LIVER DETOX TEA

Description

Introducing Jolly Jecur Tea, your very own herbal apothecary in a cup! Made with some of the most renowned medicinal plants. This energizing tea is delicious and nutritionally rich.

Our unique tea is blended perfectly with organic Nettle, Echinacea, Sarsa Parilla, Milk Thistle, and Dandelion, which have been used for centuries to help detoxify the body and promote wellness. Ayurvedic studies have shown that herbs such as Milk Thistle and Sarsa Parilla are very effective in maintaining overall [Liver health](#) and help in [Liver Detox](#).

So sip away – your tea is freshly brewed with each steaming cup - and enjoy all the benefits that Jolly Jecur brings to the table!

Why drink this tea?

The ingredients used in this herbal blend have ultimate Liver detoxifying properties. If you are a regular alcohol drinker or have had issues related to Liver health in the past then this Tea will aid in body's natural detox and recovery process significantly and help you maintain a healthy Liver. Dandelion aids in digestion and keeps bloating and gastric problems at bay. Echinacea is known to have anti-inflammatory properties and keeps your skin radiant and blemish-free.

Ingredients

Nettle, Echinacea, Sarsa Parilla, Milk Thistle, Dandelion

Caffeine

None

Brewing Instructions

Water should be heated to a temperature of 99 Degrees Celsius, and then add the tea to it and brew for 4-6 minutes.

Mode

Best enjoyed in hot form

Tasting Notes

Warm Aroma and Earthy Flavour

Origin

India

Packaging

Tight-lid cylindrical containers are used to store teas after they have been vacuum-sealed in aluminium pouches, which protects the teas from air and light while also preventing them from absorbing aromas and deteriorating over time.
