

Vastu Tips for Home Entrance

Do You know?

Never allow water to accumulate in front of the **house's main door**, due to the accumulation of dirty water and stones at the house's main door creating **Vastu defects**.

For More Info Visit: <https://www.monkvyasa.com/>

Accumulation of dirty water and stones at the main door of the house creates Vastu defects, if this accumulation is in the west direction, then there is defamation along with loss of money.

That's why never let water accumulate in front of the house's main door and always keep the door of the house clean. Accumulating stones in front of the house slows the progress of life and one has to face obstacles in every sphere of life.
