical experts publishes a newspaper with circulation of **500,000 copies every week**. They alert the public about [the misinformation in the mainstream media](#) about the coronavirus. They also organize mass protests with millions of people throughout Europe.

**In 2017 and 2018 – two years before COVID-19 – hundreds of millions of PCR test kits for COVID-19 were distributed worldwide.**

Covid test kits distributed through the world 3 years before

**Hundreds of millions of COVID-19 test kits were exported and imported, all over the world, during 2017 and 2018; before any word of the covid plannedemic.**

This data was discovered on **September 5, 2020** and went viral all over the world.

The screenshot shows the WITS website interface. At the top, there's a navigation bar with links like 'Trade Stats', 'Tariffs', 'Non-Tariff Measures', 'API', 'Analytical database', 'Tools', and 'Bulk Download'. A red arrow points to a yellow highlighted box containing the text 'COVID-19 Test kits (300215) imports by country in 2017'. Below this, another yellow box contains the same text. The main content area shows 'Additional Product information: Diagnostic reagents based on immunological reactions' and 'Category: COVID-19 Test kits, Instruments, apparatus used in Diagnostic Testing'. A text block states: 'In 2017, Top importers of COVID-19 Test kits are European Union (\$17,131,541.68K , 2,759,970 Kg), Germany (\$8,731,545.89K , 3,015,010 Kg), United States (\$7,927,894.38K , 2,627,050 Kg), United Kingdom (\$6,291,366.96K , 1,062,590 Kg), Belgium (\$5,914,764.97K , 2,074,820 Kg)'. Below this, a yellow box says 'COVID-19 Test kits exports by country in 2017'. A table follows with columns: Country, Import, HS Code, COVID-19 Test kits, Year, Region, Value, Quantity, and Unit. The table lists imports for Costa Rica, New Zealand, India, Hong Kong, China, Morocco, and Peru.

Country	Import	HS Code	COVID-19 Test kits	Year	Region	Value	Quantity	Unit
Costa Rica	Import	300215	COVID-19 Test kits	2017	World	97,408.08	172,005	Kg
New Zealand	Import	300215	COVID-19 Test kits	2017	World	92,221.86	23,140	Kg
India	Import	300215	COVID-19 Test kits	2017	World	72,748.89	5,069	Kg
Hong Kong, China	Import	300215	COVID-19 Test kits	2017	World	71,295.60	17,889	Kg
Morocco	Import	300215	COVID-19 Test kits	2017	World	64,060.97	33,920	Kg
Peru	Import	300215	COVID-19 Test kits	2017	World	56,598.58	53,733	Kg

The next day, on **September 6**, the WITS suddenly changed the original label 'COVID-19' into the vague term 'Medical Test Kits'.

They forgot to delete one detail: the bottom of the webpage still showed the product code for these 'Medical Test Kits': **300215** which means '**COVID-19 Test Kits**'.

HS Nomenclature used HS 2017

**HS Code 300215: COVID-19 Test kits**

HS Classification Reference based on **Covid-19 medical supplies list 2<sup>nd</sup> edition**, prepared by **World Customs Organization (WCO)** and **World Health Organization (WHO)**

It's extremely uncommon and strange that the entire world imported and exported hundreds of millions of Medical Test Kits for something that wouldn't happen for 3 years.

***What did they know? What were they preparing for?***

In 2017, Anthony Fauci made a very strange prediction. With complete confidence, Fauci guaranteed that **during the first term of President Trump** a surprise outbreak of an infectious disease would surely happen. Here's what he said:

**"There is NO QUESTION there is going to be a challenge for the coming administration in the arena of infectious diseases. There will be a SURPRISE OUTBREAK. There's NO**

**DOUBT in anyones mind about this.“**

Anthony Fauci predicted covid 3 years before

*How could Fauci guarantee a surprise outbreak during the first term of the Trump administration?*

In 2018 Bill Gates publicly announced that a global pandemic was on its way. Gates said the virus could wipe out 30 million people. He said this would probably happen during the next decade.

Melinda Gates added that an **engineered virus** is humanity's greatest threat and also assured this would hit humanity **in the coming years**.

*Let their choice of words resound into your mind for a moment...*“Engineered Virus is coming”

Bill Gates has patent 060606 on the virus. Again, you cannot patent anything in nature; only a product manufactured.

