

# Download AL3 files and EDocs from IVANS - WinsurTech

REST API can be used to download AL3 files, Claim files, and eDocs from IVANS.

**WinsurTech's IVANS Integration Pack** can help you do it quickly as it supports single or multiple mailboxes. Our IVANS Integration Pack, once combined with our AL3 Parser, can automatically feed the files to **WinsurTech AL3 Parser** and convert them to JSON or XML. We can also help to send this data to your AMS or CRM as applicable. Contact us at our email address [contact@winsurtech.com](mailto:contact@winsurtech.com) to learn about the pricing of the product.
