

Wishtree Wedding - Destination Wedding Planners Ernakulam, Kerala

Devika & Anoop | Wedding | Traditional Wedding

Step into Devika and Anoop's enchanting Hindu traditional wedding, where every detail bloomed with the vibrant essence of the "Tree of Life" theme. The lotus pond whispered serenity while cascading flowers adorned the mandap and entrance, creating an ethereal canopy above. Intricate mirror and stencil works gracefully accentuated the traditional design elements. The fusion of red and beige hues imbued the atmosphere with warmth and tradition, while traditional lamps illuminated the sacred union. The team at Wishtree Wedding Planner was honored to weave magic into Devika and Anoop's special day, crafting memories that will forever blossom in their hearts.