Bill Gates makes money off fear and wants depopulation

Bill Gates is the world's number one vaccine dealer, who has doubled his fortune of 50 billion dollars to over 100 billion, simply by dealing vaccines all over the world.

We always thought Bill Gates ran a garbage operating system (which he stole by the way.)

Since when is Bill Gates a doctor?

**Bill Gates said Covid has been his 'best business investment' EVER**

A few months before the covid outbreak, Bill Gates organized an event in New York City called Event 201. Guess what the event was all about? It was a '*coronavirus pandemic exercise*'.

**Bill Gates organized a coronavirus pandemic exercise before the coronavirus plannedemic happened.**

### **Predictive Programming**

Predictive programming is the process of informing the population about events that are soon to occur.

In the past years, several movies and television series were produced, about... a global coronavirus pandemic!

Back in **2013** a musical artist with the peculiar name of Dr Creep wrote a rap song called PANDEMIC. Nothing special about that, were it not that one of his lyrics reads:

**'2020 combined with CoronaVirus, bodies stacking.'**

**'The State is rioting, using the street outside. It's coming to your windows.'**

How is it possible that an unknown musician could accurately predict a coronavirus pandemic to occur seven years later?

**What the rap artist said about his covid song**

**'I did research back in 2012, and read the so called "conspiracy theories". You know, those investigations the media doesn't want us to look into. According to those theories, pandemics were bound to happen in the decade of 2020 – 2030. So I wrote the song Pandemic about it.'**

In 2018 The Institute for Disease Modeling made a video in which they show **a flu virus – which is a coronavirus – originating in China, from the area of Wuhan, and spreading all over the world**, killing millions. They called it 'A Simulation For A Global Flu Pandemic.' That is exactly what happened, two years later.

### **Where did Covid come from?**

One of the world's leading experts in bioweapons is **Dr. Francis Boyle**. He said covid originated from a bioweapon lab in **Wuhan**, the Bio Safety Lab Level 4.

**This facility is specialized in the development of... coronaviruses!**

They take existing viruses and 'weaponize' them, meaning they make them far more dangerous, to be used as a biological weapon.

**In 2015 Anthony Fauci gave this Wuhan lab 3.7 million dollars.**

**Anthony Fauci, who *guaranteed* a surprise outbreak of a virus in the next two years, gave almost 4 million dollars to a lab in Wuhan that develops coronaviruses.**

**Several movies predicted the coronavirus pandemic**

**The film 'Dead Plague' depicts a global pandemic with a coronavirus and even mentions hydroxychloroquine as the cure.**

Another film called 'Contagion' shows how a coronavirus spreads globally with social distancing, face masks, lock-downs, washing of hands etc. as a result.

### **The Dead Zone – 2003 Covid Predictive Programming**

*Literally everything we see is predicted in detail in most movies...and also music.*

**During the opening show of the Summer Olympics in 2012, a coronavirus pandemic was played out for the eyes of the entire world.**

We saw this video live during the 2012 Olympics and never understood what the creepy performance was all about until 2020.

After the 2012 Olympic creepshow was over, people cheered. Not surprised. Brainwashed. I just sat there wondering what the hell it was that I just saw. Something was way off and I started to wake up a bit more.

Dozens of hospital beds, large numbers of nurses becoming puppets of a controlling system, death lurking about, a demonic giant rising up over the world, and the whole theatre was lit up in such a way that seen from the sky it looked like a coronavirus.

*Why did the Olympic Games show a coronavirus pandemic, in their opening show?*

**Look at all the Predictive Programming**

In 2014, investigative journalist **Harry Vox**, predicted a planned global pandemic and said why the [‘ruling class’](#) would do such a thing:

**‘They will stop at nothing to complete their toolkit of control. One of the things that had been missing from their toolkit is quarantines and curfews. The plan is to get hundreds of thousands of people infected with it and create the next phase of control.’**

Covid isn’t about a virus killing people. Covid is a scare tactic hoax used to control people.

They ([Rockefellers](#), [Rothschilds](#), Vatican and [banking system](#)) have been controlling the world for generations.

**THIS is what’s going on in the world!**

There is no killer virus! People have been programmed to believe whatever they see on the television.

Television and all news media is controlled by the “elite” (nothing elite about them.) They are power-hungry [pedophiles and satanists](#).

