

Wonju DB manager Kim Joo-sung and the team conduct volunteer activities for "Love House."

Wonju DB's Love House is a volunteer activity in which Fromi Volunteer Group and Basketball Team, consisting of executives and employees of the headquarters, visit families with difficult living conditions to improve the residential environment, such as plating, exchanging floorboards, and supporting living improvement items.

DB Promy, which has been volunteering to improve the residential environment of difficult neighbors such as multicultural families in Wonju since 2011, plans to hold a "Love House with the Promy Basketball Team" for eight elderly households in Wonju again.

The volunteer work will be attended by all members of the basketball team, including owner Chung Jong-pyo, head coach Kim Joo-sung and captain Kang Sang-jae, and a total of 80 people, including executives and employees of the headquarters, will participate.

On this day, DB Insurance promised continuous social contribution activities, such as repairing the homes of 100 vulnerable households in Wonju and sponsoring items necessary to improve the living environment. [안전한 카지노사이트](#)

In addition, the DB Promy basketball team not only directly participates in the residential culture improvement service, but also adds meaning by sponsoring 1,000kg of rice for low-income families in Wonju.
