What Sets the Vegan Brownies of Arapina Bakery Apart?

Irresistible Flavour: These are exotic brownies made out of organic materials that give a non vegan brownie great and delicious taste. They are unbelievably tasty and you'd never guess that they are, in fact, vegan!

Healthier Indulgence: These brownies have no dairy products and no animal products, but that does not mean they are not yummy or fudgy.

Thus, one may ask, why choose vegan brownies from Arapina Bakery?

Diverse Selection: Check out the [Vegan Brownies](#) section where we have original chocolate, nuts added and additional and less common options of salted caramel and raspberry swirl.

Freshness Guaranteed: It is worth noting that our brownie is not like those that are produced in bulk then shipped when they are needed, each batch that is made is to order and therefore when you order yours, what you get is a fresh batch of delicious brownies.

Classic Fudgy Chocolate: Immerse yourself in perhaps one of the most popular, delicious and moist vegan chocolate brownies.

Nutty Almond Crunch: Get the wonderful feel of this nutty vegan brownie and savour almonds which create a nice additional feature of a crispy bitterness.

Decadent Specialties: Our specialty brownies include awesome peanut butter or cool mint chocolate that will give you the extra special flavour that you deserve.