The television is scripted and always has been! You’ve heard me say this many times before.

People are too afraid to go without masks for fear of what others will think of them.

There is a movement for March 1, 2021, for NO MASKS! Search it up.

Freedom starts with the people! Don’t just sit there and hope the problem goes away! IT WILL NOT!

Our ancestors fought for freedom! Don’t just give it away to lying politicians making up rules that go against the constitution to steal our rights!

People who believe in covid ask truth seekers, “where is your proof? How do you know it’s fake?!”

We can ask the same of them; “Where is your proof there is a virus? Oh, the tel-lie-vision.”

It goes both ways.

I hope this post on the covid update and what it’s really about inspired you to do some research.

These Coronavirus Trials Don't Answer the One Question We Need to Know BMJ. (New York Times), Sep. 21, 2020 <https://www.nytimes.com/2020/09/22/opinion/covid-vaccine-coronavirus.html>

"We may not find out whether the vaccines prevent moderate or severe cases of Covid-19. If you were to approve a coronavirus vaccine ... you would want to protect against the worst cases. But that's not how the companies testing three of the leading coronavirus vaccine candidates, Moderna, Pfizer and AstraZeneca ... are approaching the problem. According to the protocols for their studies ... a vaccine could meet the companies' benchmark for success if it lowered the risk of mild Covid-19, but was never shown to reduce moderate or severe forms of the disease, or the risk of hospitalization, admissions to the intensive care unit or death. Moderna and Pfizer acknowledge their vaccines appear to induce side effects that are similar to the symptoms of mild Covid-19."

mRNA vaccines are a form of "genetic engineering" of humans. Here's a quote from an LA Times article: <https://www.latimes.com/science/story/2020-11-18/covid-19-vaccine-race-takeaways>

<https://www.fda.gov/regulatory-information/search-fda-guidance-documents/emergency-use-authorization-medical-products-and-related-authorities> -

**Information for Recipients**

Although informed consent as generally required under FDA regulations<sup>45</sup> is not required for administration or use of an EUA product, section 564 does provide EUA conditions to ensure that recipients are informed about the MCM they receive under an EUA. For an unapproved product (section 564(e)(1)(A)(ii)) and for an unapproved use of an approved product (section 564(e)(2)(A)), the statute requires that FDA ensure that recipients are informed to the extent practicable given the applicable circumstances:

- That FDA has authorized emergency use of the product;
- Of the significant known and potential benefits and risks associated with the emergency use of the product, and of the extent to which such benefits and risks are unknown;
- That **they have the option to accept or refuse the EUA product** and of any consequences of refusing administration of the product;<sup>46</sup>
- The President may under certain circumstances waive the option for members of the armed forces to accept or refuse administration of an EUA product (10 U.S.C. 1107a)

## 1. A new method of making vaccines has arrived.

Both the Moderna and Pfizer vaccines were created using a new method that combines genetic engineering and immunotherapy. They're called mRNA vaccines, and their aim is the same as vaccines that preceded them — to teach the immune system to recognize and attack a viral invader.

And this from Popular Mechanics:

<https://www.popularmechanics.com/science/health/a34787908/what-is-mrna-covid-19-vaccine-pfizer-moderna/>

"So-called "messenger" genetics ... deliver genetic information to parts of your body, usually in order to overwrite or erase the genetic information that's already there." In other words, these vaccines change our genes. We have no idea if this will have dangerous long term side effects or not.

Ask people to name Pfizer's best-selling product and many would opt for one of its most famous drugs: Viagra, for erectile dysfunction, or Lipitor, to reduce high cholesterol. But they would all be wrong. The top-seller is not a drug but a vaccine: Prevnar, which prevents pneumonia, meningitis and other infections caused by pneumococcus bacteria. Prevnar generated revenues of \$6.25bn last year — almost three times as much as Viagra. This was up 40 per cent from the year before, after the expert panel that advises on US vaccine policy recommended its use in over-65s as well as in children. **Pfizer is one of just four pharma**

**groups with large vaccines operations. The others are GlaxoSmithKline of the UK, Sanofi of France and Merck of the US. All four reported stronger sales growth in vaccines than in pharmaceuticals last year and operating margins were comparable with pharma at around 25-30 per cent.**
