[Butt plugs](#) are wonderful toys that can help you safely explore the new sexual territory. Anal plug sex toy can help you switch up your routine while warming up your body for new things. People often use butt plugs for penetrative anal-sex preparation. Anal orgasms, anyone with an anus can have one, and a butt plug can help. All the nerves just inside your backdoor are just part of what makes butt play feel so amazing. You can use them during submissive play, wear them in public, and engage in some DP action by wearing one during vaginal penetration.

Anal plug sex toy or butt plug tends to be smaller, cone-shaped, and, in general, just easier to get in as they are cleverly shaped for their function. With plugs, you can choose the size. Start with small size; don't get a bigger one than your butthole. The rectum doesn't self-lubricate, lube going to have to help it out or another option with oil-based lubes and coconut oil.

**Tip.** Instead of going straight for the ass, try a few other activities you enjoy, like oral, to get your body turned on and receptive to a new kind of stimulation. Circle the anus with the finger; after your butt is comfortable with a couple of fingers, slather your plug in lube and slowly slide it inside you. Take things super slow, use lots of lube, relax, breathe deeply, and bear down slightly.

Safely explore the new sexual territory.

- Using lots of lube. Lube isn't optional when it comes to butt play.
- Proper handling. Washing and disinfecting any sex toy before and after use is a must.
