

Cardekho vs Cars 24 Which One is the Best

Introduction

Buying a car can be both exciting and overwhelming. With so many options available in the market, it is hard to decide which one is the best for you. In addition, selecting the right platform to buy or sell your car can also be a daunting task. That's why we bring you this article that compares two of the most popular online platforms: [Cardekho and Cars24](#). We will dive deep into their features, benefits, costs, and user experiences to help you make an informed decision on which one suits your needs better.

About Cardekho

Cardekho is an online marketplace that connects buyers and sellers of new and used cars. It is a free platform that offers a wide range of services, including listing cars for sale, researching cars, and providing advice on car buying and selling.

Cars are a physical product that you can purchase from a dealership or private seller. You will need to test drive the car and have it inspected before making a purchase. Cars can be expensive, but they may last longer than Cardekho vehicles.

About Cars24

Cars24 is an online car buying and selling platform that offers a convenient and transparent way to buy and sell used cars. It also provides a wide range of services such as car valuation, car inspection, car finance, and more.

Cars24 was founded in 2015 by Vikram Chopra and Ritu Kaur. The company is headquartered in Gurugram, Haryana. As of 2019, Cars24 has a network of over 200+ outlets spread across 100+ cities in India.

The difference between Cardekho and Cars24

There are a few key differences between Cardekho and Cars24 that make one better than the other. For starters, Cardekho offers a wide range of vehicles to choose from while Cars24 focuses mainly on used cars. This means that if you're looking for a new car, Cardekho is the better option. Additionally, Cardekho has more detailed listings with more information about each vehicle while Car 24's listings are shorter and less informative. Finally, Cardekho has a better reputation than Cars24, meaning you're more likely to have a positive experience with the former.
