

Tips For Planning A Hybrid Display Booths By Poster Garden

TIPS FOR PLANNING A HYBRID BOOTH

GENERATE QUALITY LEADS

Hybrid display can attract quality prospects with a dedicated space to take the next step in your sales funnel with meeting areas, reception counters, or touch-screen stations.

GROW WITH YOUR ROI

What you start with today, you can use forever. It's the versatility that ensures your display grows as your profitability grows.

OPTIMIZE CAMPAIGN SPENDS

Unlock the potential to reach two audiences using one set of hardware at a fraction of the cost.

RECONFIGURE EACH SHOW

Each show allows you to be creative and stand out with an original and innovative booth design.

PRO TIP

“If you are unsure about investing in a new feature, rent the components first before you fully invest”.
